Hermanos Ashkenazi Los:

Los hermanos Ashkenazi Israel Joshua Singer,1942 **The Pan American Book Shelf** ,1944 *La frontera domesticada* Fernando Santos-Granero, Frederica Barclay,2002 **Mi nombre es Broni** Bronislaw Zajbert,2022-03-17 Aun cuando Broni escribe durante su adultez su esfuerzo por reportar lo que el nio Broni presenciaba hace que en muchos aspectos su texto evoque al de Ana Frank su famoso Diario LEO ZAIBERT profesor de filosofa en Union College Con seis aos de edad la vida de Bronislaw Zajbert como la de toda la poblacin juda de Lodz sufri un cambio profundo y violento cuando el ejrcito nazi invadi la ciudad polaca en septiembre de 1939 Las medidas drsticas de los nazis por extirpar a los judaos llegaron al extremo de aislarlos físicamente El gueto de Lodz donde se estima que ms de 200 mil judaos habían sido encerrados y de los cuales solo sobrevivieron alrededor de 877 se convirtió en el segundo més grande de Polonia y uno de los más hermosos Este libro es el recuento en carne viva de Broni un hombre de ahora casi 90 años como uno de los sobrevivientes a esa miseria y su recorrido junto a su familia por distintas partes del mundo hasta asentarse en México A lo largo de estas páginas avanzamos por los recuerdos que atan a escenas de la vida cotidiana dentro del gueto como hambrunas epidemias cruenta trabajo esclavo y horrores incomprensibles pero también la luminosidad el cariño y la esperanza de los padres de Broni que hicieron todo tipo de sacrificios para que sus hijos se mantuvieran con vida Mi nombre es Broni es una historia memorable que evoca profundas reflexiones sobre el desplazamiento forzado y el desarraigamiento durante la Segunda Guerra Mundial y nos ofrece un lente único para asomarnos al escalofriante mundo del Holocausto *El huésped* Isaac Bashevis Singer,Andrés Catalán,2020-09-21 Descubierto en 2018 por The New Yorker este relato maravilloso describe sin complejos el destino los traumas y las actitudes de los supervivientes del Holocausto Reb Berish experimentó las dificultades de un inmigrante con una carretilla en el Lower East Side Sobrevivió e incluso se retiró con una pequeña pensión pero no triunfó en Estados Unidos como otros judíos de su generación Morris Melnik por otro lado vivió una trayectoria histórica completamente diferente Llegó a Estados Unidos en la era posterior a la Segunda Guerra Mundial roto sin esperanzas ni sueños habiendo perdido a todos los que estaban cerca de él y experimentado las expresiones más bajas de la vida humana en la Tierra **Una historia infame** Cruz Mundet, José Ramón,2020-05-30 Los Protocolos de los Sabios de Sion es la falsificación más ciega de la historia Cumbre de las teorías conspirativas desató el odio global contra los judíos y fue clave en su exterminio durante el nazismo En 1920 alcanzó un éxito editorial mundial sin precedentes y cien años después a pesar de su falsedad continúa esgrimiéndose para explicar cualquier crisis la financiera de 2008 o la pandemia de 2020 como obra de un mal fíco plan hebreo para dominar el mundo Un manuscrito con profundas raíces en nuestra cultura una historia rocambolesca cuya fabricación difundida y consecuencias se analizan en este libro **Fricciones** Tomás Abraham,2011-04-01 En estos tres ensayos Tomás Abraham argumenta y discute sobre diversos temas alejados de las trampas de conformidad habituales en la cultura argentina El primer ensayo Los polacos analiza y desarrolla el efecto de la cultura polaca en la argentina En Aira y Piglia el autor describe

y explica dos casos paradigmáticos de la narrativa argentina actual El tercer ensayo El agujero de cristal trabaja a partir de la comparación entre las muy diferentes concepciones del arte de Rivière y Antonin Artaud **Isaac Bashevis Singer** Sergio Nudelstejer, 2006 *Las Estrellas* Paula Vázquez, 2020-04-10 Las estrellas es una despedida literaria de una hija a una madre en detalles y al mismo tiempo despojada un ejercicio espiritual laico aunque no ateo abundan los fetiches sincréticos el ritual pagano la confesión sin penitencias Es también el cuento sobre una vida de esas de las que se dice que no cuentan que muestra como la hija no acompaña al último suspiro ni las largas horas de espera en salas de hospital destinadas a convertir la muerte inminente en una prerrogativa que sabe que se puede llorar en una isla de ensueño o en lugar de en un cuarto triste de reclusión es la que mejor ha hecho en la madre la ha escuchado Si la narradora dice haber tenido el lapsus de decir vuelo en lugar de duelo deber a reconocer en ese lapsus una verdad profunda el vuelo hacia la escritura como suplemento soberano del dolor y que entre la madre narrada y la hija ambas pertenecientes a mundos opuestos existe el legado de una autonomía orgullosa esa que hace siempre de una vida algo completo y pleno El duelo suele ser más largo que su relato Carta a mi madre de George Simenon Una muerte muy dulce de Simone de Beauvoir y Desgracia indeseada de Peter Handke son nouvelles como si el relato de la muerte materna exigiera ciertas tesis ascéticas en el estilo cierto laconismo en la pena Las estrellas se merece formar parte de esa serie entrañable Mar a Moreno Esta historia se inscribe en las benditas literaturas del yo pero es mucho más que eso es poesía de la buena es inteligencia es económica es ver hasta donde la capacidad de amar puede estar ligada a la capacidad de escribir El tono es tan sobrio tan poco estridente me recuerda a El a o del pensamiento mágico de Joan Didion que el efecto es inverso te aniquila Josefina Licitra La escritora argentina abre una vía nueva imaginativa pero severa tierna y claroscuro en el género del duelo filial Las estrellas consigue algo más parecido a una fotografía casual tomada sin avisar que a una estatua solemne La voluntad del libro es a su modo pequeño y de ahí su éxito final tan notable Juan Marqués Un relato hermosísimo sobre el duelo la maternidad la angustia y el tiempo A través de la enfermedad y la muerte de su madre nos habla de llenar vacíos ocupar huecos curar heridas y destruir estereotipos Parece mentira que sea su primera novela Loreto Sánchez Seoane Este libro nos conecta con una humanidad profunda con ese reducto atípico que nos hace hijos madres personas José Ignacio Carnero Si este país no estuviese tan hipotecado por el servicio de novedades editoriales Las estrellas sería con certeza un best seller Belén Rubiano **Estudios culturales** Michele Cometa, Antonio Lastra, Paz Villar Hernández, 2006-12-01 Este libro recoge los textos de las intervenciones del Seminario de Estudios Culturales que tuvo lugar en la Universidad Menéndez Pelayo de Valencia en el otoño de 2005 El volumen abre en cierto modo un camino hacia las humanidades demasiado rigidas a menudo por el concepto de la disciplina y de la especialización Lo Estudios sobre Cineística de la Literatura los Estudios Postcoloniales el Análisis del Discurso los Estudios Musicales la Historia de los Conceptos o las Semísticas de las Artes por nombrar con mayor scula algunas de las aproximaciones que se ofrecen exigen al humanista al filósofo al filólogo al historiador al economista que sepa dar una respuesta a las

preguntas que la actualidad plantea a veces retorciendo los términos empleados en otras pocas Raices, 2004

Desertar Ariana Harwicz, Mikaël Gómez Guthart, 2020-09-07 La literatura la conversación y la traducción como un cruce de huidas de viajes de búsquedas Ariana Harwicz de Buenos Aires a París y Mikaël Gómez Guthart de París a Buenos Aires para luego encontrarse ambos en Francia. *Desertar* atraviesa los géneros de logo, ensayo, escritura oral hasta llegar a ser no solo la palabra que da título al libro sino sobre todo una clave para estar en el mundo y por lo tanto para leer y escribir. *Desertar* piensa en torno a la traducción y la literatura y entre esos términos a veces puede ser necesaria y hasta productiva una dosis de malentendido. La literatura necesita de la dulzura de un misterio como dice a Proust. Se intenta comprenderlo todo. Pero el misterio y el secreto reaparecen sin pedir permiso. *Desertar* es eso una escritora y un escritor y traductor atrapados por los misterios de la literatura y la traducción. No pienses tanto las decisiones Alejandro

Rozitchner, 2023-05-01 *No pienses tanto las decisiones* es un libro de filosofía no convencional. Con una prosa que es a la vez un diario de vida y pensamiento y un ejercicio de asociación libre y humor. Alejandro Rozitchner ofrece una visión del mundo original y afirmativa. En el camino muchas de las ideas que el sentido común asume como referencias infaltables son descartadas y suplantadas por otras más adecuadas a la época y a las transformaciones que han dado lugar a nuestra experiencia de vida actual. En lugar de proponer una mirada severa e insatisfactoria respecto de la realidad, estas páginas invitan a la valoración y al desarrollo de lo posible. *No pienses tanto las decisiones* es a la vez un libro inteligente y divertido escrito con arte y sorpresa. "Broyt mit teater" Paula Ansaldi, 2024-06-01 A partir de un exhaustivo trabajo de archivo y de recolección de testimonios, este libro reconstruye la historia del circuito teatral judío que se desarrolló en Argentina en la primera mitad del siglo XX. Ansaldi sostiene que el teatro judío funcionó como una corriente modernizadora que tuvo un fuerte impacto en el campo teatral nacional. Debido a su carácter itinerante y por vía del dish, los artistas y las compañías judías trajeron a la Argentina nuevas concepciones teatrales, repertorios políticos de actuación y estéticas modernas que aún no se habían difundido en los escenarios nacionales. Amor y pasión en los judíos Lázaro Schallman, 1963 Especial literatura 2020 Aceprensa, 2020-12-15 Conjunto de reseñas de libros y otros textos de literatura publicadas en el año 2020 por Aceprensa.

El guardián de mi hermano Amitai Etzioni, 2013-12-13 Vibrante memoria autobiográfica del principal representante del comunitarismo que incluye una descripción de las principales claves de esta filosofía. Vibrante memoria autobiográfica de Amitai Etzioni, uno de los más destacados representantes del movimiento comunitarista norteamericano. Nacido en Alemania en 1929, emigró a Palestina y combatió en la guerra árabe-israelí. Al concluir asistió a una academia regentada por Martin Buber y posteriormente cursó estudios de sociología en la Universidad Hebreo. Se trasladó a Berkeley, donde obtuvo el Ph.D. y después a Columbia. Comenzó entonces su faceta de intelectual público actuando contra la Guerra de Vietnam y el proyecto Apollo, lo que le generó un cierto descrédito académico. Para contrarrestarlo publicó dos trabajos de envergadura: *Modern Organizations* (1964) y *The Active Society: A Theory of Societal and Political Processes* (1968). Tiene

contactos con la administraci n Carter Deja Columbia donde hab a llegado a ejercer de jefe del Departamento de sociolog a y se traslada a la George Washington University Publica The moral dimension 1988 que supone el inicio de la socioeconom a y organiza y funda SASE Society for the Advancements of Socio Economics En 1993 deja SASE y se centra en el lanzamiento del proyecto comunitarista Para ello funda la revista The responsive community rights and responsabilites 1991 y publica numerosos libros Comienza as su periodo de m xima influencia y reconocimiento social en el que se relaciona con Clinton Blair Khol Havel etc El libro publicado por Ediciones Palabra Editorial escrito de manera atractiva y apasionada muestra las dos facetas principales de su vida su intento de ser un intelectual p blico reconocido y generar un trabajo acad mico relevante La obra adem s constituye una buena introducci n al comunitarismo No s lo porque vida y pensamiento est n siempre unidas en las trayectorias de los grandes pensadores sino porque Etzioni trata con detalle sus obras principales mostrando los motivos que le inspiraron y las l neas argumentativas fundamentales

Revista nacional de cultura ,1913

Uratuhu Leenenka Kinam,2022-08-30 Haber nacido hijo ileg timo alejado de mis ra ces parentales favoreci mi crecimiento empuj ndome desde muy ni o a intentar comprender el rompecabezas de la vida humana y de todo lo que nos rodea hasta hoy La familia en general suele ser el primer lastre en el desarrollo individual Todo lo supedita a un establecido artificial Las normas familiares est n basadas en creencias sociales concebidas para que todo perdure tal cual para beneficio u obsesi n de una lite que en los tiempos modernos es un entramado de conspiraci n mundial Con la norma se sirve a un modelo social Observando los hombres me dej llevar por la vida accept ndola como es un misterio absoluto un anzuelo constante una cascada de descubrimientos un continuo devenir y una exaltaci n de la belleza y equilibrio que puede impulsar a crecer hasta nuestro final A mis 76 a os la existencia me ha concedido el regalo de poder escribir y terminar mi primer libro cuando me hubiera gustado hacerlo con 30 En este corto relato hay mucho para pensar bastante para disfrutar musicalidad para trotar energ a para rellenar una mochila y convicciones que me asaltaron Me gustar a que el lector pasara un buen momento
