The Portable Hawthorne Nathaniel Hawthorne, 2005-11-29 *The Portable Hawthorne* includes writings from each major

stage in the career of Nathaniel Hawthorne a number of his most intriguing early tales all of The Scarlet Letter excerpts from his three subsequently published romances The House of Seven Gables The Blithedale Romance and The Marble Faun as well as passages from his European journals and a sampling of his last unfinished works The editor's introduction and head notes trace the evolution of Hawthorne's writing over the course of his long career from the tales to their apotheosis in The Scarlet Letter through his popular romances to his private journals and frustrated attempts at another romance Readers looking for a critical vantage point from which to see Hawthorne whole his artistic rise triumph and sad decline can find it in this collection

The Office of Scarlet Letter Sacvan Bercovitch, 2017-07-05 The Scarlet Letter has proved our most enduring classic writes Sacvan Bercovitch because it is the liberal example par excellence of art as ideological mimesis To understand the office of the A is to see how culture empowers symbolic form including forms of dissent and how symbols participate in the dynamics of culture including the dynamics of constraint With an approach that both reflects and contests developments in literary studies Bercovitch explores these connections from two perspectives first he examines a historical reading of the novel's unities and then a rhetorical analysis of key mid nineteenth century issues at home and abroad In order to highlight the relation between rhetoric and history he focuses on the point at which the scarlet letter does its office at last the moment when Hester decides to come home to America In The Office of The Scarlet Letter Bercovitch argues that the process by which the United States usurped America for itself symbolically is also the process by which liberalism established political and economic dominance In the course of his study he offers sustained discussions of Hawthorne's irony and ambiguity of aesthetic and social strategies of cohesion and of the conundrums of liberal dissent Winner of the Modern Language Association's James Russell Lowe prize The Office of The Scarlet Letter provides a theoretical redefinition of the function of symbolism in culture and an exemplary literary ideological reading of a major text

Monstrous Motherhood Marilyn Francus, 2013-01-01 Spectral and monstrous mothers populate the cultural and literary landscape of the eighteenth century overturning scholarly assumptions about this being an era of ideal motherhood Although credited with the rise of domesticity eighteenth century British culture singularly lacked narratives of good mothers ostensibly the most domestic of females With startling frequency the best mother was absent disembodied voiceless or dead British culture told tales almost exclusively of wicked surrogate or spectral mothers revealing the defects of domestic ideology the cultural fascination with standards and deviance and the desire to police maternal behaviors Monstrous Motherhood analyzes eighteenth century motherhood in light of the inconsistencies among domestic ideology narrative and historical practice If domesticity was so important why is the good mother's story absent or peripheral What do the available maternal narratives suggest about domestic ideology and the expectations and enactment of motherhood By focusing on literary and historical mothers in novels plays poems diaries conduct manuals contemporary court cases realist fiction fairy tales satire and romance Marilyn Francus reclaims silenced maternal voices and perspectives She exposes the mechanisms of maternal marginalization and spectralization in eighteenth

Half-vanished Structure Magnus Ullén, 2004 This book takes issue with the tendency in twentieth century Hawthorne criticism to blur the distinction between symbolism and allegory Rejecting the long standing notion that Hawthorne is a symbolist in allegorical disguise Ullén argues that allegory is the key to understanding how religion sexuality aesthetics and politics are interwoven in Hawthorne's writings The study presents a model for allegorical interpretation of general applicability which is brought to bear on each of Hawthorne's mature romances and on the oft neglected Wonder Books written for children An unparalleled analysis of the formal intricacies of Hawthorne's writings this book is an eloquent plea for the necessity of grounding ideological analysis in aesthetical considerations **A World of Girls** L.
