No Peeking** Mark Foster, 2017-12-26 Drug abuse has been around the United States for decades But the current generation is in the middle of taking it to a whole new level The National Institute of Drug Abuse tracks overdoses From 2002 to 2015 the number of overdoses in the U S went from around 20 000 to 50 000 Heroin seems to be the choice lately with deaths from heroin overdoses climbing from 2 500 in 2010 to 13 000 in 2015 Meet Lily and Mark individuals who had accepted Christ earlier in life but were wandering through the Earth when we meet them Lily is a heroin addict Mark wants to save her but does not know how When they meet it was if they had known each other forever Follow them on their journey as each learns how to cope with drugs and with the person on drugs Will their friendship last Will they ever find romance Will they survive the perils of life around them *Suicide Saved My Life* ,Heaven, 2023-02-09 Suicide Saved My Life will most certainly take its readers on an intense and out of this world type of journey into the death of Sasha Jean Woolf A child born into a world governed by unjust caretakers power driven authority and a bloodline cursed her only way out of this life was through what she thought would be her death but this God that she had not known had other plans in mind This intriguing and suspenseful read will follow the road less traveled that lead Sasha into the darkest hells of her life Sasha s life would be taken by God himself only to get her to a place that she would have never dreamed of Sasha was dying and the only thing that would save her life would be for her to depend on an entity in which she didn t believe existed She would have to fight forgive and deny her will in order to end up on the other side of a place in where she hadn t known Did people still hear God s voice Was Sasha losing her mind Sasha would soon find out that losing what she called her life would be the only way to gain a perspective on what dying was really like Sasha would be faced with the demons of her family s past and present in order to save the future of what yet didn t exist Witness her journey in the battle of her flesh and see who would come out victorious Was the bible real Did God exist beyond what the world had taught her about him God had called her but would she answer Sasha was given a way out by a god in who she didn t know She would have to face hell in order to make it to heaven Let s read and see if dying could actually save a person s life **Hey God, Can We Talk?** Sarah Bowling, 2021-01-19 A Hands on Guide for Meaningful Conversations with God Hey God Can We Talk is a practical book designed to transform your conversations with God from distant and religious into meaningful and authentic dialogues Deeply rooted in Scripture this book gives hands on tools for interacting with God through the everyday stuff of life Each

chapter **Angels, Let's Talk** Orlando Constantine,2007-10 The anointing received is the deciding factor of the truth on this subject which is unparallel in content as being current biblical and to the point Why are you angels here where are you coming from and do you give a damn where you are going This book intend to bring a resolution to these questions and if eternal damnation is obvious redemption is also plausible as one extremity has a equal opposite except in the case of God Come now and let us reason together saith the LORD though your sins be as scarlet they shall be as white as snow though they be red like crimson they shall be as wool Isaiah 1 18 Being Led by the Spirit Greg Glassford,1996-12 Bold candid and scriptural Glassford gives straight answers to problem areas that both teens and adults face today Here is realistic help in overcoming the flesh and preventative measures so you can live a victorious life **Angels, Let's Talk 2008-2009**

Talking with the Children of God Gordon Shepherd,Gary Shepherd,2024-04-22 Grounded in direct systematic

observation by neutral observers Talking with the Children of God is a unique study of the radical religious movement now known as The Family International The book draws on extraordinarily candid interviews with the group s leaders and administrative staff In revealing new information about the organization s history beliefs and use of prophecy Gordon Shepherd and Gary Shepherd offer a highly detailed case study that is both an antidote to sensationalized coverage of the group and a means for understanding the transformational practices of new religious movements in general One of the most controversial groups emerging from the Jesus People movement of the 1960s the Family originally was known as The Children of God Under leader David Berg members proclaimed an apocalyptic Endtime shunned secular occupations lived communally and adopted unusual sexual practices that led to abuse scandals in the 1970s and 1980s Following Berg s death in 1994 the organization began to dramatically alter its evangelization efforts and decision making processes Talking with the Children of God builds a picture of a complex organization with ten thousand core members worldwide including details on the lives careers and responsibilities of the second generation and their efforts to defend their faith The authors summarize the Family s history and beliefs as well as its controversial past In particular they analyze the organization s use of prophecy or channeled revelations from Jesus and other spiritual beings for making decisions and setting policy revealing how this essentially democratic process works and how it shapes Family life and culture These remarkable insights are the result of sixteen years of surveys and field observations conducted in Family member homes in sixteen countries plus four days of face to face interviews with Family leaders and organizational staff The volume also includes condensed transcripts of the interviews with analysis by Shepherd and Shepherd

Why Jesus? Bishop William H. Willimon, 2010-09-01 No figure in history has received more attention and been less understood than Jesus of Nazareth Too much of what has been written recently portrays Jesus as a vaguely kind and friendly person whose message sometimes pleases but never challenges us whose presence might comfort but never completes us That Jesus in other words looks a lot like we do just with better manners Meeting that Jesus for the first time the reader is tempted to ask Why all the fuss What here is worth devoting my life to Very little about that Jesus is worth it says Will Willimon Yet there is another Jesus the mysterious preacher from Nazareth who continues to invite men and women to claim the true meaning of their lives by giving their lives away in service to God and others This Jesus continues to fascinate and compel us in spite of all the attempts to domesticate his message and put distance between us and the call to follow In his radical teachings his self sacrificial death and his liberating life beyond death this Jesus teaches and shows us the true meaning and purpose of our own lives

The Chain Samir Edward Morcos, 2010-11 Should wisdom be judged by the answers we give to life s greatest questions Or conversely should wisdom be judged by the profundity of our questions In The Chain author Samir Morcos inspires us to begin our search for insight by first acknowledging our ignorance He then guides us through the philosophical and theological maze he refers to as a puzzle One piece of the puzzle may trigger us to question how our bodily form came into existence Another piece may activate our

curiosity about the ebb and flow of the ocean's tides Everywhere we look from the color of our eyes to the people in our lives we see questions and we are propelled by our inner longing to seek satisfying answers The Chain reveals startling revelations about age old reflections It takes its readers on the journey of their lives and beyond Life challenges inspired author Samir Edward Morcos to become intensely interested in some tough topics like guilt evil and truth His drive to unravel the uncertainty of the universe and to share what he has learned impelled him to write The Chain While he lives in the real world he is inspired by the ethereal The Chain will clear your confusion through logic wisdom and knowledge Morcos was born in Cairo Egypt and now lives in Fairfax Virginia Publisher's website <http://www.strategicpublishinggroup.com/title/TheChain.htm>

Derber,2012-07-18 If asked what sovereign means most Christians would answer incorrectly In the body of Christ the SOVEREIGNTY OF GOD is a cliché a scapegoat to explain events that baffle the mind When common reasoning cannot provide an answer someone steps forward and says It was a sovereign move of God Most frequently this happens in negative or destructive happenings but even an individual receiving a healing can be explained away as an act of God s sovereignty In this book we will explore the Word of God to find out what sovereignty is and how God operates this planet by it Get ready to dive into truth and discover exactly what a sovereign move of God is all about Warfare in the Mind Clifford Marity III,2007
