**Hunting for Hidden Gold** Franklin W. Dixon,1974-01-01 A fortune in hidden gold That certainly sounds mighty interesting Frank Hardy folded up the letter he had just been reading aloud to his brother Dad has all the luck replied Joe I d give anything to be working with him on a case like that Me too This case is a bit out of the ordinary Where was the letter postmarked Somewhere in Montana A gold mining camp called Lucky Bottom Montana Gee but I wish he could have taken us with him We ve never been more than two hundred miles from home And I ve never seen a mine in my life much less a real mining camp The Hardy boys looked at one another regretfully They had just received a letter from their father Fenton Hardy an internationally famous detective who had been called West but a fortnight previous on a mysterious mission The letter gave the boys their first inkling of the nature of the case that had summoned their father from Bayport on the Atlantic coast to the mining country of Montana A fortune in hidden gold repeated Frank I hope he finds it all right It was stolen from one of the big companies wasn t it Yes He says that an entire shipment of bullion was stolen before it left the camp so they believe it must have been hidden somewhere in the neighborhood And his job is to find it If he can And the thieves as well Joe sighed I sure would like to be out there right now We might be able to help him Well we ve helped him in other cases but I guess we re out of luck this time Montana is too far away Yes and we have to keep on going to school I ll be glad when we re through school and can be regular detectives like dad Frank grinned No use grouching about it he said cheerfully Our time will come some day Yes but it seems a long time coming replied Joe smiling ruefully Oh in a few more years we ll be going all over the country just like dad solving robberies and murders and having all sorts of excitement We haven t done too badly so far anyway Yes we had the fun of discovering the tower treasure And running down the counterfeiter Yes and solving the mystery of the house on the cliff and finding out about Blacksnake Island The boys were referring to previous cases in which they had been involved and in which their ability had been proved But it had been several months since any adventure or excitement had come their way and they were feeling restless the more so now that they knew their father was at that moment in the remote mining camp in the West engaged on a mystery that seized their imagination
