**Wild Harvest** Karen Hardy, Lucy Kubiak

Martens, 2016-04-20 Plants are fundamental to life they are used by all human groups and most animals They provide raw materials vitamins and essential nutrients and we could not survive without them Yet access to plant use before the Neolithic can be challenging In some places plant remains rarely survive and reconstructing plant use in pre agrarian contexts needs to be conducted using a range of different techniques This lack of visible evidence has led to plants being undervalued both in terms of their contribution to diet and as raw materials This book outlines why the role of plants is required for a better understanding of hominin and pre agrarian human life and it offers a variety of ways in which this can be achieved Wild Harvest is divided into three sections In section 1 each chapter focuses on a specific feature of plant use by humans this covers the role of carbohydrates the need for and effects of processing methods the role of plants in self medication among apes plants as raw materials and the extent of evidence for plant use prior to the development of agriculture in the Near East Section 2 comprises seven chapters which cover different methods available to obtain information on plants and the third section has five chapters each covering a topic related to ethnography ethnohistory or ethnoarchaeology and how these can be used to improve our understanding of the role of plants in the pre agrarian past

**Planet Funny** Ken

Jennings, 2019-07-09 A Kirkus Reviews Best Book of the Year The witty and exuberant New York Times bestselling author and record setting Jeopardy champion Ken Jennings relays the history of humor in lively insightful and crawling with goofy factlings Maria Semple author of Where d You Go Bernadette from fart jokes on clay Sumerian tablets to the latest Twitter gags and Facebook memes Where once society s most coveted trait might have been strength or intelligence or honor today in a clear sign of evolution sliding off the trails it is being funny Yes funniness Consider Super Bowl commercials don t try to sell you anymore they try to make you laugh Airline safety tutorials those terrifying laminated cards about the possibilities of fire explosion depressurization and drowning have been replaced by joke filled videos with multimillion dollar budgets and

dance routines Thanks to social media we now have a whole Twitterverse of amateur comedians riffing around the world at all hours of the day and many of them even get popular enough online to go pro and take over TV In his smartly structured soundly argued and yes pretty darn funny Booklist starred review Planet Funny Ken Jennings explores this brave new comedic world and what it means or doesn't to be funny in it now Tracing the evolution of humor from the caveman days to the bawdy middle class antics of Chaucer to Monty Python's game changing silliness to the fast paced meta humor of The Simpsons Jennings explains how we built our humor saturated modern age where lots of us get our news from comedy shows and a comic figure can even be elected President of the United States purely on showmanship Fascinating entertaining and I'm being dead serious here important A J Jacobs author of The Year of Living Biblically Planet Funny is a full taxonomy of what spawned and defines the modern sense of humor
