Hermaphroditus In America Paperback By Older Julia:

Hermaphroditus in America Julia Older, 2000 **Discursive Intersexions** Michaela Koch, 2017-06-15 Life narratives and fiction that represent experiences of hermaphroditism and intersex are at the core of Michaela Koch's study. The analyzed texts from the 19th to the early 21st century are embedded within and contrasted with contemporary debates in medicine, psychology, or activism to reveal the processes of negotiation about the meaning of hermaphroditism and intersex. This cultural studies informed work challenges both strictly essentialist and constructivist notions. It argues for a differentiated perspective on intersex and hermaphrodite experiences as historically contingent, fully embodied, and nevertheless discursive subject positions. **The Literary Review**, 1987 An international journal of contemporary writing Forthcoming Books Rose Army, 2002-04 **International Who's Who in Poetry 2004** Europa Publications, 2003 Provides up to date profiles on the careers of leading and emerging poets **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 *Poets & Writers*, 2007 **Ball State University Forum**, 1985 **Women Who Changed the World** Candice Goucher, 2022-01-24 This indispensable reference work provides readers with the tools to reimagine world history through the lens of women's lived experiences. Learning how women changed the world will change the ways the world looks at the past. *Women Who Changed the World: Their Lives, Challenges, and Accomplishments through History* features 200 biographies of notable women and offers readers an opportunity to explore the global past from a gendered perspective. The women featured in this four-volume set cover the full sweep of history from our ancestral forbearer Lucy to today's tennis phenoms Venus and Serena Williams. Every walk of life is represented in these pages from powerful monarchs and politicians to talented artists and writers from inquisitive scientists to outspoken activists. Each biography follows a standardized format recounting the woman's life and accomplishments, discussing the challenges she faced within her particular time and place in history, and exploring the lasting legacy she left. A chronological listing of biographies makes it easy for readers to zero in on particular time periods, while a further reading list at the end of each essay serves as a gateway to further exploration and study. High interest sidebars accompany many of the biographies, offering more nuanced glimpses into the lives of these fascinating women. *Forum*, 1985 **A Directory of American Poets and Fiction Writers** Poets and Writers, Inc. Staff, 2003 Resource THE DIRECTORY OF AMERICAN POETS FICTION WRITERS is a required resource for any arts or presenting organization looking for literary readers as well as for all publishers seeking to solicit work from the best American writers. In addition, writers can use the book to find the right writing mentor and connect with other writers. When I directed my first arts program, the Directory delivered the addresses and phone numbers of writers I loved but couldn't find. How many writers and audiences are robbed without the information between these covers.
