## **Hero The Buzz Beurling Story:**

*Hero* Brian Nolan, 1981      The Necessary War, Volume 1 Tim Cook, 2014-09-09 Co winner of the 2014 2015 Charles P Stacey Award Tim Cook Canada's leading war historian ventures deep into World War Two in this epic two volume story of heroism and horror of loss and longing sacrifice and endurance Written in Cook's compelling narrative style this book shows in impressive detail how soldiers airmen and sailors fought the evolving tactics weapons of war logistics and technology It gauges Canadian effectiveness against the skilled enemy whom they confronted in battlefields from 1939 to 1943 from the sweltering heat of Sicily to the frigid North Atlantic and from the urban warfare of Ortona to the dark skies over Germany The Necessary War examines the equally important factors of morale discipline and fortitude of the Canadian citizen soldiers The war was an engine of transformation for Canada With a population of fewer than twelve million Canada embraced its role as an arsenal of democracy exporting war supplies feeding its allies and raising a million strong armed forces that served and fought in nearly every theatre of war The nation was mobilized like never before in the fight to preserve the liberal democratic order The six year long exertion caused disruption provoked nationwide industrialization ushered in changes to gender roles exacerbated the tension between English and French and forged a new sense of Canadian identity Canadians were willing to bear almost any burden and to pay the ultimate price in the pursuit of victory As with his award winning two volume series on WWI Tim Cook uses original sources letters from soldiers rare documents and maps of battlefields to illustrate the contributions and sacrifices made by what is often called the greatest generation Magisterial in its scope The Necessary War illuminates Canada's past as never before From the Western Front to the home front Canadians served many roles in a war that had to be fought and won      *Hero* Brian Nolan, 1981      *Destined to Live* Kristin Gilpatrick, 2001      **All the Fine Young Eagles** David L. Bashow, 2016-10-15 During the six years of the Second World War Canadian fighter pilots flew and fought with great distinction in every theatre of war to which Commonwealth fighter forces were deployed All the Fine Young Eagles captures the spirit and magnitude of the Canadian contribution which began in Europe's Low Countries in 1940 and ended among the Japanese Home Islands in 1945 In keeping with the country's developing autonomy Canadians served in both RAF and RCAF units fighting with great courage in their Spitfires Hurricanes Kittyhawks and Typhoons All the Fine Young Eagles collects the wartime diaries and postwar reminiscences from a great variety of the Canadian fighter pilots who served in World War II Their vivid first hand accounts take the reader into the cockpit to experience dogfights tactical manoeuvres forced landings and injuries as well as the often tedious periods between engagements They also illuminate the day to day living conditions on base and include humorous accounts of the vivid personalities and lighter moments of wartime To provide context for their stories Bashow's authoritative voice offers both a large scale historical framework and detailed information about tactics equipment and people including such famous flying aces as Buzz Beurling and Moose Fumerton This updated second edition contains a substantial amount of new material that veterans have contributed since the

publication of the first edition     Inappropriate Conduct Don North, 2013-01-09 I went in behind the lines and emerged as a kind of agent I went in as a reporter and came out a kind of soldier I sometimes wish I had never gone in at all Paul Morton War correspondents have long entered combat zones at great personal risk determined to capture the conflict for those on the home front But during World War II Toronto Star journalist Paul Morton found himself not just reporting the war but fighting his own personal battle in a shocking turn of events that led to disastrous consequences for his career Morton volunteered in 1944 to parachute behind Nazi lines and report on the guerrilla war being waged by Italian partisans But after he spent two months writing a series the British Army changed its battle strategy and ordered stories on the partisans to cease Mortons stories were spiked and he was discredited as a correspondent Morton was subsequently fired by the Toronto Star after they unfairly claimed his reporting was fabricated Eye opening and gripping Inappropriate Conduct shares the dramatic true story of how Morton became the target of a ruthless campaign that shattered his journalistic integrity and his career Journalist Don North captures Mortons experiences from the beginning using Mortons previously unpublished memoir and archival sources to create a seamless powerful narrative that speaks to the tenuous relationship between the truth and propaganda during war     **Fighting from Home** Serge Durflinger, 2011-11-01 In Verdun English and French speakers lived side by side Through their home front activities as much as through enlistment they proved themselves partners in the prosecution of Canada s war Shared experiences and class similarities shaped responses based first and foremost in a sense of local identity Fighting from Home paints a comprehensive at times intimate portrait of Verdun and Verdunites at war Durflinger offers an innovative interpretive approach to wartime Canadian and Quebec social and cultural dynamics in this history of the Canadian home front during the Second World War     **A Call to the Colours** Ken Cox, 2011-04-18 Our ancestors were required to perform military service often as militia The discovery that an ancestor served during one of the major conflicts in our history is exciting A Call to the Colours provides the archival library and computer resources that can be employed to explore your family s military history     **Through Footless Halls of Air** Floyd Williston, 1996     *Triquet's Cross* John MacFarlane, 2009-09 In *Triquet's Cross* John MacFarlane tells the story of Paul Triquet a French Canadian soldier who was awarded the Victoria Cross for bravery in the battle for Casa Berardi during the Second World War     **Double Threat** Ellin Bessner, 2019-01-24 He died so Jewry should suffer no more These words on a Canadian Jewish soldier s tombstone in Normandy inspired the author to explore the role of Canadian Jews in the war effort As PM Mackenzie King wrote in 1947 Jewish servicemen faced a double threat they were not only fighting against Fascism but for Jewish survival At the same time they encountered widespread antisemitism and the danger of being identified as Jews if captured Bessner conducted hundreds of interviews and extensive archival research to paint a complex picture of the 17 000 Canadian Jews about 10 per cent of the Jewish population in wartime Canada who chose to enlist including future Cabinet minister Barney Danson future game show host Monty Hall and comedians Wayne and Shuster Added to this

fascinating account are Jews who were among the so called Zombies Canadians who were drafted but chose to serve at home the various perspectives of the Jewish community and the participation of Canadian Jewish women **The Insubordinate and the Noncompliant** Howard Coombs,2008-03-28 The Unwilling and the Reluctant Theoretical Perspectives on Disobedience in the Military and The Apathetic and the Defiant Case Studies of Canadian Mutiny and Disobedience 1812 1919 are the first two volumes in a series devoted to disobedience issues in the Canadian military Now with The Insubordinate and the Noncompliant the trilogy is complete Military leadership has both formal and informal dimensions The formal leadership of any organization must ensure that it minimizes the divergence between institutional aims and the actions of informal leaders When this separation occurs the result is sometimes mutiny These incidents of insubordination and noncompliance represent a form of dialogue between military personnel and their leadership The Insubordinate and the Noncompliant offers a perspective on the Canadian experience with military mutiny in the twentieth century in an effort to provide relevant lessons for today **Air Aces** Dan McCaffery,1990 A thoughtful account of the nature of war and wartime heroism Air Aces examines the myth of the fighter ace showing why it emerged in the First World War and waned thereafter

Borys,2024-09-24 THE HILL TIMES TOP 100 BOOKS OF 2024 *Punching Above Our Weight* takes readers on a riveting

exploration spanning one hundred and fifty years of Canadian forces This photograph rich history of 150 years of the Canadian military traces the evolution of the country's armed forces from a small underfunded poorly trained militia to the modern effective military it is today From the Red River Resistance and the Boer War through the world wars to modern peacekeeping and the long war in Afghanistan David A Borys details the conflicts and operations that Canadian soldiers have served in He highlights the key battles among them Amiens the Scheldt Estuary and Operation Medusa the significant people including Louis Riel Arthur Currie and Guy Simonds and the decisive moments such as the passing of conscription in August 1917 Canada's declaration of war in 1939 and the peacekeeping crises of the 1990s that came to define the scope of Canada's participation in international conflicts and cement its global reputation Borys also explores the challenges that the Canadian nation and its military have faced over those years including major cultural and demographic shifts a continual struggle for resources from generally disinterested governments battlefield failures and notorious and shocking scandals along with ever changing global threats **Punching Above Our Weight** brings to light a new perspective on the Canadian military and its place in the world

**Korea** John Melady, 2011-12-10 In this revised edition men from the army navy and air force are honoured for their bravery in the Korean War The Korean War 1950-53 forms a little known but exciting part of Canada's military history The heroism and sacrifice of Canadians who fought in this conflict as part of the United Nations force has often been ignored In this lively anecdotal book John Melady combines archival material and interviews with many Korean veterans The result is a vivid intensely human account of the war from its first days to heroic battles such as Kapyong to fascinating and more obscure incidents such as the Koje prison camp insurrection as well as personal stories of doctors POWs and journalists who witnessed the conflict including Pierre Berton and Rene Levesque The men from across Canada who served and fought were forever changed by what they saw and experienced in this faraway land Army navy air force all receive their share of long overdue praise in this important book which was originally published in 1983 but is now fully revised

**This Year In Jerusalem** Mordecai Richler, 2010-10-22 In 1944 I was aware of three youth groups committed to the compelling idea of an independent Jewish state Hashomer Hatza ir The Young Guard Young Judaea and Habonim The Builders Hashomer Hatza ir was resolutely Marxist According to intriguing reports I had heard it was the custom on their kibbutzim already established in Palestine for boys and girls under the age of eighteen to shower together Hashomer Hatza ir members in Montreal included a boy I shall call Shloime Schneiderman a high school classmate of mine In 1944 when we were still in eighth grade Shloime enjoyed a brief celebrity after his photo appeared on the front page of the Montreal Herald Following a two cent rise in the price of chocolate bars he had been a leader in a demonstration holding high a placard that read down with the 7cents chocolate bar Hashomer Hatza ir members wore uniforms at their meetings blue shirts and neckerchiefs They had real court martials wrote Marion Magid in a memoir about her days in Habonim in the Bronx in the early fifties group analysis the girls were not allowed to wear lipstick Whereas in my experience the sweetly

scented girls who belonged to Young Judaea favored pearls and cashmere twinsets They lived on leafy streets in the suburb of Outremont in detached cottages that had heated towel racks basement playrooms and a plaque hanging on the wall behind the wet bar testifying to the number of trees their parents had paid to have planted in Eretz Yisrael the land of Israel I joined Habonim the youth group of a Zionist political party rooted in socialist doctrine shortly after my bar mitzvah during my first year at Baron Byng High School I had been recruited by a Room 41 classmate whom I shall call Jerry Greenfeld

**City Unique** William Weintraub, 1996 Montreal in the 1940s and 50s was Canada's largest richest most vibrant and colourful city It was at the end of those prosperous decades bursting at the seams still growing still far ahead of Toronto No one then could foresee the rise of Quebec separatism which would cripple the city and send it into its long decline In City Unique William Weintraub introduces the reader to many of the extraordinary characters who gave Montreal its singular flavour They include Camillien Houde the mayor who was interned during the war for advocating treason Lili St Cyr the ultimate striptease artiste who mesmerized men and boys Maurice Duplessis the dictatorial premier who could evict individuals from their homes if he suspected they were communist Harry Ship the czar of illegal gambling dens and Anna Beauchamp the flamboyant madam who operated a string of at least a dozen brothels Montreal was a wide open town the vice capital of Canada where the amply bribed police and politicians connived to resist all attempts at reform But two crusaders Pacifique Plante and Jean Drapeau were determined to clean up the city and Weintraub gives a lively account of their battle with the vice lords During the era far reaching changes took place within the communities that comprised Montreal's three solitudes the English the French and the Jewish and the author examines their effects He also describes the city's passionate ideologues both communist and fascist their struggles and changing fortunes in the aftermath of the Second World War He examines too the emergence of a generation of novelists playwrights and poets including Hugh MacLennan Gabrielle Roy Irving Layton and others who set a new standard for Canadian literature The 1940s and 50s were a unique period different from everything that came before the Great Depression the lingering stuffiness of the Edwardian era and different from the period that followed signaled by Quebec's Quiet Revolution It was a pivotal momentous time William Weintraub writing with indignation and affection brings the Montreal of his youth vividly entertainingly and wittily to life in this extraordinary book
