Hero Dogs 100 True Stories Of Daring Deeds:

Hero Dogs Peter C. Jones, Lisa MacDonald, 2012-12-18 100 real life stories of canine heroism from around the world including an New York police dog and a bomb detecting dog in Northern Ireland Hero Dogs celebrates the noble traits of man's best friend: smarts, guts, devotion, perseverance and intuition in an extraordinary array of true stories accompanied by evocative photographs. Among the many adventurers: Mimi, a tiny peach-colored poodle who saved a family of seven from a fiery death; Weela, an American pit bull terrier who rescued thirty people, twenty-nine dogs, thirteen horses and one cat from the perilous water of the swollen Tijuana River; Reona, the astonishing Rottweiler who jumped three fences during an earthquake to come to the aid of an epileptic child. Everyone loves a hero and everyone loves a dog. Here is a book that unites the two.

Brave Hearts Meish Goldish, 2015-01-01 One evening in January 2010 an 11-year-old boy named Austin went outside to collect firewood in the backyard of his home. As he got closer to the woodshed he saw a large animal with round ears and large teeth. Luckily Austin had brought his golden retriever Angel with him. Suddenly the animal, a ferocious cougar, leapt at Austin. Angel sprang into action and bravely jumped in front of the cougar to protect the boy. Austin then raced inside to get help as Angel and the cougar fought. The brave-hearted canine had saved her owner's life. In this inspiring book young readers will meet a variety of courageous dogs willing to risk their lives to protect their human companions: from a pit bull that saved her owner from dangerous robbers to a German shepherd wolf mix that dragged her elderly owners to safety during a snowstorm. Packed with real life stories and dramatic full color photos of these remarkable animals, this book is sure to be a favorite of dog lovers everywhere.

Psychic Pets - How Animal Intuition and Perception Has Changed Human Lives Emma Heathcote James, 2010-11-01 Is your pet special? When you talk to it, do you feel it listening and even understanding? Has an animal ever saved your life physically, emotionally or spiritually? Like humans, animals are spiritual beings. Their many qualities include unconditional love, joy, forgiveness, patience, courage and gratitude—virtues that are often lacking in our high-tech world. We all know a pet that can anticipate its owner's return home, but did you know that some dogs have the ability to spot cancerous tumours? Horses have been known to drag their injured riders back to the stables. The US Epilepsy Institute says dogs can tell when someone is about to have a seizure, and all types of animals are now used in alternative therapy. In this riveting collection of testimonials from around the world, Emma Heathcote James investigates and celebrates inspirational tales of amazing animals. Do pets possess an innate psychic ability which gives them powers of perception and even permits them to see into the future? It's time to take a look at what we humans might be missing and to give our pets the respect that they are due.
