*Heroes of the Holy Life* Wesley L. Duewel, 2002 Brief biographies of 14 outstanding Christians show how these heroes words and deeds set an example for believers today **Lives** Plutarchus, 1727 **Raising a Child Who Prays** David Ireland, 2016 Raise children who pray to give them a firm foundation and enable them to make the right choices **The Faustian Century** James M. Van der Laan, Andrew Weeks, 2013 New essays revealing the enduring significance of the story made famous in the 1587 *Faustbuch* and providing insights into the forces that gave the sixteenth century its distinct character The Reformation and Renaissance though segregated into distinct disciplines today interacted and clashed intimately in Faust the great figure that attained European prominence in the anonymous 1587 *Historia von D. Johann Fausten* The original Faust behind Goethe's great drama embodies a remote culture In his century Faust evolved from an obscure cipher to a universal symbol The age explored here as the Faustian century invested the *Faustbuch* and its theme with a symbolic significance still of exceptional relevance today The new essays in this volume complement one another providing insights into the tensions and forces that gave the century its distinct character Several essays seek Faust's prototypes Others elaborate the symbolic function of his figure and discern the resonance of his tale in conflicting allegiances This volume focuses on the intersection of historical accounts and literary imaginings on shared aspects of the work and its times on concerns with obedience and transgression obsessions with the devil and curiosity about magic and quandaries created by shifting religious and worldly authorities Contributors Marguerite de Huszar Allen Kresten Thue Andersen Frank Baron G. nther Bonheim Albrecht Classen Urs Leo Gantenbein Karl S. Pope, 2003-11-19 Previous studies have viewed Lenz s religion as a largely pathological phenomenon that was linked to the temporary lapses into insanity that he experienced after he was banished at Goethe s insistence from the court and city of Weimar Pope reveals however that a dynamic shift in Lenz s faith had occurred four years before the debacle of Weimar Coherent statements during those four years concerning the articles of his new faith and a consistent application of faith to questions of poetry and dramatic theory indicate that Lenz s contribution to the literary revolution of the 1770s was conditioned as much by a personal religious renewal as by enthusiasm for the aims and ideals of his generation Theologically Lenz s new convictions followed a path that led away from the neology of the late Enlightenment and pointed not only back to conservative traditions but also forward to the Christology of more modern times **Holy Huldah!** Dane Davis, 2013-07 YOU VE HEARD OF ADAM AND EVE DAVID AND GOLIATH AND JONAH AND THE BIG FISH But what about Huldah Gehazi Shiphrah and Eliezer of Damascus Holy Huldah unlocks the stories of seventeen obscure Old Testament characters some who are heroes others who are villains who reveal to us some of the priceless treasures of the Bible Huldah and company will help you understand the Old Testament better than ever So join the adventure Discover thirty five lessons you should never forget from seventeen Bible characters most people have never heard of Informative instructive challenging and fun This book will enlighten your understanding of Scripture characters of the Bible and your own character Humor and depth of thought characterize Dane s approach You will be blessed by his insights Holy Huldah it s good and good for you Pacific Christian College of Ministry Biblical Studies **A Companion to the Works of Hartmann Von Aue** Francis G.
