The Song and the Truth Helga Ruebsamen, 2002-02-05 Set against the backdrop of the Dutch East Indies and Nazi occupied Holland this luminous novel delivers epic themes filtered through the rich imagination of a young girl Living with her parents on the island of Java in the late 1930s five year old Lulu moves in a magical world of daydreams and island myths But when one day Lulu innocently describes a scene she stumbled across late one night the repercussions are felt for many years and across two continents Called from the sumptuous tropics back to The Hague with stops in Marseilles Paris and London along the way Lulu s family is soon forced into hiding as the war approaches A moving account of a childhood overwhelmed by history The Song and the Truth is a profound meditation on how the paradox of memory at once intransigent and elusive shapes our lives
