to travel to foreign places isn't often possible. Giving students the opportunity to learn about and enjoy ethnic customs and holidays through food is a great solution. This new edition of *Holidays of the World Cookbook for Students* provides detailed information about the holidays of nations around the world and presents a multitude of selected recipes that are ideal for each celebration. The recipes appear with each country entry and the countries are arranged in alphabetical order within each region: Africa, Asia, and the South Pacific, the Caribbean, Europe, Latin America, the Middle East, and North America. With recipes especially adapted for preparation by student chefs, this cookbook is especially appropriate for students in grades 9-12 who are either researching holiday customs and foods or planning to prepare ethnic meals or dishes. **Pulmonary**

Disorders and Therapy Mieczyslaw Pokorski, 2018-01-15. The aim of this book is to present articles that are stimulating to read and inform readers with the most up-to-date clinical research. The articles incorporate the latest developments on a variety of topics in pulmonary medicine, therapy, and related multisystem disorders with varied manifestations. Emphasis is given to air quality and lung health, therapeutic management of airway reactivity and cough sensitivity, linked to mucous clearance, ability ventilatory, and cellular effects of hypoxia, influenza epidemics, and persistently dismal vaccination coverage. Disorders of mixed provenance and genetic background affecting lung parenchyma, such as cystic fibrosis or Langerhans cell histiocytosis, and others. New diagnostic strategies and therapeutic management will hopefully serve to enhance the way patient care is delivered and thus clinical outcomes. Being a blend of medical research and practice, the book addresses the needs of respiratory scientists and physicians and allied health professionals. *Bounty from the Box* Mi Ae Lipe, 2015-09.
