## **Here Comes John:**

The Gathering W. B. Stiles, 2014-11-26 Jane Watkins reporter for the Seattle Gazette newspaper goes to meet a source with information about a serial killer known as the Slasher only to find herself facing not an informant but the killer She nearly meets her death but is miraculously saved by a glowing figure He calls himself the Advocate and Jane s encounter with them both is about to change her life and theirs forever It seems the Advocate whose real name is John Tomar is one of several people who have developed superhuman powers through a substance known as the Genesis Factor On the estate of his father Nathan and with his guidance and protection John works to gather and train those with special abilities in service of a mission for the greater good a task that draws the eyes of enemies Meanwhile Jane feels driven to discover the truth about the mysterious man even more so when she sees a picture of him flying away from the scene of a midair explosion This is a Special Edition of the Project Genesis Series with the same story but with an additional chapter to be followed by the second novel *The Struggle Book Two* the Project Genesis Series in print soon *Brother West* Cornel West, 2009-10-15 New York Times best selling author Cornel West is one of America s most provocative and admired public intellectuals Whether in the classroom the streets the prisons or the church Dr West s penetrating brilliance has been a bright beacon shining through the darkness for decades Yet as he points out in this new memoir I ve never taken the time to focus on the inner dynamics of the dark precincts of my soul That is until now *Brother West* is like its author brilliant unapologetic full of passion yet cool This poignant memoir traces West s transformation from a schoolyard Robin Hood into a progressive cultural icon From his youthful investigation of the death shudder to why he embraced his calling of teaching over preaching from his three marriages and his two precious children to his near fatal bout with prostate cancer West illuminates what it means to live as an aspiring bluesman in a world of ideas and a jazzman in the life of the mind Woven together with the fibers of his lifelong commitment to the prophetic Christian tradition that began in Sacramento s Shiloh Baptist Church *Brother West* is a tale of a man courageous enough to be fully human living and loving out loud **Memoirs of a Granny Prison Guard** Nedra Creamer, 2009-05-21 A VERY FUNNY BOOK Read all about this most unusual little old lady who has beat the odds Shes a lot like Granny Clampit Always trying to readjust these convicted crooks Some of the funniest things you have ever read involving some of the most dangerous places in the world to work The most unlikely things to happen does happen to this little old lady who thinks she is SUPERWOMAN and convinced that she is responsible for each and every crook in HER prison Laugh along as GRANNY turns in her Pair of knitting needles in trade for a pair of handcuffs **Our Home** ,1873 **Current Literature** ,1918 **Hand-book to the Hull and Withernsea railway** Thomas Tindall Wildridge, 1884 **What the Bible Really Tells Us** Adrian Benard, 2017-05-17 So many of us grow up being constantly reminded about an all forgiving merciful and beneficent deity All throughout life it can even be drummed into us that we cannot live happy purposeful lives without a heavenly father who protects us and grants our wishes through prayer And if things dont go

according to plan then we are simply told that God works in mysterious ways But what if we have more questions What if these things we are being told taught and even sold just don't live up to expectation What the Bible Really Tells Us looks to the very source of many of these doctrines and teachings about divinity and human nature the Judeo Christian Bible in order to unveil some of the reasons why the same questions about God his nature and biblical history often reveal different and sometimes inconsistent or even contradictory answers Exploring issues related to God's nature such as his character qualities and attributes as well as investigating biblical events and figures like Adam and Eve and creation Noah and the flood and Abraham and his chosen lineage It asks us not only to think critically about the factual discrepancies and oddities but also to question why this biblical God or gods as it may be is in fact so similar to ourselves The Bible was written thousands and thousands of years ago but everybody has been conditioned and told to believe it regardless of the facts and sometimes even regardless of the often contradictory and inconsistent passages in the Bible itself Faced with an idiosyncratic God and an incongruous book we can study What the Bible Really Tells Us and confront a challenging thought Did God create us or did we create him
