Here We Go Part 2:

Here We Go Again Mark D. West, 2024-05-20 America is broken Dissension anger and hopelessness all describe the political feelings of many Americans Families and friendships are fractured Our struggles seem to grow worse with each new election as we hear the same old hype This is the most important election of our lifetimes These realities apply to Christians and non Christians alike Yet aren t Christians supposed to offer hope Sadly there s little evidence that Christians have the answers for America s struggles But there is hope In Here We Go Again an old approach is revisited Christians are reminded of an unconventional way of living one that Jesus and his disciples taught and modeled for Christians to follow In thought provoking ways Here We Go Again practically applies the truth of Scripture to many of today s most pressing political questions Should a Christian vote for the lesser of two evils Is Christianity s goal to transform culture or to Make America Great Again How should a Christian treat his political enemies Can your vote thwart God s will And more In Here We Go Again you will be challenged to realize that much of what you have been conditioned to believe might be at odds with Scripture

Superstar DJs Here We Go! Dom Phillips, 2009-03-05 It was about larging it It was about pulling out a wad of 20s when you were buying your champagne at the bar It was about buying your cocaine in an eight ball It was about wearing designer clothes At that top tier of that club scene it was about giving it loads With a foreword by music journalist Miranda Sawyer Superstar DJs Here We Go is the full unexpurgated story of the biggest pop culture phenomenon of the 1990s the rise and fall of the superstar DJ During the 1990s big names such as Sasha Jeremy Healy Fatboy Slim Dave Seaman Nicky Holloway Judge Jules and Pete Tong exploded out of acid house becoming international jetsetters flying all over the world just to play a few hours and commanding up to 140 000 a night The plush heavily branded superclubs where they performed clubs like Cream Ministry Renaissance and Gatecrasher were filled with thousands of adoring clubbers roaring their approval of their DJ gods For the DJs and promoters it was a licence to print money and live like a rock star For clubbers it was a hedonistic utopia where anyone and everyone could come together to look fabulous take drugs and dance the night away But underneath the shiny surface lurked a darker side a world of cynical moneymaking rampant egos and cocaine fuelled self indulgence that eventually spiralled out of control leaving behind burnt out DJs jobless promoters and a host of bittersweet memories They went from having the clubbing world at their feet to the world s biggest comedown Dom Phillips former editor of clubbers bible Mixmag reveals an enthralling and at times jaw dropping account of flawed people broken dreams and what really happens when it all goes Pete Tong

Going Deeper Leo Severino, 2017-11-21 The vast majority of human beings believe in a higher power but few can clearly and articulately explain what they believe in or why When it comes to explaining one's beliefs most rely on intuition or personal experience relegating faith to the realm of subjective judgment as opposed to objective truth In *Going Deeper* Leo Severino presents a systematic easy to understand journey that grounds the certitude of faith in logic and reason The author maps out a train of thought that begins with everyday events reasons its way through proofs of the existence of God then goes on to describe the deep purpose inscribed in every human heart For those not well versed in theology or philosophy this book is an accessible way to tether matters of faith to demonstrable premises and logical conclusions For those with deeper theological formation this book will provide fresh perspectives on the classic arguments that demonstrate how faith and reason go hand in hand
