Heritage Of Islam:

The Classical Heritage in Islam Franz Rosenthal, 2003-12-16 The influence of classical antiquity on the religious disciplines theology mysticism and law of Islam cannot be overestimated This work demonstrates the significance of the classical heritage by drawing together a great range of literary renderings paraphrases commentaries and imitations as well as independent Islamic elaborations Professor Rosenthal's collection includes the work of early authors authors of the Golden Age and later writers who imitated their works The Classical Heritage in Islam reveals that the Muslim adoption of and dependence on classical texts was not blind imitation or a casual compounding of traditions but rather an original synthesis and therefore a unique achievement *The Classical Heritage in Islam* Franz Rosenthal, 1975-01-01 The works and ideas of classical antiquity had an enormous influence on Islam not only in its philosophy science and medicine but also in its religious disciplines The Classical Heritage in Islam presents a collection of texts which reveal the extent and character of Muslim acquaintance with Hellenistic civilization and demonstrate the ways that Greek heritage influenced later Muslim thought
