Petrovitch, Vuk Stefanović Karadžić, 1914 A collection of Serbian folk tales preceded by background to the history and cultural traditions of the Slavic people including short essays on good and evil spirits vampires superstition Christmas Eve wedding rites etc **Poet and Hero in the Persian Book of Kings** Olga M. Davidson, 2019-07-15 A masterpiece of Persian Classical epic the Shahnama or Book of Kings was composed by Abu l Qasem Ferdowsi at the beginning of the eleventh century Because the Shahnama presents itself as a chronicle of the reigns of the shahs from the primordial founders to the Sasanian dynasty which ended in 651 scholarly attention has centered on the question of its historical accuracy Addressing the literary as well as the historical and mythological aspects of the Shahnama Olga M Davidson makes this centerpiece of Iranian culture accessible to Western readers Drawing on recent work in epic studies and oral poetics Davidson considers analogies with Classical and medieval European narratives as she investigates the poem s social contexts Her interpretation of the Shahnama focuses on both the figure of the poet himself and on his protagonists the superhuman hero Rostam and the historical or historicized shahs Exploring the Shahnama as an example of court poetry designed to glorify the idea of empire Davidson identifies as a driving force of Ferdowsi s narrative a strong current of antagonism between king and hero Ironically she shows it is the epic hero himself who poses the greatest threat to the concept of kingship that he is sworn to defend Poet and Hero in the Persian Book of Kings will be welcomed by readers working in such fields as comparative literature Middle Eastern Studies folklore literary theory and comparative religion *The Age of Dimes and Pulps* Jeremy Agnew, 2018-07-31 From the dime novels of the Civil War era to the pulp magazines of the early 20th century to modern paperbacks lurid fiction has provided thrilling escapism for the masses Cranking out formulaic stories of melodrama crime and mild erotica often by uncredited authors focused more on volume than quality publishers realized high profits playing to low tastes Estimates put pulp magazine circulation in the 1930s at 30 million monthly This vast body of disposable literature has received little critical attention in large part because much of it has been lost the cheaply made books were either discarded after reading or soon disintegrated Covering the history of pulp literature from 1850 through

1960 the author describes how sensational tales filled a public need and flowered during the evolving social conditions of the Industrial Revolution

Adventures of the Valiant Horse Pasquale De Marco, 2025-07-17 In the heart of a bustling metropolis amidst towering skyscrapers and a symphony of city sounds lies a tale of courage resilience and the unyielding spirit of a valiant horse named Magnus Magnus along with his trusted companions Sparks and Billy resides in a magnificent firehouse a sanctuary of bravery and unwavering dedication Day after day they gallop through the city streets pulling the gigantic steam pumper answering the call of duty whenever the fire alarm shatters the silence With a spirit as fiery as the flames he helps extinguish Magnus stands as an embodiment of strength and determination His muscular frame sleek coat and intelligent eyes command respect and admiration from all who encounter him He is the beating heart of the firehouse a beacon of hope in the darkest of hours But fate takes an unexpected turn bringing forth a newfangled invention that threatens to render Magnus

and his equine comrades obsolete The arrival of a motorized fire truck with its earsplitting roar and swift wheels signals the end of an era leaving Magnus and his friends uncertain about their future As the motorized fire truck takes over the streets Magnus finds himself confined to the stables his days filled with longing and a gnawing sense of purposelessness He yearns for the days when he could gallop freely the wind in his mane the sound of his hooves pounding against the pavement and the satisfaction of knowing he was making a difference With each passing day Magnus s spirit dwindles He watches as the motorized fire truck effortlessly carries the firemen to fires leaving him and his fellow horses behind The once proud and spirited steed now feels like a relic of the past a forgotten hero But destiny has a grand plan in store for Magnus A twist of fate will soon propel him back into the spotlight allowing him to prove his worth and cement his legacy as the valiant horse of the firehouse If you like this book write a review
