

A scenic landscape featuring a range of mountains under a warm, orange-hued sky, suggesting a sunset or sunrise. The sun is visible on the right side, casting a bright glow over the scene. The mountains are silhouetted against the bright sky, with some peaks catching the low light.

To think great thoughts you must  
be heroes as well as idealists.

Ceballos,2025-07-15 Reading Faithfully reveals how Russian critics of the Silver Age the late nineteenth and early twentieth centuries reread and remade Fyodor Dostoevsky for their era of religious renewal amid a broader political embrace of liberal reform and radical politics Lindsay Ceballos argues that most Silver Age critics engaged in a mode of critique approaching religious faith critical faith in the moral and artistic value of Dostoevsky that was needed to overcome their doubts about his nationalist rhetoric and politics Surveying leading critics on and theatrical adapters of Dostoevsky s fiction since his death in

1881 Ceballos advocates for new kinds of critical engagement with his work that draw on the example of Silver Age faithful reading but embrace more complexity and dissonance than critics were able to achieve in that period of fracture and upheaval Reading Faithfully provides a historical account of Russian culture in a pivotal period bringing together literary intellectual and theater history into one narrative Ceballos challenges Dostoevsky scholars asking What is the future of reading Dostoevsky in the wake of Russia's invasion of Ukraine The Idealism of Freedom Klaas Vieweg, 2020-08-10 This volume brings together essays on Hegel from various decades of my involvement with the most important philosophical thinker of modernity It is directed against some of the misinterpretations malicious legends and fairy tales about Hegel that are still prevalent today *Gadamer and the Legacy of German Idealism* Kristin Gjesdal, 2012-05-10 This study provides an illuminating assessment of both the merits and the limitations of Hans Georg Gadamer's philosophical thought Kristin Gjesdal uses a close analysis and critical investigation of Gadamer's Truth and Method 1960 to show that his engagement with Kant Hegel and Schleiermacher is integral to his conception of hermeneutics **Essence of an Idealist** John P. Roach Jr., 2012-09-20 ESSENCE of an IDEALIST ESSENCE From the French word *esse* to be To exist If we exist we have essence When we exist we have choices to make from the very moment we recognize our own existence This book is about a person who chose to be an idealist a person who set goals for himself at a very early age and achieved most of them without the need for money Do not think it is easy to be an idealist Certainly not in my case those around you continually remind you to be more practical and advise you that your goals are neither realistic nor pragmatic Do idealists fail Of course they do and some quit to blend in with everyone else Others recognize their own failure change direction and try again and again until they succeed This book is true account of the author's quest to find his purpose in life A quest that contains so many failures and so many successes that one questions the trials of an idealist We tend to categorize idealists as crazy Don Quixote types charging at windmills to protect the chastity of his Dulcinea When in fact the true romantic recognizes that both author Cervantes and Don Quixote appearing as an old chivalrous knight in rusty armor truly understood the power of love The idealist in this true story seeks adventure at a very early age and even though he finds it he never stops seeking more challenging adventures The same is true for success Success so often is measured in dollars as so aptly put in Atlas Shrugged by Ayn Rand By mid life this author has become a millionaire and questions the materialistic rewards of success He concludes that the accumulation of dollars and materialism are not the answer to happiness for that which you own owns you Should success then be re defined Perhaps Success could be defined as happiness and only the happiness within you If you are truly happy you are successful This quest contains both successes and failures to find a purpose in life Im writing this while maturing in age and knowledge and if my life ends tomorrow it shall be said by my friends that I sought adventure success happiness and love and you can judge for yourself whether or not I found it **Germany's Two Unifications** R. **Ethical Idealism** Nicholas Rescher, 2023-07-28 Ethical Idealism An Inquiry into the Nature and Function of Ideals explores the role of ideals in guiding human thought and action The book argues that although ideals are often unrealistic and unachievable they play an essential and productive role in human affairs The first chapter contends that pursuing unattainable goals is rational if these goals bring about positive results The second chapter extends this argument by asserting that an obligation remains valid even if its fulfillment is impossible challenging the traditional ought implies can principle within the confines of real world limitations The third chapter critiques the idea that rationality should focus solely on maximization arguing instead that human goods are too varied to be standardized Subsequent chapters delve deeper into the utility of ideals in human life Chapter IV supports the value of optimism even in seemingly hopeless situations for its positive influence on actions and outcomes Chapter V draws parallels between ideals and other abstract concepts like the equator or the prime meridian which though unattainable in a literal sense are crucial for navigation and orientation The final chapter emphasizes that ideals despite their impractical nature serve to give meaning to human endeavors and structure our actions toward higher goals Throughout the book the central theme is the harmonious relationship between the real and the ideal with ideals serving as practical tools for guiding behavior and achieving values The book thus defends the rationality of maintaining ideals not as literal goals but as essential instruments for human practice and moral understanding This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1987
