Heroic Couples:

Heroic Offerings Gina Salapata, 2015-02-12 *Heroic Offerings* sheds light on the study of religion in Sparta one of Greece's most powerful city states and the long term rival of Athens Sparta's history is well known but its archaeology has been much less satisfactorily explored Through the comprehensive study of a distinctive class of terracotta votive offerings from a specific sanctuary Gina Salapata explores both coroplastic art and regional religion By integrating archaeological historical literary and epigraphic sources she provides important insights into the heroic cults of Lakonia and contributes to an understanding of the political and social functions of local ritual practice This volume focuses on a large group of decorated terracotta plaques from the sixth to fourth centuries BCE These molded plaques were discovered with other offerings in a sanctuary deposit excavated near Sparta more than fifty years ago but they have remained unpublished until now They number over 1 500 complete and fragmentary pieces In technique style and iconography they form a homogeneous group unlike any other from mainland Greece The large number of plaques and variety of types reveal a stable and vigorous coroplastic tradition in Lakonia during the late Archaic and Classical period *Heroic Offerings* will be of interest to students and scholars of Greek history art and archaeology to those interested in ancient religious practice in the Mediterranean and to all inspired by Athens chief political rival Sparta This volume received financial support from the Archaeological Institute of America

The Heroic Couplet in the Sixteenth and Early Seventeenth Centuries George Pope Shannon, 1926 *Love, Power, and Gender in Seventeenth-Century French Fairy Tales* Bronwyn Reddan, 2020-12 Bronwyn Reddan challenges the idealization of fairy tale romance as the ultimate happy ending by showing how the women writers who dominated the first French fairy tale vogue the conteuses used the genre to critique the power dynamics of courtship and marriage

The Hero Cults of Sparta Nicolette A. Pavlides, 2023-09-07 This book examines the hero cults of Sparta on the basis of the archaeological and literary sources

Nicolette Pavlides explores the local idiosyncrasies of a pan Hellenic phenomenon which itself can help us understand the place and function of heroes in Greek religion Although it has long been noted that hero cult was especially popular in Sparta there is little known about the cults both in terms of material evidence and the historical context for their popularity The evidence from the cult of Helen and Menelaos at the Menelaion the worship of Agamemnon and Alexandra Cassandra the Dioskouroi and others who remain anonymous to us is viewed as a local phenomenon reflective of the developing communal and social consciousness of the polis What is more through an analysis of the typology of cults it is concluded that in Sparta the boundaries of the divine heroic mortal were fluid which allowed a great variation in the expression of cults The votive patterns topography and architectural evidence permit an analysis of the kinds of offerings to hero cults and an evaluation of the architecture that housed such cults Due to the material and spatial distribution of the votive deposits it is argued that Sparta had a large number of hero shrines scattered throughout the polis which attests to an enthusiastic and long lasting local votive practice at a popular level

Empowering Couples Duane R. Bidwell, 2013-02-01 Couples can make significant progress toward resolving their own problems when they receive appropriate guidance from a caring person This book outlines five tasks focused on identity agency and meaning that spiritual caregivers can use to empower couples for significant change in just three to five conversations This form of empowering guidance is a dimension of pastoral conversation rather than formal counseling Critically integrating desert spiritual theology with empirical data about successful marriages Bidwell advocates for mutuality and partnership within covenanted relationships which allows partners to create an alliance strong enough to resist the forces that threaten relationships especially the negative influences of criticism contempt defensiveness and withdrawal

DeForest,2018-07-17 The Argonautica was said to have been the source of a quarrel between Apollonius who wrote what looks like an epic poem and Callimachus who denounced the writing of epic poetry Although the quarrel did not take place in the real world its issue controls the poem The heroes are determined to take part in a Homeric epic which the Callimachean narrator refuses to write Drawing on the methods of modern literary theorists but eschewing the jargon DeForest shows how Apollonius uses the literary dispute in Alexandria to give a three dimensional quality to his poem The amusing conflict between heroes and narrator turns serious when the levels of narrative split apart and Medea steps into the gap as a free standing figure the forerunner of powerful women in fiction CRITICAL APPROACH Dr. Umar Farooque,2021-12-31 Umar Farooque is a Professor at H P S College Madhepur under L N Mithila University Darbhanga He obtained his Ph D from Magadh University Bodh Gaya He has contributed various articles in reputed journals He authored four books Rohinton Mystery s Fiction A Socio Cultural Study A Complete Book of Grammar A Text Book of Linguistics and Phonetics and Essence of Literature Presently he teaches English literature The main features of this book are its original exploration into the realm of literary criticism The book demonstrates the importance of critical analysis into the study of English Literature The complexities of literary terminologies and its understanding are to be explained in very precise manner **Daddy, Mummy is a Spy** Sun Yuxin,2019-11-28 He pursed his lips and smiled contemptuously It would be difficult for a model to survive in this circle if they weren t taken care of She raised her eyebrows and sneered So He said the words that had been brewing for a long time Become my woman She said coldly I don t want to get married He sneered and pinched her chin forcing her to look him in the eye You want me to marry you with your broken body She said confidently I m not going to be Little San He stared at her for a while then slowly said It s just an engagement I ll give you your freedom when I get married For the sake of that illusory freedom she had become an affair of his She knew that she couldn t defeat him because this was a man that was even scarier than the devil **The Beauty's Part-time Divine Doctor** Mo DaoBuXiaoHun,2020-02-14 He inadvertently obtained an ancient medical book practiced the extraordinary medical skills then rescued many sick beauty By chance he came into possession of an old medical book which contained all sorts of difficult diseases Originally uninterested in life he began to study the book As soon as he learned a little bit of knowledge he saved a beautiful woman s life It seems that this is a divine book He studied harder hoping to use this magical medicine to help more people Among the girls he had rescued the most troublesome was a beauty who has deadly poison in her body After curing her she chased him and wanted to be his girlfriend Although he refused many times deep down his heart he has begun to quietly love her He said to himself if she confesses it one more time I ll be her boyfriend About the Author Mo Dao

Zanghellini,2024-12-21 Drawing on novel archival evidence that sheds light on Anglo Italian diplomatic relations and the French Italian contest for power in the Adriatic this book recounts the story of decadent poet Gabriele D Annunzio s occupation of Fiume Determining the fate of this Italian enclave in coastal Croatia had proved impossible at the Paris Peace Conference In September 1919 D Annunzio and his legionnaires installed themselves in Fiume in a bid to embarrass Italy into declaring its annexation In the months that followed the poet did his best to fashion Fiume into his ideal political community culminating in the proclamation of a Constitution known as the Carnaro Charter The Charter was as visionary as it was short lived having reached an agreement with Yugoslavia on the status of Fiume Italy put an end to the poet s socio political experiment in December 1920 In addition to offering the most comprehensive and detailed analysis to date of the Carnaro Charter the book shows what has eluded all historians of D Annunzio s Fiume that the sublimation and discursive circulation of same sex desire was integral to shaping and sustaining the political and legal order of the occupation and that D Annunzio s love lore in Fiume was continuous with broader homoerotic preoccupations in his oeuvre **Orthophony**
