The Heroic Age ,2015 *Heroic* Bill Delvaux,2019-04-02 It s in the movies we see It s in the news we hear It s in the stories we tell Every man is stirred by the heroic From boyhood we search for heroes starting with our fathers But somewhere along the way all our heroes disappoint us And our attempts to be a hero fair no better leaving us confused and unsure Yet the heroic longing never leaves us We want to be that heroic man but we do not know how Jesus does He is the great Hero of all time And He calls men to follow Him As we follow we will quickly realize that the path is surprising He will first lead us into a place of fear and trembling He will lead us into death It is our initiation as men into the new life of the heroic But the death will be followed by a stunning resurrection We will find out our true names before Him and be given a heroic quest for His kingdom And most importantly we will discover the secret of true greatness letting our lives go to serve others In the end we become most heroic in the silence of His presence Here we will feel His love as he remakes us into His heroic image uniting us to Himself

STORIES OF HEROIC DEEDS JAMES. JOHONNOT, 2018

Everyday Heroism: Victorian Constructions of the Heroic Civilian John Price, 2014-01-16 Heroism in the 19th and early 20th centuries is synonymous with military endeavours imperial adventures and the great men of history There was however another prominent and influential strand of the idea which has until now been largely overlooked This book seeks to address this oversight and establish new avenues of study by revealing and examining everyday heroism acts of life-risking bravery undertaken by otherwise ordinary individuals largely in the course of their daily lives and within quotidian surroundings

Adopting an interdisciplinary approach John Price charts and investigates the growth and development of this important discourse presenting in depth case studies of The Albert Medal and the Carnegie Hero Fund alongside a nationwide analysis of heroism monuments and an exploration of radical approaches to the concept Unlike its military and imperial counterparts everyday heroism embraced the heroine and this study reflects that with an examination of female heroism Discovering why certain individuals or acts were accorded the status of being heroic also provides insights into those that recognized them Heroism is a flexible and malleable constellation of ideas shaped or constructed along different lines by different people so if you want to identify the characteristics of a group or society much can be learnt by studying those it holds up as heroic Consequently Everyday Heroism Victorian Constructions of the Heroic Civilian provides valuable and revealing evidence for a wide range of social and cultural topics including class gender identity memory celebrity and literary and visual culture

Beggan, Olivia Efthimiou, 2019-06-21 Heroism is a rich elusive phenomenon Any adequate understanding of heroic behavior requires a new type of scholarly imagination one that taps into human artistic sensibilities as much as it does the rigors of scientific inquiry In an important sense we invoke a meta version of the call to heroic imagination by Franco Blau and Zimbardo 2011 who describe such imagination as a mind set and a collection of attitudes p 13 that can steer everyday people toward heroic achievement This eBook also merges our understanding of heroism with heroic leadership demonstrating that heroic leadership applies the principles of heroism in moving groups toward noble collective goals This eBook represents an effort by a distinguished group of authors to unleash their own creative mindsets attitudes and imaginations in their scholarship on heroism and heroic leadership
