Hes My Brother:

He's Not Mad, He's My Brother Marc Graham King, 2024-10-28 Jason was a happy child sensitive and kind much loved by his older brother So what caused him to become an emaciated drug addict and alcoholic before his late teens Yes he was hurt by the family break up becoming a little more withdrawn yet such things are not uncommon these days Then there were the dark paranormal phenomena that haunted the family home and which Jason himself says have followed him ever since wherever he went A child's over imagination But he wasn't the only one to be aware of them This beautifully written memoir by his brother with thoughtful contributions by Jason himself is loving and compassionate It is also searingly honest It warns us all that mental health can be so very fragile And it points an accusing finger at a society that simply doesn't seem able or often willing to help

Born into a sharecropping family in New Hebron Mississippi in 1930 and only receiving a third grade education John M Perkins has been a pioneering prophetic African American voice for reconciliation and social justice to America's white evangelical churches Often an unwelcome voice and always a passionate provocative clarion Perkins persisted for forty years in bringing about the formation of the Christian Community Development Association a large network of evangelical churches and community organizations working in America's poorest communities and inspired the emerging generation of young evangelicals concerned with releasing the Church from its cultural captivity and oppressive materialism John M Perkins has received surprisingly little attention from historians of modern American religious history and theologians *Mobilizing for the Common Good* is an exploration of his theological significance With contributions from theologians historians and activists this book contends that Perkins ushered in a paradigm shift in twentieth century evangelical theology that continues to influence Christian community development projects and social justice activists today

But God, He's my Husband Dishon Tracy, 2023-04-06 But God He's My Husband Most believers and non believers alike do not believe in the supernatural They do not really believe that there are other forces that surround us every day They do not believe that God or Satan can be responsible for marriage divorce friendship companionship job murder etc Dishon Tracy came to know

the existence of God and Satan in a real way Though she was reared in church all churches certainly do not have the same teachings just as Jesus and the Pharisees teachings were not alike Later she was exposed to the power of the living God She learned that when the Holy Spirit speaks we better listen carefully and do what is required of us In this book you will learn what she did wrong and what she did right You will get to know her in an Antichrist state and as a Christian You will learn not to judge lest ye be judged Come with her and find out what happens when you do not listen to the Holy Spirit Some do not see tomorrow However in her case she is here to testify the mercy of God s grace even when we get off of His road of righteousness These things I have spoken unto you that in me ye might have peace In the world ye shall have tribulation but be of good cheer I have overcome the world John 16 33 *Voices from the Spectrum* Cindy N.
