unconditional love *HOMO* JEREMY TUBBS,2024-11-14 This book is a passionate exploration of my views on society morality and spirituality It challenges the cultural shifts I see happening particularly regarding the normalization of homosexuality and its impact on the fabric of society I discuss how these changes affect leadership masculinity and the strength of our moral foundations especially in America At its core this book focuses on the concept of sin and spiritual warfare calling for a return to Christian values and principles I argue that we need to stand firm in the truth fight against deception and address what I see as spiritual and moral perversion that s growing in our culture I also dive into the complexities of human identity free will and the choices people make in their beliefs and actions especially when it comes to homosexuality The book emphasizes that while we have the freedom to choose not everything is morally or spiritually right and I challenge readers to consider the consequences of cultural trends on our collective well being This book isn t just a critique of modern issues it s a call to action I urge readers to wake up speak out and reclaim the values that once made our society strong The world is at a crossroads and it s time to stand against what I believe is a moral decay striving to restore the integrity truth and righteousness that I feel are essential to making our society great again If you re ready to confront tough topics head on challenge societal norms and stand for what you believe is right then this book is for you It s time to fight for the truth and make a change before it s too late The Lookout for Christ and the Church ,1903 **The Angel**
