

## M&M Christmas Story

As you hold these candies in your hand and turn them, you will see....

The M becomes a W, an E, and then a 3.

They tell the Christmas story it's one I'm sure you know.

It took place in a stable a long, long time ago.

The E is for the East where the star shone oh so bright.

The M is for the Manger where the baby Jesus slept that night.

The 3 is for the Wisemen bearing gifts, they say they came.

W is for Worship, Hallelujah  
Praise to His name.

So as you eat these candies or share them with a friend, remember the Spirit of Christmas and never let it end!

Merry Christmas

**Command Influence** Robert A. Shaines,2010-11-23 George C Schreiber was a twenty five year old second lieutenant in charge of an Air Police guard unit in Pusan Korea A year earlier in 1951 he had innocently been teaching fifth and sixth grade children in Brookfield Illinois A year later he was convicted by a general court martial of premeditated murder The unconscionable injustice made no sense to twenty three year old Air Force lawyer Robert A Shaines and Schreiber s story has haunted his thoughts ever since Command Influence chronicles Shaines first hand observation of the dramatic events leading up to the trial of Schreiber and two of his contemporaries and shows how he Schreiber and others became pawns in a power game among ambitious and vindictive men eager only to please those who could advance their military careers This series of events would ultimately involve the Chief of Staff of the Air Force the Governor of Illinois the President and the Supreme Court of the United States and bring about a change in the law which would reach the highest levels of government A fascinating tale of military and legal history Command Influence is also a captivatingly personal vindication of the conscience of the author who comes to understand that he and Schreiber were a couple of dedicated but naive and trusting young fellow officers whose lives and characters became permanently shaped by these events Both were victims in their own ways
