

A woman with long, wavy brown hair is lying on her stomach on a white sheet. She is looking directly at the camera with a slight smile. Her hands are resting on a laptop that is open in front of her. The background is a soft, out-of-focus white and pink.

Hidden Discipline:

The Hidden Discipline Martin E. Marty, 1974 The Living Church , 1963 The Predicament of the Prosperous
Bruce C. Birch, Larry L. Rasmussen, 1978-01-01 How can a church in the richest and most powerful nation on earth respond to the needs of the poor the hungry and the oppressed The authors of this book describe this issue with clarity and power and explore the biblical perspectives that offer guidance toward a viable and more equitable future for both church and society The authors call for a radical change in life style based on a revolution in perspective and basic values *The Dynamics of Forgiveness* James G. Emerson, 2024-11-18 First published in 1964 The Dynamics of Forgiveness is the product of a parish and of theological study in the context of a parish Written by a pastor it attempts to give enough evidence to establish the place of forgiveness in theological thought parish life and personal health The experiences presented have been subjected to investigation by tested procedures The author states that he is not a church historian a systematic theologian or an authority on human behavior However he wished to raise questions for those that are experts in these disciplines and hoped that this book would raise a response This book is a re issue originally published in 1964 The language used is a reflection of its era and no offence is meant by the Publishers to any reader by this re publication **The Preaching Church** Vincent J. Pastro, 2016-02-15 This book proposes a theology of preaching from the perspective of the poor Traditional homiletic methodology concentrates on the how of preaching Pastro maintains that the real question for a renewal of preaching is theological the who of the preaching The center of the who is the Triune God living in the poor community **Crowds and Power** Elias Canetti, 2021-11-30 Crowds and Power is a revolutionary work in which Elias Canetti finds a new way of looking at human history and psychology Breathtaking in its range and erudition it explores Shiite festivals and the English Civil war the finger exercises of monkeys and the effects of inflation in Weimar Germany In this study of the interplay of crowds Canetti offers one of the most profound and startling portraits of the human condition **Secret Faith in the Public Square** Jonathan Malesic, 2009-09-01 In this groundbreaking and provocative book Jonathan Malesic argues that the best way for Christians to be caretakers of their tradition and to love their neighbors selflessly is to conceal their religious identity in American public life The alternative insisting on Christianity's public visibility in politics the marketplace and the workplace risks severely compromising the distinctiveness of Christian identity Delving deep into the Christian tradition Malesic explains that keeping Christian identity secret means living fully in the world while maintaining Christian language prayer and liturgy in reserve He shows how major thinkers Cyril of Jerusalem S ren Kierkegaard and Dietrich Bonhoeffer sought to protect Christian identity from being compromised by the public sphere He then shows that Christians dual responsibilities for the tradition and for the neighbor must be kept secret **Enflamed by the Sacramental Word** Vincent J. Pastro, 2010-04-15 Christian proclamation says Dietrich Bonhoeffer is the living Christ walking among the people Preachers know that Jesus is the living Word and that the Spirit of Jesus animates the preaching event Preaching is an epiclesis an

invocation of the Holy Spirit over God's holy people. As such, it must touch their imagination. Pastro proposes that preaching is the living ecclesial presence of Jesus Christ. Sacramental Word of the God of the poor. The Word speaks from the imagination of the poor, the economic poor, but also the new poor of the twenty-first century: entire indigenous cultures, women, those marginalized because of their sexuality, undocumented immigrants in dominant cultures, and many others. All Christian preachers in every context are called to solidarity with the poor.

For Faculty Only: [The Spiritual World Of Isaac The Syrian](#)

Hilarion Alfeyev, 2016-03-24. From the Foreword by Kallistos Ware, Bishop of Diokleia. Isaac the Syrian, also called Isaac of Nineveh, lived and wrote during the golden age of Syriac Christian literature in the seventh century. Cut off by language and politics from the Churches of the Roman Empire and branded Nestorian, the Church of the East produced in isolation a rich theological literature which is only now becoming known to outsiders. Yet over the centuries and in all parts of Christendom, Isaac's works have been read and recommended as unquestionably orthodox. Now at last, to my great delight, we have at our disposal a single book in English offering us a balanced and comprehensive overview of Isaac's life, background,

and teaching Wisely Fr Hilarion Alfeyev has allowed Isaac to speak for himself The book is full of well chosen quotations in which Isaac's true voice can be heard Saint Isaac of Syria was an ascetic a mountain solitary but his writings are universal in scope They are addressed not just to the desert but to the city not just to monastics but to all the baptized With sharp vividness he speaks about themes relevant to every Christian about repentance and humility about prayer in its many forms both outer and inner about solitude and community about silence wonder and ecstasy Along with the emphasis that he places upon luminous love to use his own phrase two things above all mark his spiritual theology his sense of God as living mystery and his warm devotion to the Saviour Christ

THE SECRET SERVICE CHURCH: FAITH SEEKING RELATEDNESS

George Gammack, 2015-08-13 We all know what church is Likewise we are provided with a supply of set notions for God Christ and the Bible which make up the stock in trade equipment for both believer and non believer This study asks fundamental questions about all these from a relational perspective attempting to illumine the faith quest by way of clues from the common realities of human interaction In this it is the appropriate provisions of relationships rather than the assent to doctrines that forms the spiritual basis of community Such a theology of relatedness is urgently needed We must come out of our creedal closets to be part of a new diaspora This demands a secret discipline of servant relationship at work in that no man's land where there is space for all manner of secular saints and doctrinal devils to discover the possibilities of their togetherness the secret service church in odd places and often strange company

Liberating Faith Geoffrey B. Kelly, 2002-12-11 Liberating Faith remains an effective introduction to the theology and spirituality of Dietrich Bonhoeffer After a brief biographical portrait of Bonhoeffer s adult life Kelly offers a thematic overview of Bonhoeffer s Christological theology with an emphasis on the sociality of Christ Other chapters focus on the liberation of faith which is essentially Bonhoeffer s theology of revelation that emerged from his own existential crisis regarding his own faith and an examination of his theology of the Church While Kelly draws heavily on Bonhoeffer s later writings like The Cost of Discipleship Ethics and especially Letters and Papers from Prison he also uses key texts spanning the entirety of Bonhoeffer s career to develop the critical ideas at the heart of Bonhoeffer s theology Therefore Liberating Faith does very well to set the stage for Bonhoeffer s overall theology

McClintock, James Strong, 1896 Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature: A, B John
McClintock, 1867 *A Ministry of Presence* Winnifred Fallers Sullivan, 2014-08-20 Most people in the United States today no longer live their lives under the guidance of local institutionalized religious leadership such as rabbis ministers and priests rather liberals and conservatives alike have taken charge of their own religious or spiritual practices This shift along with other social and cultural changes has opened up a perhaps surprising space for chaplains spiritual professionals who usually work with the endorsement of a religious community but do that work away from its immediate hierarchy ministering in a secular institution such as a prison the military or an airport to an ever changing group of clients of widely varying faiths and beliefs In *A Ministry of Presence* Winnifred Fallers Sullivan explores how chaplaincy works in the United States and in particular how it sits uneasily at the intersection of law and religion spiritual care and government regulation Responsible for ministering to the wandering souls of the globalized economy the chaplain works with a clientele often unmarked by a specific religious identity and does so on behalf of a secular institution like a hospital Sullivan s examination of the sometimes heroic but often deeply ambiguous work yields fascinating insights into contemporary spiritual life the politics of religious freedom and the never ending negotiation of religion s place in American institutional life
