Weirdness! Taner Edis, 2021-11-09 In a world where science faces challenges from creationists and climate change deniers and where social media is awash with wild conspiracy theories it is no longer enough for scientists pundits and activists to simply ask the public to trust science Rather all must better understand how science works and why science is essential By exploring many of the odd beliefs embraced by large sections of the public that are rejected by the scientific mainstream *Weirdness* makes a case for science that goes beyond popular slogans It takes seriously claims that paranormal phenomena such as psychic abilities and mythical creatures might be real but demonstrates how such phenomena would extend beyond the laws of nature It rejects a sharp boundary between science and religion while explaining how to negotiate their real differences Denials of science cause no end of trouble but so too does placing blind trust in science As *Weirdness* reminds readers science should not be seen as a mechanism that takes in data and spits out truth indeed what we get wrong about how the world works is often as interesting as what we get right *Secret Fates* Jane Hinchey, Del Devereux has always seen ghosts but she never expected them to warn her about impending doom When a deceased priest reveals that someone is trying to unlock the gates of Hell Del's life spirals into chaos The innocuous stone her dog Duke found is actually a crucial piece of an ancient relic and now a relentless demon will stop at nothing to retrieve it Teamed up with her loyal Labrador and her best friend Jase Del races against time to prevent a catastrophe of biblical proportions As they navigate a world where supernatural dangers lurk around every corner Del discovers hidden powers within herself and unearths secrets that could change everything In a desperate bid to keep the medallion shard safe and thwart the demonic plot Del and her allies face terrifying challenges that test their courage and their bonds Can they close the gates of Hell before it's too late *Secret Fates* is an electrifying urban fantasy packed with thrilling action spine chilling suspense and a dash of romance Join Del on her daring quest to save humanity from darkness *The World Book*, 1923

The Excitement of the Spiritual Life Larry Baumann, 2014-02 The excitement of the spiritual life is as fulfilling as friendship as mysterious as the soul and as infinite as the universe This book is a jumpstart in the faith for those who have tried religion and not found the spirit or have tried pleasure and not found joy or have chased after life and not found deep meaning or thought God to be imagined and not been awakened The book includes chapters on the infinite interior life expectant faith mystery traveler sex in God's creation beautiful simplicity storytelling difficulties connecting with God religion unfettered the New Evangelization with humor throughout The final chapter titled Evolutionary Christogenesis includes quotes from Teilhard de Chardin The author a Catholic priest writes unabashedly of straitjacket rituals institutional stonewalling and the cynicism of people Positively he conveys an enthusiasm in the surge of goodness that is present in this generation He conveys how you can become a fully rigged ship with sails unfurled in the sea of God's spirit The divine force has never been absent from nature's scene or from
