Oppression and the Fight
Against It

Hidden From History

R. Berkhofer

Hidden From History:

Hidden from History Martin Bauml Duberman, Martha Vicinus, George Chauncey, 1990-11 A collection of essays on gay history

Hidden From History Sheila Rowbotham, 1977 In this study of women from the Puritan revolution to the 1930s the author shows how class and sex work and family personal life and social pressures have shaped and hindered women's struggles for equality

Hiding from History Meili Steele, 2018-05-31 In Hiding from History Meili Steele challenges an assumption at the heart of current debates in political literary historical and cultural theory that it is impossible to reason through history Steele believes that two influential schools of contemporary thought hide from history liberal philosophies of public reason as espoused by such figures as Jürgen Habermas Martha Nussbaum and John Rawls and structuralism poststructuralism as practiced by Judith Butler Hayden White and Michel Foucault For Steele public reasoning cannot be easily divorced from either the historical imagination in general or the specific legacies that shape and often haunt political communities Steele introduces the concept of public imagination concepts images stories symbols and practices of a culture to show how the imaginative social space that citizens inhabit can be a place for political discourse and debate Steele engages with a wide range of thinkers and their works as well as historical events debates over the display of the Confederate flag in public places Ralph Ellison's exchange with Hannah Arendt over school desegregation in Little Rock the controversy surrounding Daniel Goldhagen's book *Hitler's Willing Executioners* and arguments about the concept of a clash of civilizations as expressed by Samuel Huntington Ashis Nandy Edward Said and Amartya Sen Championing history and literature's capacity to articulate the politics of public imagination Hiding from History boldly outlines new territory for literary and political theory

The Secret Chronicles: Exploring Conspiracies from History to Modern Times Thor Langfeldt, 2024-10-14 Discover the Hidden Narratives That Have Shaped Our World The Secret Chronicles is a captivating journey through history's most enduring and influential conspiracy theories From the clandestine plots of the 16th century to the internet fueled theories of today this book unravels the mysteries behind events that have sparked debate suspicion and intrigue for centuries Explore the infamous conspiracies that defined entire eras Was the Gunpowder Plot truly a Catholic conspiracy or was it a government scheme Did Freemasons and the Illuminati secretly influence the revolutions of the 18th century Did Operation Paperclip really protect Nazi war criminals in exchange for their scientific expertise From the assassination of JFK to theories surrounding the 9/11 attacks The Secret Chronicles delves deep into how these narratives emerged spread and evolved With a balanced neutral perspective this book critically examines the psychological political and cultural factors that fuel conspiracy theories Complete with timelines infographics and fact checking sidebars it presents a thorough exploration of the hidden forces many believe to be pulling the strings of world events For readers fascinated by the unknown The Secret Chronicles is an essential guide to understanding the complexities and appeal of conspiracy thinking throughout history and in today's world of digital misinformation

Lesbian and Gay Studies Theo Sandfort, 2000-09-05 This

book examines the definition of lesbian and gay studies when it emerged as an academic subject and its achievements and research agenda *Handbook of Lesbian and Gay Studies* Diane Richardson, Steven Seidman, 2002-11-18 Drawing from a rich team of global contributors and carefully structured to elucidate the core issues in the field this text is organised into four sections History and theory Identity and community Institutions and Politics **Hidden from History**, 1991

Writing from History Timothy Hampton, 2018-05-31 No detailed description available for Writing from History Gender and History Susan Kingsley Kent, 2011-10-18 What is gender and who has it History theory and gender are inextricably linked but how exactly do they fit together How do historians use theories about gender to write history In this jargon free introduction Susan Kingsley Kent presents a student friendly guide to the origins conceptual framework subjectmatter and methods of gender history Assuming no prior knowledge Gender and History Sets out clear definitions of theory history and gender Explains that gender is not solely applicable to women but to men as well Tackles the hotly debated topic of power and gender relations Explores gender history from a variety of angles including anthropology psychology and philosophy Spans a broad chronological period from the times of Aristotle to the present day Includes a helpful glossary that explains key terms and concepts at a glance Lively and approachable this is an essential text for anyone who wishes to learn how to use theories of gender in their historical studies *Cultural History After Foucault* John Neubauer, 2018-01-18 Both as historian and maker of culture Foucault infused numerous disciplines of study with a new conceptual vocabulary and an agenda for future research His ideas have called central assumptions in Western culture into question and altered the ways in which scholars and social scientists approach such issues as discourse theory theory of knowledge Eros technologies of the Self and Other punishment and prisons and asylums and madness The contributors to this volume indicate Foucault's achievements and the suggestive power of his work as well as his methodological weaknesses historical inaccuracies and ambiguities Above all they attempt to show how one can use Foucault to go beyond him in opening new approaches to cultural history Though comprehensiveness was not attempted their essays broach the major controversial aspects of Foucauldian cultural history the position of the subject the fusion of power and knowledge sexuality the historical structures and changes and they explicitly analyze them with respect to antiquity the Renaissance and the nineteenth century In this collection Neubauer presents analyses by historians literary scholars and philosophers of the entire transdisciplinary range of Foucault's oeuvre emphasizing the rich suggestiveness of its agenda The breadth of the undertaking makes it suitable for seminars and graduate courses in numerous departments *Studies from History ...* William Harris Rule, 1856 *Hidden from History* Sheila Rowbotham, 1977 Queer Ink: A Blotted History Towards Liberation Katherine Hubbard, 2019-06-26 This historical interdisciplinary book contextualises the Rorschach ink blot test and embeds it within feminist action and queer liberation What do you see when you look at an ink blot The Rorschach ink blot test is one of the most famous psychological tests and it has a surprisingly queer history In mapping this history this book explores how this test once used

to detect and diagnose homosexuality was later used by some psychologists and activists to fight for gay liberation In this book the author uses the test in yet another way as a lens through which we can reveal a queer feminist history of Psychology By looking closely at the lives and work of some women psychologists and activists it becomes clear that their work was influenced by their own often queer lives By tracing the lives and actions of women who used were tested with or influenced by the Rorschach a new kind of understanding of gay and lesbian history in Britain is revealed Pushing at the borders between Psychology Sociology and activism the book utilises the Rorschach to show how influential the social world is on scientific practice This is fascinating reading for anyone interested in the history of sexuality and Psychology

Theatricality of the Closet Michelle Liu Carriger,2023-09-15 A richly illustrated exploration of fashion and its capacity for generating controversy and constructing social and individual identities Clothing matters This basic axiom is both common sense and in another way radical It is from this starting point that Michelle Liu Carriger elucidates the interconnected ways in which gender sexuality class and race are created by the everyday act of getting dressed *Theatricality of the Closet* Fashion Performance and Subjectivity between Victorian Britain and Meiji Japan examines fashion and clothing controversies of the nineteenth century drawing on performance theory to reveal how the apparently superficial or frivolous deeply affects the creation of identity By interrogating a set of seemingly disparate examples from the same period but widely distant settings Victorian Britain and Meiji era Japan Carriger disentangles how small local ordinary practices became enmeshed in a global fabric of cultural and material surfaces following the opening of trade between these nations in 1850 This richly illustrated book presents an array of media from conservative newspapers and tabloids to ukiyo e and early photography that locate dress as a site where the individual and the social are interwoven whether in the 1860s and 1870s or the twenty first century *Fashioning History* R. Berkhofer,2008-12-08 This book offers historians and aspiring historians a learned absorbing and comprehensive overview of current fashions of method interpretation and meaning in the context of postmodernism that has washed over the historical profession in the last two decades

Queering the Pulpit Karyn L. Wiseman,2024-11-07 Queering the Pulpit addresses the huge gap between the Queer community and the church by looking at the historical cultural theological and biblical issues that too often marginalize the Queer community After setting that contextual foundation the book addresses the clobber passages in the Hebrew Bible and the New Testament which are the texts that have been used to bash Queer folx Looking at these texts through new eyes is essential Using a Queer affirming process the book turns to creating a new process for establishing a foundation and understanding the diverse context into which sermons are delivered and heard Using a new exegetical approach to crafting Queer affirming sermons the preacher will be better able to preach sermons that invite Queer folx inspire other listeners to welcome all and bring the listener to a deeper relationship with the Divine and hopefully their Queer siblings If this book helps save one gay kid one trans woman of color or one couple exploring their faith and their Queer lives it will be worth

everything it took to bring this book to reality **Ten American Girls from History** Kate Dickinson Sweetser,1917

King James VI and I and the History of Homosexuality M. Young,1999-09-22 James VI and I was the most prominent homosexual figure in the early modern period Young has amassed the evidence surrounding James and related it to the larger history of homosexuality The result is a synthesis of old and new history that illuminates Jacobean politics and challenges many current assumptions about effeminacy manliness sodomy sexual constructs and sexual discourse before the eighteenth century **Boots of Leather, Slippers of Gold** Elizabeth Lapovsky Kennedy, Madeline D. Davis,2014-05-09

Boots of Leather Slippers of Gold traces the evolution of the lesbian community in Buffalo New York from the mid 1930s up to the early 1960s Drawing upon the oral histories of 45 women it is the first comprehensive history of a working class lesbian community These poignant and complex stories show how black and white working class lesbians although living under oppressive circumstances nevertheless became powerful agents of historical change Kennedy and Davis provide a unique insider s perspective on butch fem culture and argue that the roots of gay and lesbian liberation are found specifically in the determined resistance of working class lesbians This 20th anniversary edition republishes the book for a new generation of readers It includes a new preface in which the authors reflect on where the last 20 years have taken them For anyone interested in lesbian life during the 1940s and 1950s or in the dynamics of butch fem culture this study remains the one that set the highest standard for all oral histories and ethnographies of lesbian communities anywhere The Gay & Lesbian Theatrical Legacy Billy J. Harbin, Kim Marra, Robert A. Schanke,2005 Recovers the hidden history of theater professionals who transgressed the gendered expectations of their time
