Hidden Agendas Of Language Policy:

   Language Policy Elana Shohamy,2006-05-02 Policies concerning language use are increasingly tested in an age of frequent migration and cultural synthesis With conflicting factors and changing political climates influencing the policy makers Elana Shohamy considers the effects that these policies have on the real people involved Using examples from the US and UK she shows how language policies are promoted and imposed overtly and covertly across different countries and in different contexts Concluding with arguments for a more democratic and open approach to language policy and planning the final note is one of optimism suggesting strategies for resistance to language attrition and ways to protect the linguistic rights of groups and individuals   **Discursive Approaches to Language Policy** Elisabeth Barakos,Johann W. Unger,2016-11-02 This book brings together the fields of language policy and discourse studies from a multidisciplinary theoretical methodological and empirical perspective The chapters in this volume are written by international scholars active in the field of language policy and planning and discourse studies The diverse research contexts range from education in Paraguay and Luxembourg via businesses in Wales to regional English language policies in Tajikistan Readers are thereby invited to think critically about the mutual relationship between language policy and discourse in a range of social political economic and cultural spheres Using approaches that draw on discourse analytic anthropological ethnographic and critical sociolinguistic frameworks the contributors in this collection explore and refine the discursive and the critical aspects of language policy as a multilayered fluid ideological discursive and social process that can operate as a tool of social change as well as reinforcing established power structures and inequalities   **Language Policy at the Supranational Level** Huan Yik Lee,M. Obaidul Hamid,Ian Hardy,2024-10-21 This book provides a critical examination of the English only policy of ASEAN the Association of the ten Southeast Asian nations It presents the ASEAN language policy and planning LPP journey through time rationalising English as the sole working language for ASEAN in the past followed by a critique of the status quo considering regional complexities and dynamics and finally exploring alternative linguistic futures for ASEAN and the Southeast Asian region The book also offers methodological innovations in LPP research by utilising the largely underrepresented and undervalued agency of people with expertise The authors argue for a multilingual commitment towards pursuing an agency of projectivity in co constructing imagined LPP possibilities to reflect the region s socio historical context socio political intricacies and socio linguistic diversity The way forward is a more inclusive equitable balanced and responsible approach to LPP both regionally and globally The book engages with both deconstructive and constructive paradigms offering promising proposals for dealing with key language issues and contemporary challenges This book will be interesting reading for language and education scholars sociolinguists historians political scientists policymakers diplomats language activists media personnel business leaders tourism players and other language policy and planning actors operating at national sub national and supra national levels   **Language Policies and (Dis)Citizenship**

Vaidehi Ramanathan,2013-08-02 This volume explores the concept of citizenship and argues that it should be understood both as a process of becoming and the ability to participate fully rather than as a status that can be inherited acquired or achieved From a courtroom in Bulawayo to a nursery in Birmingham the authors use local contexts to foreground how the vulnerable particularly those from minority language backgrounds continue to be excluded whilst offering a powerful demonstration of the potential for change offered by individual agency resistance and struggle In addressing questions such as under what local conditions does dis citizenship happen what role do language policies and pedagogic practices play and what kinds of margins and borders keep humans from fully participating The chapters in this volume shift the debate away from visas and passports to more uncertain and contested spaces of interpretation   Handbook of Home Language Maintenance and Development Andrea C. Schalley,Susana A. Eisenchlas,2020-06-22 Even a cursory look at conference programs and proceedings reveals a burgeoning interest in the field of social and affective factors in home language maintenance and development To date however research on this topic has been published in piecemeal fashion subsumed under the more general umbrella of bilingualism Within bilingualism research there has been an extensive exploration of linguistic and psycholinguistic perspectives on the one hand and educational practices and outcomes on the other In comparison social and affective factors which lead people to either maintain or shift the language have been under researched This is the first volume that brings together the different strands in research on social and affective factors in home language maintenance and development ranging from the micro level family language policies and practices to the meso level community initiatives and the macro level mainstream educational policies and their implementation The volume showcases a wide distribution across contexts and populations explored Contributors from around the world represent different research paradigms and perspectives providing a rounded overview of the state of the art in this flourishing field

    The Handbook of Educational Linguistics Bernard Spolsky,Francis M. Hult,2010-02-01 The Handbook of Educational Linguistics is a dynamic scientifically grounded overview revealing the complexity of this growing field while remaining accessible for students researchers language educators curriculum developers and educational policy makers A single volume overview of educational linguistics written by leading specialists in its many relevant fields Takes into account the diverse theoretical foundations core themes major findings and practical applications of educational linguistics Highlights the multidisciplinary reach of educational linguistics Reflects the complexity of this growing field whilst remaining accessible to a wide audience   Downscaling Culture Dorottya Cserző,Argyro Kantara,Jaspal Naveel Singh,2016-08-17 In the current era of globalisation big C Culture loses analytical purchase However research as well as intercultural training and education continues to take for granted a more or less fixed idea of culture This volume updates intercultural communication both its theory and its application by utilising a theory of scales in order to understand how culture gets contextualised as speakers communicate and negotiate meaning with each other As succinctly captured in the title of this volume it is suggested that

research can downscale culture analytically culture might be but also might not be relevant in an interaction The 14 chapters brought together here explore the possibilities of such downscaling from a wide range of core themes in intercultural communication studies and from various research traditions including interactional sociolinguistics critical geography conversation analysis critical discourse analysis textual analysis multimodal analysis and nexus analysis *The Palgrave Handbook of Language Policies in Africa* Esther Mukewa Lisanza,Leonard Muaka,2024-07-08 This handbook explores language policies and their impacts in Africa examining the different language policies in each country from pre colonial to post colonial times Most African countries are multilingual apart from a handful which are said to be quasi monolingual The authors in this handbook investigate language policy in education media legal courts government documents and other public domains and show how these policies shape learning and delivery of services to the citizens The volume also pays special attention to the roles assigned to minority languages in Africa most of which are endangered The contributions also investigate how these language policies are influenced by the history of colonialism and language attitudes emanating from colonial rule This handbook will be of interest to a diverse audience of readers including those interested in African languages language planning and policy and African history and education Critical Issues in Teaching English and Language Education Salah Troudi,2020-11-05 This edited book brings together a collection of research based chapters that address a variety of topics related to the teaching of English in different contexts around the world The chapters are informed by a critical approach to research employing a variety of research methods to question and problematize taken for granted definitions and practices in areas such as classroom pedagogy testing curriculum language policy the position of English as a medium of instruction educational management teacher education materials and evaluation This book addresses a major gap in theoretical and research literature in the area of teaching English and it will be of interest to trainee and practising teachers research students and scholars of EFL and TESOL and researchers in applied linguistics *Heritage Languages in the Digital Age* Birte Arendt,Gertrud Reershemius,2024-04-16 Against the backdrop of social media and internet use and their impact on communication those working with minority or autochthonous heritage languages including teachers language activists and planners and researchers are reassessing the media language policy and teaching practices which they had previously applied to stem the tide of language shift towards majority languages The languages examined in this book are still spoken by a considerable number of speakers and enjoy varying and varied forms of institutional legal financial and ideological support While their overall numbers of speakers are declining their importance for identity construction and commodification processes continues to increase This book addresses issues including the potential for a shift from a focus on oral to written practices the rise of new communities of practice and communicative domains and the need for resulting shifts in language policy and teaching methods **Minority Language Learning for Adult Migrants in Europe** James Simpson,Sari Pöyhönen,2024-09-27 This collection examines the learning and teaching of minority languages

for adult migrants in Europe with studies featuring perspectives from adult migrants themselves as well as local authorities teachers education planners and representatives from working life The volume provides context on the attitudes and ideologies which inform adult migrant language education in different minority languages in Europe Adult migrant language learners are understood here as newcomers settling and living in regions where the minority language is politically acknowledged and societally significant The studies presented in the chapters are all original and most are based on qualitative data such as interviews ethnographic observations and policy documents Some authors draw upon census and register data and surveys The book is designed to be relatable to policy formation and implementation in other national contexts in Europe and beyond This book will be of interest to postgraduate students and researchers in language education language and migration language and mobility minority language studies language policy and linguistic ethnography as well as language policy professionals **The Education of Language Minority Immigrants in the United States** Terrence Wiley,Jin Sook Lee,Russell W Rumberger,2009-10-28 The Education of Language Minority Immigrants in the United States draws from quantitative and qualitative research methodologies to inform educational policy and practice It is based on cutting edge research and policy analyses from a number of well known experts on immigrant language minority education in the USA The collection includes contributions on the acquisition of English language shift the maintenance of heritage languages prospects for long term educational achievement how family background economic status and gender and identity influence academic adjustment and achievement challenges for appropriate language testing and placement and examples of advocacy action research It concludes with a thoughtful commentary aimed at broadening our understanding of the need to provide quality immigrant language minority education within the context of globalization This collection will be of value to students and researchers interested in promoting educational equity and achievement for immigrant language minority students **Language Policies in Education** James W. Tollefson,2013 This new edition of takes a fresh look at enduring questions at the heart of fundamental debates about the role of schools in society the links between education and employment and conflicts between linguistic minorities and mainstream populations **Language Diversity in the Sinophone World** Henning Klöter,Mårten Söderblom Saarela,2020-10-06 Language Diversity in the Sinophone World offers interdisciplinary insights into social cultural and linguistic aspects of multilingualism in the Sinophone world highlighting language diversity and opening up the burgeoning field of Sinophone studies to new perspectives from sociolinguistics The book begins by charting historical trajectories in Sinophone multilingualism beginning with late imperial China through to the emergence of English in the mid 19th century The volume uses this foundation as a jumping off point from which to provide an in depth comparison of modern language planning and policies throughout the Sinophone world with the final section examining multilingual practices not readily captured by planning frameworks and the ideologies identities repertoires and competences intertwined within these different multilingual configurations Taken together the collection

makes a unique sociolinguistic focused intervention into emerging research in Sinophone studies and will be of interest to students and scholars within the discipline **The Routledge Handbook of Language Testing** Glenn Fulcher,Luke Harding,2021-12-15 This second edition of The Routledge Handbook of Language Testing provides an updated and comprehensive account of the area of language testing and assessment The volume brings together 35 authoritative articles divided into ten sections written by 51 leading specialists from around the world There are five entirely new chapters covering the four skills reading writing listening and speaking as well as a new entry on corpus linguistics and language testing The remaining 30 chapters have been revised often extensively or entirely rewritten with new authorship teams at the helm reflecting new generations of expertise in the field With a dedicated section on technology in language testing reflecting current trends in the field the Handbook also includes an extended epilogue written by Harding and Fulcher contemplating what has changed between the first and second editions and charting a trajectory for the field of language testing and assessment Providing a basis for discussion project work and the design of both language tests themselves and related validation research this Handbook represents an invaluable resource for students researchers and practitioners working in language testing and assessment and the wider field of language education **An Introduction to Sociolinguistics** Ronald Wardhaugh,Janet M. Fuller,2014-12-15 Fully updated to reflect the most recent scholarship in the field and revised to include many more pedagogical features An Introduction to Sociolinguistics 7th Edition builds on its foundation as the most preeminent textbook in sociolinguistics updated for today s students Significantly revised discussions throughout each of the book s four key parts reflect the state of the field today Includes new chapters on Pragmatics Discourse Analysis and Sociolinguistics and Education Incorporates innovative new perspectives drawn from linguistic anthropology Provides an accessible history of the development of sociolinguistic thought and how this fast moving field is integral to our lives Includes numerous opportunities for students to engage with ideas presented in the text through a new glossary new Explorations and end of chapter exercises links and key concepts New companion website includes links and resources for students English in Business and Commerce Tamah Sherman,Jiri Nekvapil,2018-05-07 This volume fills an important gap in exploring English in the domains of business and commerce through the prism of sociolinguistics and the sociology of language as opposed to analyzing business genres or taking a linguodidactic approach It expands the regional coverage of English in Europe with several studies based in Central Europe and also considers contexts which interact with Europe even though they are physically outside of it Asia Africa It addresses English as just one of several languages at play in the ecology of the countries It focuses not only on the position of languages as declared in documents of various organizations that is language policy but also everyday linguistic practices as observed in business contexts that is interactions The studies are divided into three thematic areas ideologies and discourses on English in the business sphere the management of English in business and organizational contexts and English and other languages on local and international

labor markets It will be of interest to readers concerned with multilingualism in the economic sphere and the workplace and the interplay between macro and micro levels during the management of communication in organizations   Agency in the Peripheries of Language Revitalisation Mary S. Linn,Alejandro Dayán-Fernández,2024-05-14 This book addresses the question of agency in the revitalisation of minoritised languages in Europe with each chapter presenting an ethnographic account of how language policy operates in a specific linguistic context The chapters investigate how grassroots actors shape revitalisation and how individuals and groups negotiate historical factors motivations and institutionalised initiatives and policies in a variety of efforts Between them the chapters address both contexts where social actors have gained and exerted agency in their revitalisation efforts and contexts where issues of authority authenticity and lack of engagement plague efforts these chapters provide insights into how social actors work within and against social conventions and strictures This book is available Open Access under a CC BY ND License   Family Language Policies in a Multilingual World John Macalister,Seyed Hadi Mirvahedi,2016-12-19 Through case studies from around the world this book illustrates the opportunities and challenges facing families negotiating the issues of language maintenance and language learning in the home Every family living in a bi multilingual environment faces the question of what language s to speak with their children and must make a decision consciously or otherwise about these issues Exploring links between language policy in the home and wider society in a range of diverse settings the contributors utilize various research tools including interviews questionnaires observations and archival document analysis to explore linguistic ideologies and practices of family members in the home illuminating how these are shaped by macro level societal processes   Kurdish Studies Archive Martin van Bruinessen,2025-01-20 Kurdish Studies Archive publishes the content of volumes 1 to 10 of Kurdish Studies This interdisciplinary and peer reviewed journal was dedicated to publishing high quality research and scholarship Since 2023 the journal has been continued as the new Kurdish Studies Journal published by Brill and focuses on research scholarship and debates in the field of Kurdish studies in a multidisciplinary fashion covering a wide range of topics including but not limited to economics history society gender minorities politics health law environment language media culture arts and education

Hidden Agendas Of Language Policy: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
