

PLAIN LANGUAGE FROM
TRUTHFUL JAMES

WHICH I wish to remark,—
And my language is plain,—
That for ways that are dark,
And for tricks that are vain,
The heathen Chinees is
peculiar,—
Which the same I would
rise to explain.
Ah Sin was his name,
And I shall not deny
In regard to the same
What that name might
imply;
But his smile it was pensive
and child-like
As I frequent remarked to
Bill Nye.

The 1910 Trip of the H.M.M.B.A. to California and the Pacific Coast George Wharton James,1911 The H.M.M.B.A. in California George Wharton James,1896 An account of the annual meeting of the Hotel Men s Mutual Benefit Association in 1896 **The H. M. M. B. A. in California (Classic Reprint)** George Wharton James,2017-11-19 Excerpt from The H M M B A In California What I do contend for about California is That when all these disagreeable features are taken into the account at their greatest measure of annoyance we still possess such an abundance of glorious climate entrancing and majestic scenes delightful resorts health ful surroundings business advantages and other good things that one may travel far and wide and for many years ere he finds another region which is so desirable for pleasure health travel and residence And if in any way these pages add to the good of the Golden State by inducing travel immigration or capital hither and give pleasure to those for whom_ they were written viz My fellow members of the H M M B A And the charming ladies of their families their purpose will be abundantly accomplished In regard to the hotel men and women and their hotels there are two reasons why nothing but good has been said First they are good and second if there are as I doubt not there are poor hotels and poorer hotel men and women in California I simply have not mentioned them Hence it being given to me to describe only the good I could use none but good words in my descriptions And dear reader were I writing about you and your hotel could I write in any other way I shall be excused doubtless if I here state that while I have received much and valuable aid from a variety of sources the book is my own work and financial venture no association no hotel no other person than myself is responsible for a word that is here written Whatever censure or praise the book may receive I alone am responsible for all it contains About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **CARMEL-BY-THE-SEA, THE EARLY YEARS (1903-1913)** Alissandra Dramov,2013 Carmel by the Sea The Early Years 1903 1913 describes the establishment of Carmel by the Sea California along with an overview of the history of the Carmel Mission and the Monterey Peninsula The book s emphasis is on the development of Carmel as a Bohemian artists and writers colony at the start of the 20th century The town s first decade of existence is described the businesses and services offered and the residential architecture There are biographies of the well known Bohemian artists writers poets builders and other notable residents and visitors in the early 1900 s This original group of settlers the majority of whom came from Northern California s Bay Area were distinctive individuals who were drawn to the coastal village by its scenic beauty and the inspiration it provided for their intellectual

pursuits They set the tone that made Carmel by the Sea a Bohemian enclave on the West Coast and distinguished it as a unique place These early residents and visitors left a significant and lasting impact on the future of the seaside town which in turn attracted other creative talents to the area through the years and still to this day Carmel by the Sea The Early Years 1903 1913 preserves the literary artistic cultural and architectural heritage of Carmel and the Monterey Peninsula region
