member of the media covering the game or just a fan of football **The Hockey News ... Yearbook** ,2005 *Most Valuable* Gare Joyce,2019-10-29 1 National Bestseller This hockey generation s brightest talent has been plagued by concussions Now the very style of play that has brought Crosby such success may be heralding the end of his career Sidney Crosby is arguably the best player ever to put on skates You could argue that Bobby was better or Wayne or Gordie But it would be hard to argue that any of those guys changed the game as much as Sid No defenceman came along in Bobby s wake to play like him There will never be another 99 But in Crosby s case the entire league was re made in his image The game can be divided into two eras before and after Sidney Crosby arrived in 2005 breaking Mario Lemieux s rookie scoring record Says NHL star Matt Duchene who entered the league in 2008 just three years after Crosby Just in the time that I was going from peewee and bantam to junior there was a whole other game before and after You didn t have a choice really you had to adapt and adopt the way he did things or get left way behind In an effort to keep up with Sid the game changed It s faster now more skilled There are more highlight reel goals and fewer fights And in many ways Crosby has thrived Three Stanley Cups Two Olympic gold medals A World Cup And enough individual trophies to fill a truck But then if Crosby hadn t changed the league he might expect a longer career Today Sidney Crosby is the first generational superstar whose every shift could be his last He invented a faster game and the faster game has taken its toll on its creator Crosby has suffered several concussions and missed most of an entire season with symptoms He plays the game fearlessly but he also plays it without a bodyguard The irony is that he created a league that made it harder for him to thrive And the tragedy may be that he has created a league that will bring his career to an end in one fell swoop in front of millions Telling the story of a generational talent and the way he has revolutionized the game Gare Joyce will also bring into focus crucial questions about the way the game is played today assessing fighting and concussions in the light of the way these issues impinge on arguably the greatest player ever to skate **Young Guns** Allan Weiss,2002 This magazine style title profiles NHL players younger than the age of 22 who are making a huge impact in the world of hockey Includes information on Chris Drury Simon Gagne Shane Willis and others Full color photos [Forthcoming Books](#) Rose Army,2002 [The Instigator](#) Jonathon Gatehouse,2013-06-01 Two decades of lockouts soaring ticket prices and on ice tinkering have convinced many hard core fans that the NHL s long time commissioner Gary Bettman is the devil in disguise but this book examines his motivations peels back his often prickly demeanor and explains how he manages to lead confound and keep order It details the unlikely ascension of a fatherless Jewish kid from Long Island who never played hockey and can barely skate to the sport s biggest job The seven fold increase in gross revenue during Bettman s 20 year tenure as NHL commissioner makes him a business success story and on his watch professional hockey has also expanded far beyond its regional strongholds By taming the NHL s famously fractious owners all but busting its players union and enforcing a lawyerly discipline even on trash talk Bettman has become a figure of almost unrivaled power in the business of sports and this biography delves into how his influence shapes rival leagues in
