Martin,2021-04-12 For twenty years God has been leading guiding and preparing author Mari D Martin to walk alongside her

husband Chris through a throat cancer diagnosis the treatment of that cancer the recovery from the side effects of the treatments and then through rehabilitation to return to what will be his new normal In *Come Home Alive* Mari shares the oftentimes tender story of their six part plan to come home alive She narrates how the couple used their twenty four years as Kolbe Certified consultants to practice what they taught consulted and coached others regarding self awareness strengths identification communication needs role alignment and the environment each person needs to thrive For Chris to thrive again he needed to heal and for him to heal he needed to be in an environment that allowed him to thrive *Come Home Alive* tells how Mari s role as caregiver was to stay true to herself while also being the hands and feet to recognize minimize and complete the tasks and requirements Chris naturally resisted Their plan rooted in faith and hope started with daily time together in prayer and belief in the healing power of God It ended with a practice of thankfulness and expecting a miracle What they did together in the middle is one you can do too through greater awareness of each other s strengths how to work together and be a team with the knowledge and wisdom to come home alive *Edwina Currie* Edwina Currie,2012-09-18

Never far from centre stage Edwina Currie falls comfortably into that category of celebrity you simply cannot ignore Her first published diaries explosively revealed an affair with former Prime Minister John Major This second volume which begins in 1992 with her refusal to serve in Major s government is no less revelatory about her colleagues encounters with others in the public eye and of course her extraordinary career Honest compulsive and of the moment this collection covers her life in Parliament up to the election of Blair s Labour government but more importantly sees Edwina s emergence as a mainstay in the public imagination first as a bestselling author then as a commentator broadcaster presenter and performer Shot through with her trademark effervescence and sense of fun this volume of diaries documents one of the biggest characters in British public life at her saucy scathing best **Unnatural Causes** Janet Bettle,2013-08-20

Geri Lander is a successful lawyer always ready to passionately defend the underdog But when Joanna Pascoe comes to her for help in uncovering the truth behind her husband s mysterious death even Geri believes she does not have much of a case What has happened to Joanna s husband seems like a tragedy a senseless heart wrenching tragedy But as Geri digs a little deeper she comes up with frightening questions and no answers Why should a perfectly healthy man like Dr Pascoe die after a simple case of food poisoning and why such a gruesome death The further Geri delves the more suspicious the circumstances become and before long she discovers that Thomas Pascoe has died from something far worse than food poisoning Dr Pascoe is the victim of a deadly super bug a bacterium resulting from over use of antibiotics in farm animals Geri begins to investigate only to be thwarted at every attempt to discover the truth The authorities are curiously unwilling to help more people are dying and suddenly Geri finds herself in the middle of a dangerous conspiracy In this terrific first novel Janet Bettle introduces a feisty heroine and brings a fresh and contemporary voice to the world of legal thrillers *The Outlook* ,1918 **Reference**
