presidents Gripping For readers interested in the roots of the Islamic State and the evil genius of its godfather there is no better book to begin with than Black Flags Michiko Kakutani The New York Times Drawing on unique high level access to CIA and Jordanian sources Warrick weaves gripping moment by moment operational details with the perspectives of diplomats and spies generals and heads of state many of whom foresaw a menace worse than al Qaeda and tried desperately to stop it Black Flags is a brilliant and definitive history that reveals the long arc of today s most dangerous extremist threat

ISIS Michael Weiss,Hassan Hassan,2015-01-29 A revelatory look inside the world s most dangerous terrorist group Initially dismissed by US President Barack Obama along with other fledgling terrorist groups as a jayvee squad compared to al Qaeda the Islamic State of Iraq and Syria ISIS has shocked the world by conquering massive territories in both countries and promising to create a vast new Muslim caliphate that observes the strict dictates of Sharia law In ISIS Inside the Army of Terror American journalist Michael Weiss and Syrian analyst Hassan Hassan explain how these violent extremists evolved from a nearly defeated Iraqi insurgent group into a jihadi army of international volunteers who behead Western hostages in slickly produced videos and have conquered territory equal to the size of Great Britain Beginning with the early days of Abu Musab al Zarqawi the founder of ISIS s first incarnation as al Qaeda in Iraq Weiss and Hassan explain who the key players are from their elusive leader Abu Bakr al Baghdadi to the former Saddam Baathists in their ranks where they come from how the movement has attracted both local and global support and where their financing comes from Political and military maneuvering by the United States Iraq Iran and Syria have all fueled ISIS s astonishing and explosive expansion Drawing on original interviews with former US military officials and current ISIS fighters the authors also reveal the internecine struggles within the movement itself as well as ISIS s bloody hatred of Shiite Muslims which is generating another sectarian war in the region Just like the one the US thought it had stopped in 2011 in Iraq Past is prologue and America s legacy in the Middle East is sowing a new generation of terror

ISIS Exposed Erick Stakelbeck,2015-03-09 The terror masters of ISIS are determined to get America s attention They ve humiliated the Iraqi Army we trained and seized territory in Iraq that we had secured at the cost of so many American lives They ve beheaded American journalists on camera in a direct challenge to the power and resolve of the United States And now ISIS is calling for city wolves across the United States to act on their dedication to the Islamic State s blood drenched ideology and murder innocent American citizens at random Who is ISIS Where did it come from and what is driving its successful campaign of murder and conquest Our government and our media alike seemed to be blindsided by the Islamic State s blitzkrieg like advance which forced American troops back into Iraq ISIS has conquered a territory roughly the size of the state of Indiana rules over eight million terrorized souls and has even revived the practice of legal slavery And yet the true motivations inner workings and future plans of this terror state and its mysterious caliph seem almost as obscure as when ISIS first burst onto the world scene In ISIS Exposed veteran investigative reporter Erick Stakelbeck gets inside the story of the new caliphate and reveals just how clear and present a threat it is
