*Holding the Line* Sir John Charles Hermon,1997-01-01      Nymphing Gary A. Borger,2003-12 Trees of the U S are easy to use regional field guides for backpacking camping and other outdoor activities      Holding the Line Geoffrey Berman,2022-09-13 Throughout my tenure as US attorney Trump s Justice Department kept demanding that I use my office to aid them politically and I kept declining in ways just tactful enough to keep me from being fired I walked this tightrope for two and a half years Eventually the rope snapped from Holding the Line A cautionary tale about how political forces can undermine the quest for justice Barbara McQuade The Washington Post The gripping and explosive memoir of serving as US Attorney for the Southern District of New York in the face of the Justice Department s attempts to protect Trump s friends and punish his enemies Ascending to the leadership role of US Attorney for the Southern District which includes Manhattan and several counties to the north is a capstone to any legal career it entails guiding a team of the best lawyers in America in selecting and winning cases that often have global import Geoffrey Berman was honored to be tapped for the job by Donald Trump in 2018 The manner in which Trump had dispatched his predecessor Preet Bharara was troubling but the institution was fabled for its independence Surely he could manage So began one of the most tumultuous two and a half year stretches in the over two hundred thirty year history of the office Almost immediately Berman found himself pushing back against the Trump Justice Department s blatant efforts to bring weak cases against political foes and squash worthy cases that threatened to tarnish allies and Trump himself When Bill Barr became attorney general Berman hoped and believed things would get better but instead they got much worse The heart of Holding the Line is his never before told account of the lengths Barr went to in corrupting the independence of the office and the lengths Berman had to go in preserving it Finally Trump and Barr fed up with Berman s principles summarily fired him though he refused to go quietly and prevented Barr from installing someone who might be more compliant Berman s determined defense of the values of prosecutorial independence without fear or favor made him a hero to everyone who shares those values Holding the Line also relates the remarkable casework of the Southern District in Berman s time there including taking down notorious sex traffickers Jeffrey Epstein and Lawrence Ray Big Pharma executives and vicious criminal syndicates and repatriating Nazi looted art Riveting in themselves these stories showcase the esprit de corps that makes the Southern District so special and the stakes Berman felt in protecting its integrity against all foes up to and including the US attorney general and the president of the United States

Congress,1965 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and

War Department, *The Provisional Pulpit* Brandon Rottinghaus,2010-04-07 The cornerstone of the public presidency is the ability of the White House to influence shape and even manipulate public opinion Ultimately although much has been written about presidential leadership of opinion we are still left with many questions pertaining to the success of presidential opinion leadership efforts throughout the modern presidency What is still missing is a systematic sequential approach to describe empirical trends in presidential leadership of public opinion in order to expand on important scholarly queries to resolve empirical disputes in the literature and to check the accuracy of conventional political wisdom on how when and under what conditions presidents lead public opinion In *The Provisional Pulpit* Brandon Rottinghaus develops a simple theory of presidential leadership arguing that presidential messages are more likely to be received if there are fewer countervailing agents or messages to contradict the president's message He concludes based upon the findings presented in this book that the bully pulpit is largely provisional for modern presidents The more the president can avoid the political echo chamber associated with partisan battles or communications the better the chance the president has to lead public opinion *The Provisional Pulpit* adds an important layer of understanding to the issue of how and under what conditions presidents lead public opinion All modern presidents clearly attempt to lead public opinion often due to factors outside their control they fail This book is an exploration into how and when they succeed Instructions for United States Coast Guard Stations, 1922 United States. Sparano,1998-08-15 A 2013 Amazon Breakthrough Novel Award Quarter Finalist The Paranormal Romance Guild say Georgiana Derwent has managed to merge the world of Oxford University with its rich history and very British traditions with a totally entertaining and plausible vampire story This is going to be a favourite series A Tale of the Posh the Privileged and the Paranormal The Cavaliers are the most elite society at Oxford University rich powerful and beautiful No one realises that they are no ordinary students but a group of aristocratic vampires from the English Civil War For four hundred years they have groomed the most promising students to run the government police and finance in the way the vampires wish granting them eternal life in return for absolute obedience When Harriet French arrives at Oxford University from her working class northern state school she's prepared for a culture shock but not to become embroiled in the Cavaliers scheming and bloodlust Harriet thought she'd be busy enough juggling her demanding tutor new friends and the murky world of student politics But now she must find the rebel vampire who is killing off the members stop the Cavaliers from orchestrating a massacre of the year's most beautiful and successful students and defy the Society to be with the man of her dreams *Oxford Blood* is a British adult paranormal romance It's a tale with vampires that aren't afraid to kill and a heroine who's not afraid of sex or her own ambition ABOUT THE AUTHOR Georgiana Derwent read History at Oxford University Aside from the vampires *The Cavaliers* Series is an exaggerated but fairly accurate portrayal of her time

there She now works in London and lives with her fiance He s been very supportive throughout the writing of her books mainly because he likes to claim that all the most attractive characters are based on him Georgiana fell in love with vampire novels after reading The Vampire Diaries back in 2000 At the time it was a struggle to find any similar paranormal romances a situation that it s fair to say seems to have been rectified in the last few years She now loves paranormal series such as True Blood fantasy novels and modern literary works in roughly equal measure Ever since her teens she wanted to write a vampire series Ever since going to Oxford she wanted to write a book about her experiences there During a dull few months between finishing university and starting her graduate job she had the idea of combining the two and The Cavaliers Series was born

The 4th (Queen's Own) Hussars in the Great War Captain H. K. D. Evans,Major N. O. Laing,Winston Churchill,2011-12-20 In his foreword to this book Winston Churchill rightly calls it a plain yet careful record of the fortunes and services of the 4th Queen s Own Hussars in the Great War which deserves and will repay attentive study from those to whom the history of the regiments of the British Army is of vivid interest The 4th Queen s Own were one of the Army s elite cavalry regiments which fulfilled their traditional role in the open warfare which characterised the campaigns in 1914 and 1918 at the beginning and end of the Great War In between of course came the static horrors of trench warfare when as Churchill tactfully says the fond hopes which cavalry Generals and cavalry soldiers cherished of a great eruption of cavalry through the German lines as the culmination of a decisive battle never materialised Nevertheless the 4th took part in the retreat from Mons in 1914 the first and second battle of Ypres in which they experienced the first German poison gas attack and the battles of Loos the Somme and Arras In 1918 they saw action in both the great German spring offensives and the victorious allied counter attacks that summer and autumn Illustrated with maps photographs and appendices containing rolls of honour decorations lists of officers etc this is a complete unit history for those interested in cavalry regiments in the Great War
