Holiness And The World Studies In The Teachings Of Blessed Josemaria Escriva:

Holiness and the World Manuel Belda, 1997 *Holiness and the World* Paul O'Callaghan, 1998 Based on the proceedings of a symposium held in Rome in 1994 to celebrate the beatification of Opus Dei's founder Josemaria Escriva this book includes contributions from a truly international cast of eminent theologians **Holiness for Everyone** Eric Sammons, 2012-04-26 God intends nothing less than sainthood for you The early Church held that all believers could achieve holiness Over time this conviction was largely forgotten Sainthood seemed to be an honor only intended for a select few among the priests and religious Eric Sammons tells how twentieth century Spanish priest and canonized saint Josemaria Escriva the founder of Opus Dei recovered the message of the universal call to holiness Declared the saint of ordinary life by Pope John Paul II St Josemaria developed a spirituality directed toward the sanctity of every man and woman His legacy is the belief that each of us can by God's grace achieve holiness through the course of our ordinary life and work The heart of Sammons practical guide to the spiritual life is a detailed examination of the steps in St Josemaria's thoughtful plan for building a saintly life in spite of your hectic work and home life in a world filled with distractions and temptations Strive for your own personal holiness as you implement your daily plan to Be a Contemplative in the Midst of a Busy World Live a Life of Prayer Recognize the Presence of God Make a Plan of Life Make Your Work a Way to Heaven Holiness for Everyone will inspire you as it sets your feet on the path to sainthood Eric Sammons shows that St Josemaria has recovered the most powerful truth of classic Christianity and restated it in a way that is compelling for men and women of our time From the Foreword by Scott Hahn *Conversations With Saint Josemaria Escriva* Josemaría Escrivá, 2017-03-31 These interviews given during the lifetime of St Josemaria Escriv explain the nature of Opus Dei and describe some basic aspects of its spirit and organization The replies of Opus Dei's founder despite the awkwardness of the inadequate juridical terminology at the time explain its aim to spread in all spheres of society a deep awareness of the universal call to holiness and apostolate in the fulfillment of one's ordinary professional work St Josemaria also addresses issues of family life education society and the Church Freedom of the individual love of the Church and his own supernatural outlook and human warmth are features that permeate these conversations **Working well, working for love** Javier López Díaz, Millions of people go to work each day some unhappily if they don't like what they're doing or it doesn't interest them others only concerned about the pay they will receive and the financial rewards while others are an example of what Hannah Arendt calls the animal laborans workers who have no other objective or aim than the very work that life has placed before them and which they carry out by natural inclination or by inertia At a higher level is the figure of the homo faber the person who works with a wider view with the aim of making a business or a project a success sometimes seeking personal affirmation but often with the noble aspiration of serving others and serving society as a whole Christians ought to be in this last category and even higher If they really are Christians they will not see themselves as slaves or as paid workers but as children of God for whom work is a vocation and a

divine mission to be carried out for love and with love Work is man's vocation the place for his development as a child of God Further it is the matter of his sanctification and the fulfillment of his apostolic mission Hence the Christian should not be afraid of effort or tiredness but should embrace them with joy a joy that has its roots in the shape of the cross The last sentence comes from St Josemaría Escrivá the saint who taught us to sanctify our work turning it into nothing less than the work of God The pages of this book are inspired by his message or rather they are inspired by the message of the Gospel since St Josemaría did nothing other than to teach us the words and life of Jesus above all in his years spent in Nazareth working with St Joseph from whom he learnt to work as an artisan and with Our Lady who served him with her work in the home
