The Gentleman's Magazine, and Historical Chronicle, for the Year ... ,1825 Adventism Confronts Modernity Robert J. Mayer,2017-02-16 Many restorationist oriented associations like the Advent Christian Church often embrace two conflicting principles First they understand the Bible s inspiration and authority in a way that minimizes the importance and value of church tradition Second they give high value to individual autonomy both in biblical interpretation and in church governance Adventism Confronts Modernity describes what can happen when these principles conflict and make it difficult to resolve theological conflict This work begins by exploring the nineteenth century historical and theological roots of early Adventism with special attention to William Miller and the theological impact of the Great Disappointment the failed prediction of the

early Adventists that Jesus Christ would return visibly in 1843 or 1844 Subsequent chapters explore the Fundamentalist Modernist controversies of the early twentieth century and focus on the impact of those events on the two colleges that trained Advent Christian clergy Aurora College now Aurora University and New England School of Theology later Berkshire Christian College After discussing theological reform efforts within the Protestant mainline and fundamentalist coalitions this book describes the conflicting views regarding the Bible s inspiration that emerged in the early twentieth century and their impact on the Advent Christian Church during the 1950s and 1960s It concludes that further reflection is needed on both the doctrine of Holy Scripture and how restorationist movements balance Christian theology with individual and congregational autonomy

Mercersburg Quarterly Review ,1860 **The Gentleman's Magazine** ,1825 *The parochial hymn book* Parochial hymn book,1881 The Christian Observer ,1850 *Who's who* Henry Robert Addison,Charles Henry Oakes,William John Lawson,Douglas Brooke Wheelton Sladen,1910 An annual biographical dictionary with which is incorporated Men and women of the time The Teacher's Bible Commentary H. Franklin Paschall,Herschel H. Hobbs,1972-05-01 The Teacher s Bible Commentary has been one of the widely used reference tools for Sunday School Teachers for over 25 years From the ideal stage the commentary was designed to meet the week to week needs of men and women who have the awesome responsibility of leading others in the study of God s word **Luminescence, Volume 3** C. K. Barrett,Fred Barrett,2018-05-04 What is found in this series unveils an entirely different side of C K Barrett a side one might never have known about if one had knowledge only of his famous commentaries and monographs Herein lies a goodly selection of Kingsley s sermons preached largely in small and medium sized Methodist churches in the northeast of England though often elsewhere in England and around the world Fred Barrett was not the scholar his son was but on close inspection one can most definitely see the impact of the father on the son when it came to preaching It seems right to include as many sermons from both of these men as we can in this series One thing sorely lacking in much preaching these days is in depth engagement with both the biblical text and one s tradition and theology The sermons in these volumes demonstrate what such preaching can look like This third volume presents sermons from both the Old Testament and the New Testament
