Holiness Voices:

Holiness Voices Harry Robert Cowles, K. Neill Foster, 1995 A collection of commentaries on the meaning of holiness Distant Voices Drawing Near Antoinette Clark Wire, Marvin L. Chaney, 2004 Distant voices drawing near is a tribute to the scholarly career of Antoinette Clark Wire the Robert S Dollar Professor of New Testament at the San Francisco Theological Seminary In recognition of her work the contributors to the volume have critically engaged the areas of Christian origins and the role of women in the biblical world hermeneutics and feminist perspectives in biblical interpretation and cross cultural study of the Bible BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights The Bible's Many Voices Michael Carasik, 2014-01-01 The most common English translations of the Bible often sound like a single somewhat archaic voice In fact the Bible is made up of many separate books composed by multiple writers in a wide range of styles and perspectives It is as Michael Carasik demonstrates not a remote text reserved for churches and synagogues but rather a human document full of history poetry politics theology and spirituality Using historic linguistic anthropological and theological sources Carasik helps us distinguish between the Jewish Bible s voices the mythic the historical the prophetic the theological and the legal By articulating the differences among these voices he shows us not just their messages and meanings but also what mattered to the authors In these contrasts we encounter the Bible anew as a living work whose many voices tell us about the world out of which the Bible grew and the world that it created Long Silenced Joy A. Schroeder, Marion Ann Taylor, 2022-02-15 Hundreds of women studied and interpreted the Bible between the years 100 2000 CE but their stories have remained largely untold In this book Schroeder and Taylor introduce readers to the notable contributions of female commentators through the centuries They unearth fascinating accounts of Jewish and Christian women from diverse communities rabbinic experts nuns mothers mystics preachers teachers suffragists and household managers who interpreted Scripture through their writings This book recounts the struggles and achievements of women who gained access to education and biblical texts It tells the story of how their interpretive writings were preserved or all too often lost It also explores how in many cases women interpreted Scripture differently from the men of their times Consequently Voices Long Silenced makes an important new contribution to biblical reception history This book focuses on women s written words and briefly comments on women s interpretation in media such as music visual arts and textile arts It includes short representative excerpts from diverse women s own writings that demonstrate noteworthy engagement with Scripture Voices Long Silencedcalls on scholars and religious communities to recognize the contributions of women past and present who interpreted Scripture preached taught and exercised a wide variety of ministries in churches Prophetic Voices Barbara AB Symons, 2023-02-01 The traditional haftarah cycle read on Shabbat and and synagogues holidays during the Torah service contains a wealth of prophetic wisdom yet today it is too often forgotten or ignored Prophetic Voices gives new life to these ancient texts A diverse group of contributors including rabbis cantors scholars

educators activists and poets provide short commentaries on each haftarah demonstrating their profound relevance to the present Moreover the volume boldly invites us to rethink the haftarah canon Going beyond the Prophets it presents alternative readings from Jewish texts biblical to contemporary New haftarot for each Shabbat and holiday are included plus haftarot for the Jewish American calendar from Yom HaShoah to Pride Month to Martin Luther King Jr Day The readings are enhanced by scholarly essays placing the Prophets in historical context and examining the role of prophecy in Reform Judaism Prophetic Voices summons us to listen study think and teach as well as to sing pray and march Published by CCAR Press a division of the Central Conference of American Rabbis A Voice from Zion ,1902 Oueer Ministers' Voices from the Global South Lisa Isherwood, Hugo Córdova Quero, 2023-10-13 This book brings together the narratives of diverse ministers from the Global South in order to show that gueer theologies are impacting many parts of the world and gueer lives are molding and enriching Christian ministry Across Asia Africa and Latin America we are witnessing the emergence of queer faith based communities in very different contexts and with very different histories. The perspectives included in the book form a tapestry that honors diversity among the Global South's queer communities and ministries They demonstrate the various ways in which queer ministry challenges and changes theological understanding as well as religious practice Each chapter highlights issues pertaining to liturgy sacraments pastoral rites and the personal faith journey that each minister underwent to foster pastoral queer theologies Contributors focus on their understanding of the relationship between faith and sexuality how rituals relate to the daily lives of queer believers and the struggles they face within the political structures of religious institutions. The narratives highlight some of the challenges and mechanisms deployed to cope with ingrained LGBTIO phobia They also evidence how communities enact interreligious and multi religious dialog and rituals while honoring faith and activism and how prophetic ministries counter oppressive discourses and colonial performativities This is a valuable resource for academics and religious leaders interested in the study of queer theologies Asian African and Latin American Christianity as well as ecclesiastical and liturgical issues The Christian's Secret of a Happy Life Hannah Smith (formerly Whitall.), 1876 **Abraham Kuyper** James D. By H. W. S. [i.e. Hannah Whitall Smith.] Revised The Keswick Movement Charles Edwin Jones, 2007 This volume and Enlarged Edition Hannah Whitall SMITH, 1876 introduces researchers to the leaders ideas and institutions of the Keswick Movement a strand of holiness teaching that was embraced by many evangelicals who came from the more Calvinistic wing of Protestantism especially Anglicans Baptists Congregationalists and Presbyterians The Keswick Movement is the most difficult of the three main holiness traditions to delineate Unlike the Wesleyan Holiness and Holiness Pentecostal traditions the Keswick Movement has not gone through a definitive period of careful theological refining and institutional boundary setting Wading Through Many Voices Harold Recinos, 2011-04-16 Wading through Many Voices brings together the voices of Latino a African American Asian American Native American and Euro American scholars to produce a dialogue of public theology how faith communities divided by race class ethnicity and gender can find a common ground for life together The authors articulate a multiethnic perspective on public theology that counters the divisive identity politics of U S public life with systematic thinking that strengthens the commitment to critically transform social relations in light of a shared vision of public good The contributors develop a

shared public theology that addresses social divisions while offering readers a broad vision to collaborate and struggle for an improved understanding of the common good for our pluralistic society In light of emerging social issues the contributors suggest that a fundamental respect for difference is a required first value for living together in a common social and political *Life Thoughts on the Rest of Faith* Asa Mahan,1877 Schleiermacher and Palmer Justin A. Davis, 2019-09-11 Twenty first century Protestantism is radically different from the Protestantism of the Reformation The challenges of modernity affected all aspects of Christianity and the more successful attempts to combat these challenges came about as a result of two rather different yet similar theologians in the nineteenth century. This work provides an exhaustive look at Friedrich Schleiermacher the father of modern liberal Protestantism and Phoebe Palmer the mother of the Holiness movement The trend of liberalism is to strip away all but what is essential to Christian life while the Holiness movement sought to make all of life applicable to the Bible and God While these two movements may appear contradictory they are grounded in a shared source of experiential Protestantism commonly known as Pietism and develop their theological systems from this starting point This study includes not only their theologies but also biographies that introduce the reader to these two luminaries Liberalism and holiness as created by Schleiermacher and Palmer lay the foundation for Pentecostalism fundamentalism neo orthodoxy and the interdenominational movements of the nineteenth century Only from this vantage can we understand the modern Protestant mindset Seven Voices of Sympathy Henry Wadsworth Longfellow, 1881
