Hollow Hills:

Hierophantic Landscapes Richard Leviton, 2011-09-26 The Earth is poised to make a great disclosure Its a hierophant But whats a hierophant A person who reveals the holy light But it can also be a landscape or a planet And whats the holy light It is the structure of reality and consciousness a map of the heavenly realms the engineering blueprint of Creation Some people call this imminent disclosure the Apocalypse and run for cover But that is mistaken Apocalypse means the revelation of the divine revelation It means the end of our picture of the world as we know it The world itself will be fine even better than fine Splendid Illumined The Architect of reality lays down His cards face up and you see the whole deck Here is the truth of yourself and the Earth How will this disclosure work What we call sacred sites and holy landscapes will start revealing themselves in full to us in all their geomantic and visionary richness Thats the inner patterning of their design their arrays of Light temples and subtle palaces primed for our visionary adventures and edification The Earth needs us to have these adventures and visions because thats how we keep the planet healthy Hierophantic Landscapes visits five landscapes from Norway and England to California and Mexico providing firsthand reports on the visions and adventures of a small band of geomancers as they seek to unravel the mysteries of the Earth Maybe not such a small band because along the way we encounter angels landscape devas Nature Spirits and otherworldly mentors and revel in vistas of the ancient past of the Earth when that revelation was as fresh as a sunrise as it will soon be again

Booklist **OE [publication]** ,1970 *I, Valeria* Brian Reeder, 2007-10-30 An old powerful queen lies on her deathbed A stranger an Eastern prince arrives at her court to bring her to a new life Playing on her vanity and fear the stranger gives her his blood and a new chapter begins for her at the ending of a long and fruitful life She had ruled her empire with all her heart and mind and now drained of all energy she would retire in the only way that a monarch can she would die Yet fate had other things in mind A powerful clan of blood drinkers have been watching her and guided by other greater forces they have decided to make of her a warrior for their own schemes Yet destiny will intervene and carry her on a much greater journey beyond those petty schemes taking her further into the past and future than she could have ever believed With all her illusions shattered our great queen will find a world much different than she ever thought possible Embracing this world she

will become something far greater than her maker Told the story of the ages and trained in the oldest of arts she will become the purveyor of dreams Come now into a magical world a world of myth and legend Stalk the night and hunt your prey Come to the Fairie mound and fly in the open sky Travel the stars and learn the hidden history of the planet Art which you call Earth The ancient races of Art and ANWN await you with their stories and their agendas **Professional Paper** Geological Survey (U.S.),1914 *Hearts Desires and Dark Embraces* Margaret L. Carter,2017-09-14 When Margaret L Carter first read Dracula at the age of twelve her spontaneous reaction was to wonder how the undead Count saw the events in which he was portrayed as the villain She s always been fascinated with the monster s viewpoint and relationships between human and nonhuman beings Most of the stories in this collection can be described as romances and all involve love and passion in some form Here you ll encounter vampires elves ghosts and at least one human monster hybrid The vampire stories in the first half of the book are part of an ongoing series in which the creatures we know as vampires belong to a naturally evolved nonhuman species secretly living among us Readers can get better acquainted with them in *Crimson Dreams* Sealed in Blood and Passion in the Blood *Crimson Dreams* Margaret L. Carter,2017-05-26 The summer when Heather was eighteen her dream beast s nightly visits warded off loneliness and swept her away in flights of ecstasy Now returning to the mountains to sell her dead parents vacation cabin she finds her beast again But he turns out to be more than a dream She meets Devin in the flesh apparently not a day older His first human lover centuries in the past died horribly because of her devotion to him Does he dare expose another mortal woman to that risk **Mate to three, fated to one** Leyla McKenzie, Sharlynn Carter lived quietly in Hollow hills for two years and her only problem as a seventeen year old was how to earn money to support her family But when three supernatural families the Ridge Toody and Saunders return to Hollow hills her life takes a drastic turn when they realize that she is the very person they have been searching for for five centuries As she tries to elude death friendships are formed enemies identified intoxicating romance develops and as war breaks out Sharlynn discovers who she is and why exactly she should be feared as the reincarnation of the Tri mate goddess The hunted becomes the hunter **Sealed in Blood** Margaret L.
