Arab Americans in Film Waleed F. Mahdi, 2020-10-21 Selected for Arab America's Best Arab American Books of 2020 list. It comes as little surprise that Hollywood films have traditionally stereotyped Arab Americans but how are Arab Americans portrayed in Arab films and just as importantly how are they portrayed in the works of Arab American filmmakers themselves. In this innovative volume Mahdi offers a comparative analysis of three cinemas yielding rich insights on the layers of representation and the ways in which those representations are challenged and disrupted. Hollywood films have fostered reductive imagery of Arab Americans since the 1970s as either a national security threat or a foreign policy concern while Egyptian filmmakers have used polarizing images of Arab Americans since the 1990s to convey their nationalist critiques of the United States. Both portrayals are rooted in anxieties around globalization, migration and US Arab geopolitics. In contrast Arab American cinema provides a more complex, realistic and fluid representation of Arab American citizenship and the nuances of a transnational identity. Exploring a wide variety of films from each cinematic site Mahdi traces the competing

narratives of Arab American belonging how and why they vary and what's at stake in their circulation *Reel Bad Arabs* Jack G. Shaheen, 2012-12-31 A groundbreaking book that dissects a slanderous history dating from cinema's earliest days to contemporary Hollywood blockbusters that feature machine gun wielding and bomb blowing evil Arabs Award winning film authority Jack G. Shaheen noting that only Native Americans have been more relentlessly smeared on the silver screen painstakingly makes his case that Arab has remained Hollywood's shameless shorthand for bad guy long after the movie industry has shifted its portrayal of other minority groups In this comprehensive study of over one thousand films arranged alphabetically in such chapters as Villains Sheikhs Cameos and Cliffhangers Shaheen documents the tendency to portray Muslim Arabs as Public Enemy 1 brutal heartless uncivilized Others bent on terrorizing civilized Westerners Shaheen examines how and why such a stereotype has grown and spread in the film industry and what may be done to change Hollywood's defamation of Arabs *The Motion Picture Guide* Jay Robert Nash, Stanley Ralph Ross, 1996 *New York Magazine*, 1990-12-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Motion Picture Guide, 1991 Annual**, 1991 **The Video Source Book** David J.
