Hollywood Husband X:

Hollywood's America Steven Mintz, Randy W. Roberts, David Welby, 2016-03-07 Fully revised updated and extended the fifth edition of Hollywood's America provides an important compilation of interpretive essays and primary documents that allows students to read films as cultural artifacts within the contexts of actual past events A new edition of this classic textbook which ties movies into the broader narrative of US and film history This fifth edition contains nine new chapters with a greater overall emphasis on recent film history and new primary source documents which are unavailable online Entries range from the first experiments with motion pictures all the way to the present day Well organized within a chronological framework with thematic treatments to provide a valuable resource for students of the history of American film

Hollywood's Dark History Matt MacNabb, 2020-01-10 Thirteen sensational tales of sex lies violence and murder from the early decades of Hollywood The dawning of the nineteenth century brought with it a new era for entertainment Vaudeville was the preferred form of entertainment until the popularization of the silent film This new medium proved to be a draw for many of the stars of the Vaudevillian stage and soon they migrated to the exciting possibilities that the movies had to offer Audiences were instantly captivated by the stars of the silent screen The early days of Hollywood were full of glamour and a newfound decadence The stars in these films were catapulted to fame and fortune and the spotlight of the public eye But the real people behind the glamour were far different from the characters that audiences knew and loved and much like Hollywood today the lives of the stars were often full of scandal and debauchery This book examines the forgotten scandals of Hollywood's early years featuring silent and silver screen stars like Jean Harlow Mae West Mary Pickford Charlie Chaplin and Errol Flynn Don't let the romanticized black and white world of yesterday fool you Their stories are rife with sex drugs and murder

Real Sister Jervette R. Ward, 2015-11-02 From The Real Housewives of Atlanta to Flavor of Love reality shows with predominantly black casts have often been criticized for their negative representation of African American women as loud angry and violent Yet even as these programs appear to be rehashing old stereotypes of black women the critiques of them are arguably problematic in their own way as the notion of respectability has historically been used to police black women's behaviors The first book of scholarship devoted to the issue of how black women are depicted on reality television Real Sister offers an even handed consideration of the genre The book's ten contributors black female scholars from a variety of disciplines provide a wide range of perspectives while considering everything from Basketball Wives to Say Yes to the Dress As regular viewers of reality television these scholars are able to note ways in which the genre presents positive images of black womanhood even as they catalog a litany of stereotypes about race class and gender that it tends to reinforce Rather than simply dismissing reality television as trash this collection takes the genre seriously as an important touchstone in ongoing cultural debates about what constitutes trashiness and respectability Written in an accessible style that will appeal to reality TV fans both inside and outside of academia Real Sister thus seeks to inspire a more nuanced

thoughtful conversation about the genre's representations and their effects on the black community *Hollywood Death and Scandal Sites* E.J. Fleming, 2015-09-30 For more than a century people have been drawn to sites of tragedy involving the rich beautiful and notorious of Hollywood Tourists at the center of the movie universe flock to Rudolph Valentino's grave the house where Marilyn Monroe died the O.J. murders condo the hotel where John Belushi overdosed a myriad of haunted mansions In its extensively researched and enlarged second edition this book tells the stories of these locations and makes finding them simple Seventeen driving tours include more than 650 sites Each tour covers a specific area from Hollywood and the Sunset Strip to Brentwood and Malibu covering the entire Los Angeles basin Concise easy to follow directions are given to each location with 145 photos and the fascinating story behind each stop **The Expert's Guide to Surviving**

Hollywood's Monstrous Moms Kassia Krone, 2024-04-22 From Carrie and Rosemary's Baby to Us Hereditary and Run the image of the mentally ill mom as villain looms large in the horror genre What do these movies communicate about mothers living with mental illness and how do these depictions affect them Portraying mentally ill moms as problems to be overcome often by their own children perpetuates harmful stereotypes with potential real world consequences such as the belief that these women are unfit to bear or raise children More compassionate representations are needed to lessen the social stigma associated with the mentally ill Fortunately some of the contemporary horror films are attempting to achieve that task with critical success Using case studies from a broad range of films including the classic campy slasher or prestige and placing them within their historical context this work extends conversations about horror and mental illness such as post partum depression bulimia Munchausen by proxy syndrome and others Highlighting the trope of the mentally ill mother as a pervasive image within the genre furthers examination of how these films challenge or reflect existing stereotypes and illustrates how horror can be both a site of oppression and a source for positive transformation **Motion Picture Story**
