## Hollywood East:

**Bulletin**, 1916      *Motion Picture Paradise* David Morton, 2024-07-30 Highlighting Florida's essential often overlooked role in shaping American film and television *Motion Picture Paradise* is a sweeping story of filmmaking in Florida featuring the activities of studios and filmmakers across the peninsula by looking at the many iconic films and television shows shot in the state In the early years of the American film industry Florida was a favorite location for pioneer movie makers and David Morton chronicles the state's importance to producers throughout the next 125 years Often overshadowed by the well known entertainment industries of Hollywood and New York Florida has over time had several major film production centers Morton follows the rise and fall of filmmaking destinations across the state including Jacksonville St Augustine Tampa Bay Orlando and Miami as well as pioneering underwater and location based films shot at Florida's unique natural springs He argues that conflicting policies set by Florida politicians have at various times enticed or pushed away movie and television companies a pattern that has hampered serious investment Using a wealth of source materials Morton offers a comprehensive history that demonstrates how films and television shows made in Florida have influenced the state's sense of identity drawing attention to Florida's underacknowledged role as the third coast in American film history *Motion Picture Paradise* adds new insights into the state's dramatic social and economic transformations during the twentieth century      Hollywood East Diana Altman, 1992 *Hollywood East* tells the story of how the movies evolved as a business a business controlled from the Eastern seaboard Many of the photographs in the book are from the one of a kind collection of the author's father      *Oil and Gas Fields of the Carnegie Quadrangle, Pennsylvania* Malcolm John Munn, 1911      **Producing** Mark Lynn Anderson, 2016-01-14 Of all the job titles listed in the opening and closing screen credits producer is certainly the most amorphous There are businessmen and women producers writer director and movie star producers producers who work for the studio executive producers whose reputation and industry clout alone gets a project financed though their day to day participation in the project may be negligible The job title regardless of the actual work involved warrants a great deal of prestige in the film business it is the credited producers after all who collect the Oscar for Best Picture But what producers do and what they don't or won't do varies from project to project *Producing* is the first book to provide a comprehensive overview of the roles that producers have played in Hollywood from the dawn of the twentieth century to the present day It introduces readers to the colorful figures who helped to define and reimagine the producer's role including inventors like Thomas Edison moguls like Darryl F Zanuck entrepreneurs like Walt Disney and mavericks like Roger Corman Readers also get an inside look at the less glamorous jobs producers have often performed shepherding projects through many years of development securing financial backers and supervising movie shoots The latest book in the acclaimed *Behind the Silver Screen* series *Producing* includes essays written by seven film scholars each an expert in a different period of cinema history Together they give readers a full picture of how the art and business of producing films has changed over time and how the producer's myriad

job duties continue to evolve in the digital era      **The Fixers** E.J. Fleming,2015-01-28 Eddie Mannix and Howard Strickling are virtually unknown outside of Hollywood and little remembered even there but as General Manager and Head of Publicity for Metro Goldwyn Mayer Studios they lorded over all the stars in Hollywood s golden age from the 1920s through the 1940s including legends like Garbo Dietrich Gable and Garland When MGM stars found themselves in trouble it was Eddie and Howard who took care of them solved their problems hid their crimes and kept their secrets They were the Fixers At a time when image meant everything and the stars were worth millions to the studios that owned them Mannix and Strickling were the most important men at MGM Through a complex web of contacts in every arena from reporters and doctors to corrupt police and district attorneys they covered up some of the most notorious crimes and scandals in Hollywood history keeping stars out of jail and more importantly their names out of the papers They handled problems as diverse as the murder of Paul Bern husband of MGM s biggest star Jean Harlow the studio directed drug addictions of Judy Garland the murder of Ted Healy creator of The Three Stooges at the hands of Wallace Beery and arranging for an unmarried Loretta Young to adopt her own child a child fathered by a married Clark Gable Through exhaustive research and interviews with contemporaries this is the never before told story of Eddie Mannix and Howard Strickling The dual biography describes how a mob related New Jersey laborer and the quiet son of a grocer became the most powerful men at the biggest studio in the world
