Hollywood Gets Married:

Hollywood Gets Married Sandy Schreier, 2002 A pictorial history of Hollywood weddings featuring hundreds of photographs of movie weddings as well as the real life weddings of movie stars each with an informative caption **I Ain't Much to Look At...But My Wife Is!** Arnold E. Harner, 2009-06-12 Marriage Best Friends Battles Phases of Love Biology and Parenting get all this right and you'll have the perfect marriage right Come on Don't be an idiot No one can give you the perfect recipe for getting a marriage just right We are all different with different upbringing attitudes wants desires needs and baggage Although making a marriage work isn't rocket science it does require a good amount of common sense and a great amount of selflessness It means at times giving more love than you get and being ok with that It means being devoted to that special woman as long as you both shall live It also means using your head for something more than a hat rack and making good sensible decisions Be the strong loving husband and father your wife desires and deserves Marriage is an ever evolving dance No man and no secular book will have all the answers you're looking for but this collection of life experiences and relationship research is one great place to start Hollywood's Second Sex Aubrey Malone, 2015-04-24 Women stars in Hollywood were invariably in two categories said director Otto Preminger One group was of women who were exploited by men and the other much smaller group was of women who survived by acting like men Beginning with silent film vamp Theda Bara and continuing with icons like Greta Garbo Marilyn Monroe and Raquel Welch this study of film industry misogyny describes how female stars were maltreated by a sexist studio system until women like Katharine Hepburn and Bette Davis fought for parity The careers of Doris Day Brigitte Bardot Carole Landis Frances Farmer Dorothy Dandridge Inger Stevens and many others are examined along with more recent actresses like Demi Moore and Sharon Stone Women who worked behind the scenes writing screenplays producing and directing without due credit are also covered *The New Woman's Film* Hilary Radner, 2017-01-20 With the chick flick arguably in decline film scholars may well ask what has become of the woman's film Little attention has been paid to the proliferation of films often from the independent sector that do not sit comfortably in either the category of popular culture or that of high art films that are perhaps the corollary of the middle brow novel or smart chick flicks This book seeks to fill this void by focusing on the steady stream of films about and for women that emerge out of independent American and European cinema and that are designed to address an international female audience The new woman's film as a genre includes narratives with strong ties to the woman's film of classical Hollywood while constituting a new distinctive cycle of female centered films that in many ways continue the project of second wave feminism albeit in a modified form Topics addressed include *The Bridges of Madison County* Clint Eastwood 1995 the feature length films of Nicole Holofcener 1996 2013 the film roles of Tilda Swinton Rachel Getting Married Jonathan Demme 2008 *Blue Jasmine* Woody Allen 2013 Frances Ha Noah Baumbach 2012 *Belle Amma Asante* 2013 *Fifty Shades of Grey* Sam Taylor Johnson 2015 and Jane Campion's *Top of the Lake* Sundance Channel 2013 So, You Want to
