The action heroine has never been more popular than she is today with the likes of The Hunger Games 2012, Mad Max: Fury Road 2015, and Wonder Woman 2017 granting her a newfound prominence in Hollywood filmmaking. When most knowledgeable action fans think of the action heroine historically, however, they tend to do so through the prism of her most iconic characters: Emma Peel in the 1960s, Lynda Carter's Wonder Woman in the 1970s, Ripley and Sarah Connor in the 1980s, Xena: Warrior Princess and Buffy the Vampire Slayer in the 1990s, and of course the likes of Hermione Granger, Katniss Everdeen, Imperator Furiosa, and Princess Diana in modern times. Yet the action heroine's epic journey goes back much further than this. Indeed, it has its origins in the earliest days of cinema amongst the serial queens of the early silent era and the fleeting cowgirls, swordswomen, and jungle girls of Hollywood's Golden Age in the 1930s, 1940s, and 1950s. This book is about that epic journey. It traces the action heroine's century-long struggle for legitimacy and respect, beginning with the silent era serial *The Perils of Pauline* (1914) and ending with the big budget action blockbusters of today. This book asks why the action heroine's path towards acceptability on mainstream film and television has proven such a long and tortuous one, why she is so hated by a vocal minority of male action fans, and how she has overcome the conservatism of the Hollywood system to at last forge a reputation for herself as a genuinely viable protagonist on both the big and small screens.

Malone, 2015-04-24. Women stars in Hollywood were invariably in two categories, said director Otto Preminger. One group was of women who were exploited by men, and the other, much smaller group, was of women who survived by acting like men. Beginning with silent film vamp Theda Bara and continuing with icons like Greta Garbo, Marilyn Monroe, and Raquel Welch, this study of film industry misogyny describes how female stars were maltreated by a sexist studio system until women like

Katharine Hepburn and Bette Davis fought for parity The careers of Doris Day Brigitte Bardot Carole Landis Frances Farmer Dorothy Dandridge Inger Stevens and many others are examined along with more recent actresses like Demi Moore and Sharon Stone Women who worked behind the scenes writing screenplays producing and directing without due credit are also covered
