Hollywoods Children:

Children of Hollywood Michelle Vogel, 2005-04-13 Living in the shadow of a famous parent can have powerful effects from professional opportunities to pressure so great it leads to suicide Some children of stars are proud of their roots while others live in secrecy This is a rare look into the private lives of the children and in a few cases grandchildren of these classic Hollywood icons revealing the stresses and inspirations of living with great performers who may or may not have been great parents Some movie stars protected their offspring but others used them as publicity props or even made them into rivals Despite their unusual upbringing some of the children succeeded in the movies or elsewhere but many never lived up to the public expectations Many lost their parents whether to the extremes of the celebrity lifestyle to divorce or to their careers From the beautiful bedtime stories Harpo Marx and his wife told their four adopted children to explain where they d come from to the studded belt Bing Crosby used to punish his sons for not obeying the strict family rules this work tells the best and worst of growing up in a celebrity home Families covered include those of W C Fields the Marx Brothers Eddie Cantor Mario Lanza Ruth Hussey Jerry Lewis Douglas Fairbanks and Boris Karloff Research is drawn from interviews with celebrity offspring who also provided never before published snapshots of Hollywood legends at home **Children of Hollywood**

Valdivia,2022-08-23 From ads for Victoria s Secret to the character roles of Rosie Perez the mass media have been defining race and femininity In this diverse set of essays Angharad N Valdivia breaks theoretical and methodological boundaries by exploring the relationship of the media to various audiences Throughout *A Latina in the Land of Hollywood* we are challenged to think differently about the media messages we often unconsciously consume such as the popular representations of certain Latina cultural icons Valdivia shows how reporters focus on Guatemalan activist Rigoberta Mench s big smile Brazilian media magnate Xuxa s blonde hair and Puerto Rican actress Rosie Perez s high pitched voice never quite creating a comprehensive portrayal of these women In her discussion of lingerie catalogs Valdivia uncovers a similarly skewed depiction The lush high class bedrooms of Victoria s Secret differ as much from the earthy spare world of Frederick s of Hollywood as the types sizes and

uses of the lingerie that the two companies sell Valdivia takes a look at family films arguing that single mothers are almost always portrayed as either trampy floozies or sexless hapless women whereas single dads fare much better Whether examining one teenager's likes and dislikes or considering single parenthood in family films Valdivia investigates how popular culture has become the arena in which we struggle to know ourselves and to make ourselves known She calls for scholars to move beyond investigating implicit themes in films and media to studying the ways that audiences of different colors ages genders and sexual preferences might understand or misunderstand such cultural messages *A Latina in the Land of Hollywood* aims to explode traditional discussions of media and popular culture It is a must read for anyone interested in popular culture television and film
