Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the

secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions Improve Your Marriage By Improving Your Focus Dr. Mark Avery Reed, Dr Mark Avery Reed's book Improve Your Marriage By Improving Your Focus shows that God s intent is for our marriage to be happy and mutually enriching as we start emphasizing what we are receiving from our spouse and learn to increase simple marriage building behaviors As we improve our ability to see ourselves our spouse and our marriage as the Lord does we focus less on problems and express greater gratitude to each other We become happier In Improve Your Marriage By Improving Your Focus we learn that a healthy happy marriage requires two people who have decent mental health Hence chapter 1 explains the key characteristics of mental and spiritual health Sadly this topic is seldom addressed at length in books on how to have a good marriage Dr Reed offers many surprising and very helpful insights on such matters as appropriate self disclosure romance intimacy proper expectations physical affection sex and the real nature of both agape and erotic love The seldom mentioned but important subject of how to hear from God for our marriage is also discussed with practical ideas which can be applied to any area of our life Other topic areas with valuable input include how to listen effectively dealing with conflict without emphasizing our problems building hope and optimism for our marriage strengthening commitment and how to focus on what is positive Improve Your Marriage By Improving Your Focus also points out Forty ways we can improve our self image since someone with a poor self image will find ways to avoid deep intimacy lest they be rejected Fifty five Bible verses which indicate we should focus on what is positive The biblical difference between justified and unjustified complaining and how unjustified griping greatly harms our marriage This book provides practical help by which most any two people with decent mental health can move their marriage from unsatisfying to at least satisfying or from good to even better **F.A.D.N.A.
