Holy Clues Stephen Kendrick, 2007-12-18 If God is the greatest mystery of them all then why not in pursuit of God consult the greatest detective of them all In this imaginative and surprisingly profound book Stephen Kendrick reveals Sherlock Holmes as spiritual guide Drawing on the teachings of Christianity Buddhism and Judaism as well as a host of thinkers as varied as Albert Einstein Gandhi and Vincent van Gogh Kendrick explores the stories of Sherlock Holmes and finds remarkably prescient religious insights He shows us the link between careful observation of clues and the Buddhist concept of Bare Attention He illuminates the parallel between the great sleuth s pursuit of justice and God s actions on the scene of the first murder when Cain slew Abel And in the detective s open engaged mind Kendrick finds a model for uniting the principles of science with a sincere spiritual quest The result is a book of inspiration for the modern skeptical searcher and an entertaining work that sheds new light on the methods of the world s greatest detective *The Living Church* ,2000-07

The Holy Spirit and the Church Catechist Guide Susan Stark, 2009-02 This faith formation program introduces young Catholic adolescents to Jesus Christ in a new way and inspires them to follow him Fostering the faith of young adolescents involves helping them to make connections between the Catholic faith and everyday life **The Holy Place** Henry Lincoln, 2012-08 From the coauthor of *Holy Blood Holy Grail* a basis for *The Da Vinci Code* comes a deeper exploration of the secrets of Rennes le Chateau In 1982 Henry Lincoln along with colleagues Michael Baigent and Richard Leigh published *Holy Blood Holy Grail* which became an immediate international bestseller It investigated Rennes le Chateau a small town in France where in the late nineteenth century Benger Sauniere s discovery of a series of parchments led in turn to a large but cursed treasure that challenged many traditional Christian beliefs including the possibility that Jesus s bloodline still exists The treasure s story moved back through history to the Crusades the origins of the Knights Templar and the Virgin Birth itself While Baigent and Leigh have moved on to different subjects Lincoln has continued to pursue the mysteries of Rennes le Chateau Dan Brown s international bestseller *The Da Vinci Code* based on *Holy Blood Holy Grail* reignited curiosity about this ancient powerful town In *The Holy Place* Lincoln reveals through further surveys decoding and analysis that this area in southwest France is the site of a vast megalithic Christian masterpiece a holy place of enormous size and importance **The Wandering Holy Man** ,2020-06-09 Barsauma was a fifth century Syrian ascetic archimandrite and leader of monks notorious for his extreme asceticism and violent anti Jewish campaigns across the Holy Land Although Barsauma was a powerful and revered figure in the Eastern church modern scholarship has widely dismissed him as a thug of peripheral interest Until now only the most salacious bits of the Life of Barsauma a fascinating collection of miracles that Barsauma undertook across the Near East had been translated This pioneering study includes the first full translation of the Life and a series of studies by scholars employing a range of methods to illuminate the text from different angles and contexts This is the authoritative source on this influential figure in the history of the church and his life travels and relations with other

religious groups Holy Women, Wholly Women Elaine J. Lawless,2016-11-11 Lawless collects and interprets the stories of ten women ministers and examines their public and private lives their ministries their images of God and their negotiations of sexuality and the religious life Knight of the Holy Ghost Dale Ahlquist,2019-11-20 Who was Gilbert Keith Chesterton A rotund man in a cape brandishing a walking stick Certainly A twentieth century writer Prolifically A great champion and defender of the Christian Faith Gallantly He is known too as the prince of paradox and an apostle of common sense Chesterton has lately been enjoying a resurgence in popularity His name appears on blog posts and news articles alike His name is spoken more often on college campuses and schools around the United States are being named after him Who was this engaging witty prophetic man Allow Dale Ahlquist the president of the American Chesterton Society to introduce you to him In a rollicking adventure quite Chestertonian in flavor Ahlquist captains an expedition of discovery into who this GKC fellow is He deftly and cleverly explores Chesterton as a man as a writer and as a potential saint Those curious about Chesterton will have their initial questions answered Those who might be dubious about Chesterton s reputation will be challenged to reconsider Those who consider Chesterton an old friend will be delighted All will be engaged by amusing anecdotes plentiful quotations and a thoughtful study of the life of G K Chesterton **How Sherlock Pulled the Trick** Brian McCuskey,2021-06-01 A masterful combination of literary study and author biography How Sherlock Pulled the Trick guides us through the parallel careers of two inseparable men Sherlock Holmes and his creator Sir Arthur Conan Doyle Reconsidering Holmes in light of Doyle s well known belief in Victorian spiritualism Brian McCuskey argues that the so called scientific detective follows the same circular logic along the same trail of questionable evidence that led Doyle to the s ance room Holmes s first case A Study in Scarlet was published in 1887 when natural scientists and religious apologists were hotly debating their differences in the London press In this environment Doyle became convinced that spiritualism as a universal faith based on material evidence resolved the conflict between science and religion The character of Holmes with his infallible logic was Doyle s good faith solution to the cultural conflicts of his day Yet this solution has evolved into a new problem Sherlock Holmes now authorizes the pseudoscience that corrupts our public sphere defying logic revising history and promoting conspiracy theories As this book demonstrates wearing a deerstalker does not make you a mastermind more likely it marks you as a crackpot Fascinating and highly readable How Sherlock Pulled the Trick returns the iconic Holmes to his mystical origins **NIV, Investigator's Holy Bible, Hardcover** . Andrew McLeod, 2009-01-01 The first Christians immediately set about creating a social structure based on democratic control of their collective resources which were shared freely While this was a voluntary system it carried great spiritual weight and was a continuation of values that were clearly encouraged in the stories of the Old Testament This style of organizing can also be found in the modern cooperative movement which is made up of thousands of democratically controlled businesses serving millions of members worldwide This movement touches the lives of nearly half of Americans and has grown into a comprehensive economic system in other parts of the world Christians have played key roles in the development of this movement but the theological basis for this participation is not widely understood Holy Cooperation is an examination of what the Bible teaches about social organizing and an exploration of some of the cooperative ways that Christians have worked together Through cooperation we may act as our brothers and sisters keepers while staying true to Jesus's teachings of liberation

Leonardo's Holy Child Fred R Kline, 2016-05-10 Fred Kline is a well known art historian dealer connoisseur and explorer who has made a career of scouring antique stores estate sales and auctions looking for unusual and often misidentified works of art Many of the gems he has found are now in major museum collections like the Frick the Getty and the Metropolitan Museum of Art But this book is about the discovery of one piece in particular About ten years ago when Kline was routinely combing through a Christie's catalog a beautiful little drawing caught his eye Attributed to Carracci it came with a very low estimate but Kline's every instinct told him that the attribution was wrong He placed a bid and the low asking price and bought the drawing outright And that was the beginning of how Kline discovered Leonardo da Vinci's model drawing for the Infant Jesus and the Infant St John It is the first work by da Vinci to have surfaced in over a

century LEONARDO S HOLY CHILD chronicles not only the story of this amazing discovery from Kline s research all over the world to how exactly attributions work with regards to the old masters most of their works are unsigned Kline also sheds light on the idea of connoisseurship an often overlooked facet of art history that s almost Holmesian in its intricacy and specificity

John Warwick Montgomery's Legal Apologetic Ross Clifford,2016-01-22 Dr Montgomery is one of our leading Christian apologists His writings have influenced several generations of apologists from around the globe His debates are legendary This book purports to break new ground apologetically as it assesses Dr Montgomery s work It focuses on his legal historical apo logetic and in the process reframes it for both for the tough minded and the tender hearted It shows not only the rationality of Montgomery s work but also that his writings pave the way for an apologetic to New Age follo wers and to those who place experience before reason A special feature of this analysis concerns Montgomery s apologetic insights on the occult and paganism This book also breaks new ground as the legal apologetic model has not been previously assessed it illustrates that a juridical apologetic style has a rich history dating back to the Gospels themselves The present work should thus be of particular interest to apologists theologians philosophers of religion pastors and all who are concerned to share the legal historical fact of the Resurrection of Jesus together with its relevance in a secular age

The Pastor ,1772 **Sherlock Holmes and Philosophy** Josef Steiff,2011-10-11 This entertaining collection of essays shows that Sherlock Holmes sees things others don t He sees the

world in a different way and by so doing allows us to see that same world and human behavior in different ways as well Oh sure there have been countless detectives who have followed in his footsteps and who seem to rival his abilities Just turn on the TV or browse the local bookshop and you ll find idiosyncratic super sleuths using forensics and reasoning to solve a whole host of crimes and misdeeds And yet no one rivals our dear dear Holmes Why does Sherlock reign even more than a century later as king Can this mystery be solved Unable to reach either Holmes or Watson or Doyle for that matter though we ve tried every medium we can think of we ve been forced to gather our own team of investigators to practice their powers of observation and perception to apply their own reasoning and methodologies to the task at hand The results I fear have led us to a number of cases that must be solved first Is Holmes simply eccentric or a sociopath Is he human or something from the holodeck Is he as dangerous on the page as he is in person Wait does he even exist For that matter do you I fear several investigators have been forced to take a much needed holiday after wrestling with that one What is the source of his faculty of observation and facility for deduction Systematic training as Watson surmises Genetic Or is he just really lucky And is this whole logic thing compatible with emotions Are Holmes and Watson good friends or soul mates Just what is the nature of friendship Do they complete each other or just get on each other s nerves And why all the secrecy Disguises Deceptions The plot thickens What is the essence of consciousness Is the observable world subject to our intentions Why does Holmes debunk mysticism when Doyle so readily embraces it Why is Holmes our favorite drug user Our notebooks are filled with clues and dare I say answers Is there more than one way to define the concept justice Is hope necessary in the world Is boredom Play Can any thing really be understood Objectively And just what is the last unresolved mystery involving Sherlock Holmes The game that s afoot isn t just the thing being pursued but the fun to be had as well
