Holy Grail, Holy Grail: Quest East, Quest West Gary Corseri, 2001-10-31 Set in King Arthurs Britain medieval Japan and modern Atlanta Holy Grail Holy Grail Quest East Quest West is a rich blend of fantasy adventure historical romance and swords and sorcery a transformative myth for our times Suppose all the legends of the Holy Grail were smoke screens to draw attention from the Grails real meaning Suppose its message of male and female reconciliation could only be grasped by our own age Not only that but suppose the true Grail was lost not in Glastonbury not in Avalon but in the East and its recovery required the interaction of Merlin s magic Japanese shamans and warriors trained in Sun Tzu s Art of War Youve heard only Galahad was pure enough to see the Grail Nonsense Only Lancelot near forty still guilt ridden over his affair with Guenevere has the gut wrenching need for redemption Diamonds are created under enormous pressure over eons so are shamans Where is this true Grail anyway Through a series of accidents it has traveled from the Holy Land over the Silk Road through China across the Sea of Japan to become one of the sacred treasures of 5th Century Yamato Japan Accompanied by his page Wee Willie Lance is transported by Merlin to the ancient kingdom of pomp magic and barbarism A Japanese shaman warrior agrees to help Lance capture the Grail if Lance will help him adjust the course of history Lance and Willie are enmeshed in the assassination of the giggling sadistic boy Emperor The only escape is through time The two travelers are reconfigured in the Golden Age of 10th century Japan where Lance falls passionately in love with Sagami He would linger in this idyll listening to the rustle of Sagamis silk kimonos but Hes blinded by the Blue Man the assassinated boy Emperors time traveling angel of death Through the shamans magic Lance and Willie are transported again to the last days of Heian Japan a time of warrior shoguns Two great families squeeze the nation in a vise Willie now a handsome young man in his twenties distinguishes himself in love and war changing the outcome of a famous battle The debt to the shaman should be paid But history has other plans Or at least the Kami do Spirit beings who inhabit the winds sparks of good and evil that fire the forge in the shaman s workshop the Kami shape history in ways even the shaman cannot comprehend Blind maddened with fury pain and shame Lance is transported again to modern Atlanta It s springtime the dogwoods are blooming and the world is about to plunge into a millennial orgy of madness and self destruction Only Lance can save civilization The problem is Lance is now a homeless hopeless amnesiac working as a mud wrestler at the Renaissance Fair and the Blue Man now transformed into a Yakuza thug is obsessed with killing him Nubile clueless vulnerable Lorrie latches onto Lance drags him to a public session of life regressionists and poof epiphany our hero recalls his quest A charismatic leviathan buttocked TV hostess helps a mysterious black quilting lady helps Digesting the lessons of 2000 years of Western and Eastern thought only Lance can get the spiritual chiropractic just right Only a climactic battle between good and evil magic can restore the balance of the world Only the one who masters the Self can possess the wisdom of the Grail Poems Mary Trimble Reiley, 2024-02-07 Reprint of the original first published in 1878 **In Search of the Holy Grail and the Precious Blood**

Deike Begg, Ean Begg, 2008-03 **THE HOLY GRAIL IS ONE** of the most powerful myths in Western Culture At the centre of this myth is the story of the chalice containing the Holy Blood of Christ shed when Longinus pierced his side at the crucifixion The search for the Grail has inspired artists and mystics for hundreds of years Many churches and cathedrals were built on sites that claimed their part in this sacred mystery **IMBUED WITH THE SPIRIT OF** the ancient quest and aware of its power as an antidote to our modern spiritual malaise Ean and Deike Begg travelled throughout Europe researching sites of the Holy Grail the Precious Blood and their associated myths This book is an illustrated account of their search and a practical informative guidebook for travellers and seekers It is full of fascinating information such as the name of the Spanish cathedral that holds the cup of the Last Supper the story of how a fig tree carried the Precious Blood to France and the secrets of the Grail castles of Germany I believe that Ean and Deike Begg have done something of great importance in exploring the myth of the Holy Grail that played such a vital part in the depths of Jung's spirit and in re-establishing how now it is still one of the most dynamic elements in the search of the lost and bewildered modern soul for wholeness Sir Laurens van der Post Deike and Ean Begg have revitalized the idea of pilgrimage Michael Baigent An exemplary and vividly written guide to the many strange and beautiful sites associated with the Grail quest throughout Europe Count Nikolai Tolstoy

Consciousness Studies K. Ramakrishna Rao, 2005-03-17 Consciousness is perplexing too familiar and intimate to ignore too complex and elusive to understand Although consciousness is embedded in all our experience and is considered basic to all our knowing no one seems to know what exactly it is and the concept is both widely used and much abused For the better part of the twentieth century the study of consciousness was viewed as unworthy of scholarly and scientific pursuit Research has consequently suffered This cross cultural examination first explores the varieties of conscious experience and reflects on the attempts to understand and explain consciousness in the Western scholarly and scientific tradition The next section deals with Eastern spiritual traditions and how they differ with and complement the Western viewpoints In the final chapters the author reconciles the two

traditions for a comprehensive understanding of what consciousness is and considers how such an understanding may be helpful for a cross cultural assessment of behavior as well as for enhancing human abilities and wellness **Divine**

Contact-Discovery of The Original New Testament Rev. David Bauscher,2007-07-26 This book documents an incredible phenomenon in The Peshitta New Testament which was written in the language of Jesus and his countrymen of 1st century Israel Aramaic was used in Mel Gibson s film The Passion of the Christ to make the film as realistic and accurate as possible This discovery of long Gospel messages in the form of Bible Codes will surprise and thrill the reader with the power and inspiration of the words of the Codemaker God Long codes an exhaustive search for Divine Name codes give very compelling evidence that The Aramaic Peshitta NT is the Divinely authored original behind the Greek NT The codes and nine other comprehensive analyses take up 124 pages Black and white graphics are used throughout the book with many illustrations of codes in large Hebrew letters with English translations graphs charts and art work B W paper **The Arc of a Covenant**

Walter Russell Mead,2023-10-03 A NEW YORK TIMES BEST BOOK OF THE YEAR A groundbreaking work that overturns the conventional understanding of the Israeli American relationship and in doing so explores how fundamental debates about American identity drive our country s foreign policy A sweeping and masterfully told history The New York Times In this bold examination of the Israeli American relationship Walter Russell Mead demolishes the myths that both pro Zionists and anti Zionists have fostered over the years He makes clear that Zionism has always been a divisive subject in the American Jewish community and that American Christians have often been the most fervent supporters of a Jewish state citing examples from the time of J P Morgan and John D Rockefeller to the present day He spotlights the almost forgotten story of left wing support for Zionism arguing that Eleanor Roosevelt and liberal New Dealers had more influence on President Truman s Israel policy than the American Jewish community and that Stalin s influence was more decisive than Truman s in Israel s struggle for independence Mead shows how Israel s rise in the Middle East helped kindle both the modern evangelical movement and the Sunbelt coalition that carried Reagan into the White House Highlighting the real sources of Israel s support across the American political spectrum he debunks the legend of the so called Israel lobby And he describes the aspects of American culture that make it hostile to anti Semitism and warns about the danger to that tradition of tolerance as our current culture wars heat up With original analysis and in lively prose Mead illuminates the American Israeli relationship how it affects contemporary politics and how it will influence the future of both that relationship and American life Literary Geography

Lynn M. Houston,2019-08-02 This reference investigates the role of landscape in popular works and in doing so explores the time in which they were written Literary Geography An Encyclopedia of Real and Imagined Settings is an authoritative guide for students teachers and avid readers who seek to understand the importance of setting in interpreting works of literature including poetry By examining how authors and poets shaped their literary landscapes in such works as The Great Gatsby and Nineteen Eighty Four readers will discover historical political and cultural context hidden within the words of their

favorite reads The alphabetically arranged entries provide easy access to analysis of some of the most well known and frequently assigned pieces of literature and poetry Entries begin with a brief introduction to the featured piece of literature and then answer the questions How is literary landscape used to shape the story How is the literary landscape imbued with the geographical political cultural and historical context of the author s contemporary world whether purposeful or not Pop up boxes provide quotes about literary landscapes throughout the book and an appendix takes a brief look at the places writers congregated and that inspired them A comprehensive scholarly bibliography of secondary sources pertaining to mapping physical and cultural geography ecocriticism and the role of nature in literature rounds out the work

Books and Beyond Kenneth Womack, 2008-10-30 There s a strong interest in reading for pleasure or self improvement in America as shown by the popularity of Harry Potter and book clubs including Oprah Winfrey s Although recent government reports show a decline in recreational reading the same reports show a strong correlation between interest in reading and academic achievement This set provides a snapshot of the current state of popular American literature including various types and genres The volume presents alphabetically arranged entries on more than 70 diverse literary categories such as cyberpunk fantasy literature flash fiction GLBTQ literature graphic novels manga and anime and zines Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre s reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Reading in America for pleasure and knowledge continues to be popular even while other media compete for attention While students continue to read many of the standard classics new genres have emerged These have captured the attention of general readers and are also playing a critical role in the language arts classroom This book maps the state of popular literature and reading in America today including the growth of new genres such as cyberpunk zines flash fiction GLBTQ literature and other topics Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre s critical reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Students will find this book a valuable guide to what they re reading today and will appreciate its illumination of popular culture and contemporary social issues

Traveling India in the Age of Gandhi Jeffrey N. Dupée, 2008-04-15 *Traveling India in the Age of Gandhi* is a study of armchair travel writers who journeyed to India during what has often been termed the Age of Gandhi placed between 1914 1948 Most of the travel writers surveyed understood

this era to be a unique time in world history in India and elsewhere on the globe The lingering trauma of World War I the rise of radical state ideologies in Russia Italy Japan and Germany world wide depression in the 1930s along with a host of other unsettling political cultural and technological realities revealed a world of bewildering complexity and uncertainty For many of the travel writers surveyed in this work India was the main drama in a shifting global landscape Moreover many viewed it as the ultimate travel experience a journey that tested one s capacity to fully engage the earth s most compelling forms of human diversity and suffering Although a few notable figures are included most of the authors in the study constitute a breed of largely forgotten travel writers This work is an attempt to extract the core of their observations impressions and conclusions concerning what they saw and experienced particularly concerning Indian aspirations for independence and India as the world s most exotic human landscape **Utopian Thought in the Western World** Frank Edward

MANUEL,Fritzie Prigohzy Manuel, Frank Edward Manuel,2009-06-30 The authors have structured five centuries of utopian invention by identifying successive constellations groups of thinkers joined by common social and moral concerns Within this framework they analyze individual writings in the context of the author s life and of the socio economic religious and political exigencies of his time Acupuncture and Beyond: Integrating Eastern and Western Medicine MEI LIN ZHANG.,2023-01-01
