Holy In Comparative Perspective:

The Holy Book in Comparative Perspective Frederick Mathewson Denny, Rodney Leon Taylor, 1985 Ten noted religious studies scholars examine the sacred scriptures of Hinduism Buddhism Confucianism Taoism Islam Zoroastrianism Christianity and Mormonism to produce an authoritative comprehensive survey of the words that shape the world's major religions The book concentrates on the origins forms and functions of scriptures in religious life This volume also includes a thought provoking chapter on the transmission of sacred traditions among nonliterate populations and rebuttal of the widespread elevation of literate traditions over primitive traditions BACK COVER Holiness Hannah K.

Harrington, 2002-08-26 In this in depth exploration of holiness in the context of rabbinic Judaism Hannah K Harrington places the rabbinic concept of holiness alongside other notions of the sacred in the Graeco Roman world Holistic and yet detailed this volume provides a much needed comparative view of this subject during a key period in the development of the Jewish religion The Holy Alliance Isaac Nakhimovsky, 2024-05-28 A major new account of the post Napoleonic Holy Alliance and the promise it held for liberals The Holy Alliance is now most familiar as a label for conspiratorial reaction In this book Isaac Nakhimovsky reveals the Enlightenment origins of this post Napoleonic initiative explaining why it was embraced at first by many contemporary liberals as the birth of a federal Europe and the dawning of a peaceful and prosperous age of global progress Examining how the Holy Alliance could figure as both an idea of progress and an emblem of reaction Nakhimovsky offers a novel vantage point on the history of federative alternatives to the nation state The result is a clearer understanding of the recurring appeal of such alternatives and the reasons why the politics of federation has also come to be associated with entrenched resistance to liberalism's emancipatory aims Nakhimovsky connects the history of the Holy Alliance with the better known transatlantic history of eighteenth century constitutionalism and nineteenth century efforts to abolish slavery and war He also shows how the Holy Alliance was integrated into a variety of liberal narratives of progress From the League of Nations to the Cold War historical analogies to the Holy Alliance continued to be drawn throughout the twentieth century and Nakhimovsky maps how some of the fundamental political problems raised by the Holy Alliance have continued to reappear in new forms under new circumstances Time will tell whether current assessments of contemporary federal systems seem less implausible to future generations than initial liberal expectations of the Holy Alliance do to us today **Holy War**

in Judaism Reuven Firestone, 2012-07-02 Holy war sanctioned or even commanded by God is a common and recurring theme in the Hebrew Bible Rabbinic Judaism however largely avoided discussion of holy war in the Talmud and related literatures for the simple reason that it became dangerous and self destructive Reuven Firestone's Holy War in Judaism is the first book to consider how the concept of holy war disappeared from Jewish thought for almost 2000 years only to reemerge with renewed vigor in modern times The revival of the holy war idea occurred with the rise of Zionism As the necessity of organized Jewish engagement in military actions developed Orthodox Jews faced a dilemma There was great need for all to

engage in combat for the survival of the infant state of Israel but the Talmudic rabbis had virtually eliminated divine authorization for Jews to fight in Jewish armies. Once the notion of divinely sanctioned warring was revived it became available to Jews who considered that the historical context justified more aggressive forms of warring. Among some Jews divinely authorized war became associated not only with defense but also with a renewed *kibbush* or conquest, a term that became central to the discourse regarding war and peace and the lands conquered by the state of Israel in 1967. By the early 1980s the rhetoric of holy war had entered the general political discourse of modern Israel. In *Holy War in Judaism* Firestone identifies, analyzes, and explains the historical, conceptual, and intellectual processes that revived holy war ideas in modern Judaism.

The Holy Roman Empire and the Ottomans Mehmet Sinan Birdal, 2011-07-30 Charles V's Holy Roman Empire and Suleyman I's Ottoman Empire were the most significant empires of the early modern era. Both rulers exercised global power as the leaders of the universal *res publica Christiana* and *dar es Islam* respectively, both subject to exploits of lavishness, extravagance, and self-indulgence with respect to their demonstrations of power and world dominance. The most obvious example of this was Charles V's crowning as the Holy Roman Emperor by Pope Clement V, which included a procession of 20 cardinals, 400 papal guards, and 300 knights, as well as a commemorative painting by Parmigianino that depicted Charles being handed the globe by the infant Hercules while being crowned with laurel by Fame. The modality of power reflective of aristocratic society and exhibited by both Charles V and Suleyman I is one of many different styles of leadership, and Mehmet Sinan Birdal here explores how these power modalities determine the performance of a state in foreign politics and the emergence of the dominant unit in the state system. This book examines the Habsburgs and Ottomans' transformation from medieval empires with claims of global domination to absolutist nations that recognized the sovereignty of others. In fact, the Austro-Hungarian Empire and Austria's Enlightened Despotism developed from the Holy Roman Empire, while the Ottoman Empire, through modernization and reform, became the present-day Republic of Turkey. Drawing upon the teachings of Habermas and the Frankfurt School, as well as original historical sources, Birdal uses the doctrine of legitimation as the theoretical basis for political authority in *The Holy Roman Empire and the Ottomans*, creating a revisionist work that is an invaluable read for historians, international relations specialists, and political scientists alike.

Contested Holy Places in Israel-Palestine Yitzhak Reiter, 2017-04-07 Religious leaders and political actors often use holy places to rally citizens to protect or liberate national territory as hallowed land. The Holy Land, Palestine, or Eretz Israel is the most obvious case of the process of religionizing ethnic, national, and territorial conflicts. This book analyzes fourteen case studies of conflicts over holy sites in the Holy Land, each representing a particular archetype of conflict. It seeks to understand the many facets of disputes and the triggers for the outbreak of violence in and around such sites. It also analyzes the effectiveness of the conflict mitigation and resolution tools used for dealing with such disputes.

Visions of the Holy Marvin A. Sweeney, 2023-12-01 *Visions of the Holy* is a collection of essays by Marvin A. Sweeney on the study of biblical and postbiblical theology and

literature The volume includes previously published and unpublished essays related to the developing field of Jewish biblical theology historical comparative and reception critical studies and the reading of texts from the Pentateuch Former Prophets Latter Prophets and Ketuvim Additional essays examine Asian biblical theology the understanding of Shabbat intertextuality in Exodus Numbers Samuel Isaiah and the Twelve in intertextual perspective and the democratization of messianism in modern Jewish thought The volume is an excellent resource for scholars students and clergy interested in theological readings of the Hebrew Bible

A Jewish Guide in the Holy Land Jackie Feldman, 2016-04-11 For many Evangelical Christians a trip to the Holy Land is an integral part of practicing their faith Arriving in groups most of these pilgrims are guided by Jewish Israeli tour guides For more than three decades Jackie Feldman born into an Orthodox Jewish family in New York now an Israeli citizen scholar and licensed guide has been leading tours interpreting Biblical landscapes and fielding questions about religion and current politics In this book he draws on pilgrimage and tourism studies his own experiences and interviews with other guides Palestinian drivers and travel agents and Christian pastors to examine the complex interactions through which guides and tourists co produce the Bible Land He uncovers the implicit politics of travel brochures and religious souvenirs Feldman asks what it means when Jewish Israeli guides get caught up in their own performances or participate in Christian rituals and reflects on how his interactions with Christian tourists have changed his understanding of himself and his views of religion

Legal Pluralism in the Holy City Ido Shahar, 2016-03-09 This book provides an unprecedented portrayal of a lively shari'a court in contemporary West Jerusalem which belongs to the Israeli legal system but serves Palestinian residents of the eastern part of the city It draws a rich picture of an intriguing institution operating in an environment marked by legal pluralism and by exceptional political and cultural tensions The book suggests an organizational institutional approach to legal pluralism which examines not only the relations between bodies of law but also the relations between courts of law serving the same population Based on participant observations in the studied court as well as on textual and legal analyses of court cases and rulings the study combines history and ethnography diachronic and synchronic perspectives and examines broad macro political processes as well as micro level interactions The book offers fresh perspectives on the phenomenon of legal pluralism on shari'a law in practice and on Palestinian Israeli relations in the divided city of Jerusalem The work is a valuable resource for academics and researchers working in the areas of Legal Pluralism Islamic Law and socio legal history of the Middle East

Modern Medicine in the Holy Land Yaron Perry, Efraim Lev, 2007-10-24 Modern Medicine in the Holy Land provides an in depth assessment of the pioneering work of British Hospitals in Palestine in the nineteenth century and finds these institutions made great contributions to the modernization of the country The large numbers of Europeans spearheaded by British missionaries who began to visit Palestine and the Levant brought modern medical practices to the region The driving factor for this change was the medical enterprise of the London Mission and the series of hospitals it established This pioneering initiative led to the development of

competition among the Great Powers in Palestine and by the end of the nineteenth century there were scores of medical institutions that were representative of the modern age Using a wide selection of primary sources from both Britain and Israel Perry and Lev bring together for the first time the history of medical service men who fought to improve the health of the inhabitants of the Holy Land under the most difficult conditions of climate and disease *Holy Men and Holy Women* Paul E. Szarmach, 1996-01-01 This is a collection of essays on the literature of saints lives in Anglo Saxon literature *Holy Terrors, Second Edition* Bruce Lincoln, 2010-03-15 It is tempting to regard the perpetrators of the September 11th terrorist attacks as evil incarnate But their motives as Bruce Lincoln s acclaimed *Holy Terrors* makes clear were profoundly and intensely religious Thus what we need after the events of 9 11 Lincoln argues is greater clarity about what we take religion to be *Holy Terrors* begins with a gripping dissection of the instruction manual given to each of the 9 11 hijackers In their evocation of passages from the Quran we learn how the terrorists justified acts of destruction and mass murder in the name of God the most merciful the most compassionate Lincoln then offers a provocative comparison of President Bush s October 7 2001 speech announcing U S military action in Afghanistan alongside the videotaped speech released by Osama bin Laden just a few hours later As Lincoln authoritatively demonstrates a close analysis of the rhetoric used by leaders as different as George W Bush and Osama bin Laden as well as Mohamed Atta and even Jerry Falwell betrays startling similarities These commonalities have considerable implications for our understanding of religion and its interrelationships with politics and culture in a postcolonial world implications that Lincoln draws out with skill and sensitivity With a chapter new to this edition *Theses on Religion and Violence* *Holy Terrors* remains one of the essential books on September 11 and a classic study on the character of religion Modernity has ended twice in its Marxist form in 1989 Berlin and in its liberal form on September 11 2001 In order to understand such major historical changes we need both large scale and focused analyses a combination seldom to be found in one volume But here Bruce Lincoln has given us just such a mix of discrete and large picture analysis Stephen Healey *Christian Century* From time to time there appears a work that serves to focus the wide ranging often contentious discussion of religion s significance within broader cultural dynamics Bruce Lincoln s *Holy Terrors* is one such text Anyone still struggling toward a more nuanced comprehension of 9 11 would do well to spend time with this book Theodore Pulcini *Middle East Journal* **Christian Tourism to the Holy Land** Noga Collins-Kreiner, Nurit Klot, Yoel Mansfeld, Keren Sagi, 2017-05-15 The historic phenomenon of pilgrimage is experiencing a resurgence around the world A journey resulting from religious causes it not only provides a spiritual experience but also one of new environments cultures and peoples and is often undertaken as a guided tour Yet pilgrimage as a mode of tourism has been little investigated This book adds considerably to our knowledge by focusing on one specific pilgrimage voyage that to the Holy Land during times of security crisis there In doing so it examines this tourism journey in relation to constraints and high levels of risk experienced by the pilgrims It explores both the behavioural aspects of undertaking pilgrimage to such an insecure situation and the

impacts of such crisis on the host tourism infrastructure and industry It therefore not only provides insights into pilgrimage as tourism and into this particular country s experience but also offers an integrative approach to tourism crisis management

Holy Mountains Sanjay Desai,AI,2025-02-27 Holy Mountains explores the profound religious and historical significance of mountains across diverse cultures examining why these geological formations are consistently revered as sacred sites Mountains often serve as axis mundi connecting the earthly and divine realms influencing religious rituals and artistic expression It s intriguing how mountains due to their physical grandeur and perceived proximity to the divine have become central to the spiritual lives of millions The book adopts an interdisciplinary approach drawing from religious studies anthropology and geography to understand mountain veneration It progresses from establishing a theoretical framework to examining specific examples like Mount Sinai and Mount Kailash and finally analyzing the broader implications for environmental ethics and interfaith dialogue This study uniquely synthesizes scholarship to offer a comprehensive understanding of sacred landscapes and their cultural heritage

Empire and Holy War in the Mediterranean Phillip Williams,2014-05-12 In the century after 1530 the empires of the Habsburgs of Spain and the Ottoman Turks fought a maritime war that seemed destined to lead nowhere lasting peace was as unlikely as final triumph in part because the salient feature of this conflict was a violent form of piracy practiced by the corsairs of North African and Malta It was fundamentally a war of unequal means since the Habsburgs of Spain had too few good warships and the Ottomans too many bad ones Christendom and Islam engaged in a war fought largely through the exercise of private violence the Hospitaller Knights of Malta and ghazi captains of North Africa succeeded in imposing their crusading ethos on the Mediterranean If a degree of futility loomed over these campaigns it was nevertheless true that the Mediterranean witnessed a sustained conflict which in scale and intensity was far greater than that of any contemporary form of warfare at sea Moreover the sea was never abandoned as until at least 1620 large galley fleets continued to patrol the inland sea The raiding methods employed by Elizabethan seadogs like Sir Francis Drake would certainly not have worked in this theatre of arms as the defences in Italy and North Africa were much more formidable than those of the Atlantic Phillip Williams begins with a detailed examination of the oared warships used in these campaigns He then explores the structures of political and military organization and the role of geography and the environment in shaping the fighting stressing that the Italian territories were of vital significance to the Habsburgs of Spain He considers the cultural and historical outlook of protagonists such as the Habsburg rulers Charles V and Philip II and the Ottoman Sultan S leyman the Magnificent examining the extent to which the dictates of prudence triumphed over ideals of performing the service of God Providing a unique perspective on early modern maritime conflict this book will be essential reading for all students and researchers of Mediterranean History and the early modern world

Sacred Law in the Holy City Judith Mendelsohn Rood,2020-11-09 The Muslim community s political and socio economic role in Jerusalem under Ottoman administration during the 1830s is analyzed in this volume from a natural law

perspective A bitter political contest between Sultan Mahmud II and Muhammad Ali Pasha resulted in the military occupation of Syria and imposition of a brutal new political and legal regime which crushed the indigenous elites of southern Syria Through a careful analysis of the archives of the Islamic law court of Jerusalem the study offers a fresh appraisal of how the Ottoman Empire ruled Jerusalem and considers the Muslim response elucidating the reasons for the breakdown of their relations with non Muslim Ottoman subjects and differentiating the Ottoman understanding of law and government from that of their enemies the Wahhabis

Holy Writ Arie-Jan Kwak,2016-04-22 It has often been remarked that law and religion have much in common One of the most conspicuous elements is that both law and religion frequently refer to a text that has authority over the members of a community In the case of religion this text is deemed to be holy in the case of law some such as the American constitution are widely held as sacred In both examples priests and judges exert a duty to tell the community what the founding document has to say about contemporary problems This therefore involves an element of interpretation of the relevant authoritative texts and this book focuses on such methods of interpretation in the fields of law and religion As its starting point scholars from different disciplines discuss the textualist approach presented here by American Supreme Court Judge and academic scholar Justice Antonin Scalia not only from the perspective of law but also from that of theology The result is a lively discussion which presents a range of diverse perspectives and arguments with regard to interpretation in law and religion

The Great and Holy War Philip Jenkins,2014-06-20 The Great and Holy War offers the first look at how religion created and prolonged the First World War and the lasting impact it had on Christianity and world religions more extensively in the century that followed The war was fought by the world s leading Christian nations who presented the conflict as a holy war A steady stream of patriotic and militaristic rhetoric was served to an unprecedented audience using language that spoke of holy war and crusade of apocalypse and Armageddon But this rhetoric was not mere state propaganda Philip Jenkins reveals how the widespread belief in angels apparitions and the supernatural was a driving force throughout the war and shaped all three of the Abrahamic religions Christianity Judaism and Islam paving the way for modern views of religion and violence The disappointed hopes and moral compromises that followed the war also shaped the political climate of the rest of the century giving rise to such phenomena as Nazism totalitarianism and communism Connecting remarkable incidents and characters from Karl Barth to Carl Jung the Christmas Truce to the Armenian Genocide Jenkins creates a powerful and persuasive narrative that brings together global politics history and spiritual crisis We cannot understand our present religious political and cultural climate without understanding the dramatic changes initiated by the First World War The war created the world s religious map as we know it today

Holy Wars and Holy Alliance Manlio Graziano,2017-04-11 Religions are reemerging in the social political and economic spheres previously occupied and dominated by secular institutions and ideologies In the wake of crises exposing the limits of secular modernity religions have again become significant players in domestic and international politics At the same time the Catholic Church has sought a holy alliance

among the world's faiths to recentralize devout influence an important albeit little noticed evolution in international relations Holy Wars and Holy Alliance explores the nation state's current crisis in order to better understand the religious resurgence's implications for geopolitics Manlio Graziano looks at how the Catholic Church promotes dialogue and action linking world religions and examines how it has used its material financial and institutional strength to gain power and increase its profile in present day international politics Challenging the idea that modernity is tied to progress and secularization Graziano documents the return or the revenge of God in all facets of life He shows that tolerance pluralism democracy and science have not triumphed as once predicted To fully grasp the destabilizing dynamics at work today he argues we must appreciate the nature of religious struggles and political holy wars now unfolding across the international stage

Holy In Comparative Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download Holy In Comparative Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Holy In Comparative Perspective has opened up a world of possibilities. Downloading Holy In Comparative Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Holy In Comparative Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Holy In Comparative Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Holy In Comparative Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Holy In Comparative Perspective, users should also consider the potential security risks associated with online

platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Holy In Comparative Perspective has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Holy In Comparative Perspective Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Holy In Comparative Perspective is one of the best book in our library for free trial. We provide copy of Holy In Comparative Perspective in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Holy In Comparative Perspective. Where to download Holy In Comparative Perspective online for free? Are you looking for Holy In Comparative Perspective PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Holy In Comparative Perspective. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Holy In Comparative Perspective are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free

guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Holy In Comparative Perspective. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Holy In Comparative Perspective To get started finding Holy In Comparative Perspective, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Holy In Comparative Perspective So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Holy In Comparative Perspective. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Holy In Comparative Perspective, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Holy In Comparative Perspective is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Holy In Comparative Perspective is universally compatible with any devices to read.
