#### **Here Bullet:**

Here, Bullet Brian Turner, 2005-11-01 A collection of poems by Brian Turner that were inspired by his experiences as a The Hell of War Comes Home Owen W. Gilman Jr., 2018-02-09 Owen W Gilman Jr stresses the US experience of soldier war in the twenty first century and argues that wherever and whenever there is war there will be imaginative responses to it especially the recent wars in Afghanistan and Iraq Since the trauma of September 11 the experience of Americans at war has been rendered honestly and fully in a wide range of texts creative nonfiction and journalism film poetry and fiction These responses Gilman contends have packed a lot of power and measure up even to World War II s literature and film Like few other books Gilman's volume studies these new texts among them Kevin Powers's debut novel The Yellow Birds and Phil Klay s short stories Redeployment along with the films The Hurt Locker American Sniper and Billy Lynn s Long Halftime Walk For perspective Gilman also looks at some touchstones from the Vietnam War Compared to a few of the big Vietnam books and films this new material has mostly been read and watched by small audiences and generated less discussion Gilman exposes the circumstances in American culture currently preventing literature and film of our recent wars from making a significant impact He contends that Americans inclination to demand distraction limits learning from these compelling responses to war in the past decade According to Gilman where there should be clarity and depth of knowledge we instead face misunderstanding and the anguish endured by veterans betrayed by war and our lack of understanding Air Force ,1944 Vols 41 no 11 v 42 no 5 include Space digest v 1 2 no 5 Nov 1958 May 1959 Air Force ,1944 Myanmar's Rohingya Genocide Ronan Lee, 2021-01-28 The genocide in Myanmar has drawn global attention as Nobel Peace Prize laureate Aung San Suu Kyi appears to be presiding over human rights violations forced migrations and extra judicial killings on an enormous scale This unique study draws on thousands of hours of interviews and testimony from the Rohingya themselves to assess and outline the full scale of the disaster Casting new light on Rohingya identity history and culture this will be an essential contribution to the study of the Rohingya people and to the study of the early stages of genocide This book adds convincingly to the body of evidence that the government of Myanmar has enabled a genocide in Rakhine State and the **Total Mobilization** Roy Scranton, 2019-07-30 Since World War II the story of the trauma hero the surrounding areas noble white man psychologically wounded by his encounter with violence has become omnipresent in America's narratives of war an imaginary solution to the contradictions of American political hegemony In Total Mobilization Roy Scranton cuts through the fog of trauma that obscures World War II uncovering a lost history and reframing the way we talk about war today Considering often overlooked works by James Jones Wallace Stevens Martha Gellhorn and others alongside cartoons and films Scranton investigates the role of the hero in industrial wartime showing how such writers struggled to make sense of problems that continue to plague us today the limits of American power the dangers of political polarization and the conflicts between nationalism and liberalism By turning our attention to the ways we make war meaningful and by excavating the politics implicit within the myth of the traumatized hero Total Mobilization revises the way we understand not only World War II but all of postwar American culture War Without Bodies Martin Danahay, 2022-03-18 Introduction Two photographs Sacrificial bodies Fenton Tennyson and the Charge of the Light Brigade The soldier's body and sites of mourning War games Trauma and the soldier's body Sophie Ristelhueber landscape as body Conclusion Future war without bodies Mummified Deer and Other Plays Luis Valdez, 2005-04-30 For more than twenty years Luis Valdez the most distinguished Latino playwright and director has reserved most of his scripts for live stage productions His two landmark published collections Early Works and Zoot Suit and Other Plays are only a sampling of his early master works and of the later plays that made it to the stage in the 1980s Now Valdez has finally opened his trunk to release print editions of a revised early work and two brand new major dramas Mummified Deer is Valdez's mature exploration of the Yaqui Indian roots of Mexican American culture and Valdez s own family Returning to the format of the tent show Valdez mines maternal psychology and Yaqui mysticism to demand that characters scale the full gamut of emotions In this gut wrenching piece Mama Chu is the dominant imposing figure who must reconcile the present with the past and unify the conflicting histories and identities of her family Mundo Mata is the long awaited drama of unionizing farm workers battling the agribusiness power structure in California while Mexican Americans are being sent off to battle brown skinned enemies in Vietnam Valdez assesses the toll that families have to pay to remain united against divisive forces It all comes down to Reymundo the antihero who in the end must weigh existential and political questions The Shrunken Head of Pancho Villa Valdez s re worked first play still holds all the vision spunk and innovation of the young playwright Injecting black humor into domestic drama disembodied heads talk mothers exchange roles with the patriarch pachucos banter and sell outs become the mouthpieces for an oppressed community all characters and themes that would dominate future plays of Valdez and subsequent Chicano Live Long Day Larry Darter, 2018-12-06 A troubled sixteen year old girl from a dysfunctional family The dark literature world of drugs pimps and
