Harrington,2008 With updated bibliography Copyright page **Sacra Pagina: 1 Peter, Jude and 2 Peter** Donald P. Senior, Daniel J. Harrington,2016-03-16 Crisis in the church is not a new phenomenon In fact the church has always been and probably always will be involved in some kind of crisis Even in the apostolic period which is regarded by many as the church's golden age there were serious crises coming both from the outside as in 1 Peter and from the inside as in Jude and 2 Peter The three short New Testament letters treated in 1 Peter Jude and 2 Peter illustrate the problems early Christians faced as well as the rhetorical techniques and theological concepts with which they combated those problems In the first part of this volume Donald Senior views 1 Peter as written from Rome in Peter's name to several churches in northern Asia Minor present day Turkey in the latter part of the first century C E The new Christians addressed in 1 Peter found themselves aliens and exiles in the wider Greco Roman society and suffered a kind of social ostracism But they are given a marvelous theological Vision of

who they have become through their baptism and pastoral encouragement to stand firm They are shown how to take a missionary stance toward the outside world by giving the witness of a holy and blameless life to offset the slander and ignorance of the non Christian majority and possibly even to lead them to glorify God on the day of judgment In the second part of this volume Daniel Harrington interprets Jude and 2 Peter as confronting crises in the late first century that were perpetrated by Christian teachers who are described polemically as intruders in Jude and as false teachers in 2 Peter In confronting the crises within their churches the authors appeal frequently to the Old Testament and to early summaries of Christian faith While Jude uses other Jewish traditions 2 Peter includes most of the text of Jude as well as many distinctively Greek terms and concepts It is clear that for the authors despite their different social settings what was at stake was the struggle for the faith Daniel J Harrington SJ is a professor of New Testament at Weston Jesuit School of Theology in Cambridge Massachusetts and general editor of New Testament Abstracts He is a past president of the Catholic Biblical Association of American and the editor of the Sacra Pagina series He also wrote The Gospel of Matthew in the Sacra Pagina series Donald Senior CP is a professor of New Testament studies and president of Catholic Theological Union in Chicago He was recently appointed by Pope John Paul II to the Pontifical Biblical Commission General editor of The Bible Today he also co edited The Collegeville Pastoral Dictionary of the Bible and the 22 volume international commentary series New Testament Message and he wrote the four volume The Passion series published by The Liturgical Press

The Horn Book Guide to Children's and Young Adult Books, 2002 **Geographers of the Ancient Greek World: Volume 2** D. Graham J. Shipley, 2024-04-18 Ancient Greek geographical writing is represented not just by the surviving works of the well known authors Strabo Pausanias and Ptolemy but also by many other texts dating from the Archaic to the Late Antique period Most of these texts are however hard for non specialists to find and many have never been translated into English This volume the work of an international team of experts presents the most important thirty six texts in new accurate translations In addition there are explanatory notes and authoritative introductions to each text which offer a new understanding of the individual writings and demonstrate their importance no longer marginal but in the mainstream of Greek literature and science The book includes twenty eight newly drawn maps images of the medieval manuscripts in which most of these works survive and a full Introduction providing a comprehensive survey of the field of Greek and Roman geography **The Classic Bible**

Commentary Owen Collins, 1999 An Essential Collection of History's Finest Commentaries in One Volume **Early Arabic Drama** M. M. Badawi, 1988-02-18 This book traces the development of Arabic drama from the mid nineteenth to the twentieth centuries *Kleopatra* Karen Essex, 2009-05-30 High drama and ancient history combine in this novel of the early life of Egypt's infamous queen at once a beautiful seductress brilliant politician and the most powerful ruler of her time Even as a child Kleopatra demonstrates the charisma and intelligence that will ensure her destiny During an Egyptian coup she and the King are banished to the worldly capital of Rome where she accepts the terms of her rightful ascent to power But the

return to Egypt proves less than glorious when her father falls ill and dies leaving her vulnerable to banishment once again. This time however Kleopatra who has blossomed into a shrewd politician is undaunted. With a warrior's heart she charges her handsome kinsman and lover Archimedes to gather an army while she readies herself for her most royal challenge yet to reclaim her throne by forming an alliance with the renowned Julius Caesar. **Labyrinth of Desire** William Craft, 1994

Modern readings of Sidney generally either endorse Greville's judgment defining a poet who transcends through art the conflicts of public virtue and private desire or they reverse it presenting a Sidney trapped by cultural demands and expectations he could neither abandon nor reform.
