**AN INFORMAL EXPLORATION  
INTO MODERN OCCULTISM**

*Robert Somerville*

NEW YORK : THE VIKING PRESS

Here Mr Splitfoot

**William F. Williams**

## **Here Mr Splitfoot:**

**"Here, Mr. Splitfoot"** Robert Somerlott, 1971 The Fox sisters of Rochester New York may have turned out ultimately to be toe cracking frauds but it was their debut that opened the door to the golden age of the psychic on both sides of the Atlantic In point of fact the rapping and knocking of a Fox seance is but one tiny episode in Robert Somerlott s hugely entertaining sometimes appallingly eerie exploration into that region of psychic phenomena known as the Unexplained It is a story that ranges back to the Elizabethans and forward to today but the bulk of it lies in the nineteenth century when occult stardom shone most brightly Consider the great Eusapia Palladino of Naples the Amazon of the occult whose trials and tribulations in proving her powers easily dispel any notion of a happy medium The fact that she was caught in fraud on occasion has obscured her many feats of genuine telekinesis for she could in a trance move heavy furniture and confound the severest of her investigators But it was Mrs Leonora Piper of Boston who outdid them all Outwardly the most ordinary of women she still defies any explanation The famous 1889 Uncle Jerry test in which she answered questions about certain of the audience s relatives about whom she could not possibly have known before including facts even they did not know makes her the most disturbing riddle a materialist can encounter Ascribe these powers to whatever one will to ESP or mental telepathy or spirited ghosts after reading Here Mr Splitfoot one will find ignoring the whole matter very difficult indeed front flap Dianne K. Salerni, 2007-05-01 In mid nineteenth century America spirits knock and tables tip for Maggie and Kate

Fox two teenage sisters who convince people they can talk to the dead with their mysterious rapping noises Before long neighbors are begging Maggie and Katie for the chance to receive messages from dead relatives and older sister Leah realizes that their prank has real money making potential Soon the sisters hit the road to bamboozle newspaper editors politicians and the public at large and start a national craze for spirits and ghosts Their fame grows but could their powers actually be real See the good and the bad that can happen when three sisters land in the limelight and come to their own conclusions about what s true what s right and what s important [Encyclopedia of Pseudoscience](#) William F.

Williams, 2013-12-02 The Encyclopedia of Pseudoscience is the first one volume A to Z reference that identifies defines and explains all of the terms and ideas dealing with the somewhat murky world of the almost sciences Truly interdisciplinary and multicultural in scope the Encyclopedia examines how fringe or marginal sciences have affected people throughout history as well as how they continue to exert an influence on our lives today This comprehensive reference brings together superstitions and fads that are part of popular culture such as fortune telling healing practices once thought marginal that are now become increasingly accepted such as homeopathy and acupuncture frauds and hoaxes that have occurred throughout history such as UFOs mistaken theories first put forward as serious science but later discarded as false such as phrenology and racial typing etc More than 2000 extensively cross referenced and illustrated entries cover prominent phenomena major figures events topics places and associations **The Bell Witch in Myth and Memory** Rick

Gregory,2023-09-06 While dozens of books and articles have rehearsed the chilling lore surrounding the infamous Bell Witch of Tennessee Rick Gregory takes a different approach He illuminates the oral traditions that preserved and disseminated the tale discusses the major factors in its regional national and international spread analyzes how the legend mirrors other national and international stories with similar themes and finally describes its modern circulation through the World Wide Web and other technologies In exploring the Bell Witch story in this manner Gregory sheds light not only on the folklore of Tennessee with its strong tradition of oral history but also provides insight into the persistent global phenomenon of folklore itself

*The Country You Have Never Seen* Joanna Russ,2007 In 1959 at the age of 22 Joanna Russ published her first science fiction story Nor Custom Stale in The Magazine of Science Fiction and Fantasy In the forty five years since Russ has continued to write some of the most popular creative and important novels and stories in science fiction She was a central figure along with contemporaries Ursula K Le Guin and James Tiptree in revolutionizing science fiction in the 1960s and 1970s and her 1970 novel The Female Man is widely regarded as one of the most successful and influential depictions of a feminist utopia in the entire genre The Country You Have Never Seen gathers Joanna Russ s most important essays and reviews revealing the vital part she played over the years in the never ending conversation among writers and fans about the roles boundaries and potential of science fiction Spanning her entire career the collection shines a light on Russ s role in the development of new wave science fiction and feminist science fiction while at the same time providing fascinating insight into her own development as a writer

**Leonard and Reva Brooks** John Virtue,2001 In 1947 Leonard and Reva Brooks left for Mexico where Leonard planned to study painting for a year In Mexico they discovered a vibrant sometimes even dangerous society and a dynamic artistic community unlike the mundane world they had left behind in Canada with its stale and unwelcoming artistic scene Invigorated by their new environment Leonard and Reva ended up staying for over half a century playing a key role in establishing San Miguel de Allende as a world famous art colony In this new biography John Virtue chronicles the lives of these two important artists and offers an intimate look at these complex and creative people Virtue describes how they were caught up in the McCarthy era of Communist witch hunts and blacklisted in the United States He details their close friendships with luminary figures such as Marshall McLuhan Earle Birney and the Mexican art icon David Alfaro Siqueiros as well as a host of others As Leonard became a fixture in the Mexican art scene Reva s photography quickly garnered international recognition applauded by photographers Ansel Adams and Edward Weston In 1975 the San Francisco Museum of Art selected her as one of the top fifty female photographers of all time With tales of deportations shootouts murder attempts failures and triumphs Leonard and Reva Brooks is a biography of two creative people caught up in interesting times

Talking to the Dead Barbara Weisberg,2009-10-13 Barbara Weisberg s Talking to the Dead blends biography and social history in this revelatory story of the family responsible for the rise of Spiritualism A fascinating story of spirits and conjurors skeptics and converts in the second half of nineteenth century America viewed through the lives of Kate

and Maggie Fox the sisters whose purported communication with the dead gave rise to the Spiritualism movement and whose recanting forty years later is still shrouded in mystery In March of 1848 Kate and Maggie Fox sisters aged eleven and fourteen anxiously reported to a neighbor that they had been hearing strange unidentified sounds in their house From a sequence of knocks and rattles translated by the young girls as a voice from beyond the Modern Spiritualism movement was born Talking to the Dead follows the fascinating story of the two girls who were catapulted into an odd limelight after communicating with spirits that March night Within a few years tens of thousands of Americans were flocking to sances An international movement followed Yet thirty years after those first knocks the sisters shocked the country by denying they had ever contacted spirits Shortly after the sisters once again changed their story and reaffirmed their belief in the spirit world Weisberg traces not only the lives of the Fox sisters and their family including their mysterious Svengali like sister Leah but also the social religious economic and political climates that provided the breeding ground for the movement While this is a thorough compelling overview of a potent time in US history it is also an incredible ghost story Madame Blavatsky Marion Meade,2014-04-01 The life and times of Helena Blavatsky the controversial religious guru who cofounded the Theosophical Society and kick started the New Age movement Recklessly brilliant Helena Petrovna Blavatsky scandalized her 19th century world with a controversial new religion that tried to synthesize Eastern and Western philosophies If her contemporaries saw her as a freak a charlatan and a snake oil salesman she viewed herself as a special person born for great things She firmly believed that it was her destiny to enlighten the world Rebelliously breaking conventions she was the antithesis of a pious religious leader She cursed smoked overate and needed to airbrush out certain inconvenient facts like husbands lovers and a child Marion Meade digs deep into Madame Blavatsky s life from her birth in Russia among the aristocracy to a penniless exile in Europe across the Atlantic to New York where she became the first Russian woman naturalized as an American citizen and finally moving on to India where she established the international headquarters of the Theosophical Society in 1882 As she chased from continent to continent she left in her aftermath a trail of enthralled followers and the ideas of Theosophy that endure to this day While dismissed as a female messiah her efforts laid the groundwork for the New Age movement which sought to reconcile Eastern traditions with Western occultism Her teachings entered the mainstream by creating new respect for the cultures and religions of the East for Buddhism and Hinduism and interest in meditation yoga gurus and reincarnation Madame Blavatsky was one of a kind Here is her richly bizarre story told with compassion insight and an attempt to plumb the truth behind those astonishing accomplishments **The Haunting of Twentieth-Century America** William J. Birnes,Joel Martin,2011-09-13 In this sequel to The Haunting of America national bestselling authors Joel Martin and William J Birnes bring up to the present the story of how paranormal events influenced and sometimes even drove political events In unearthing the roots of America s fascination with the ghosts goblins and demons that possess our imaginations and nightmares Martin and Birnes show how the paranormal has driven America s

political public and military policies The authors examine the social history of the United States through the lens of the paranormal and investigate the spiritual events that inspired momentous national decisions UFOs that frightened the nation's military into launching nuclear bomber squadrons toward the Soviet Union out of body experiences used to gather sensitive intelligence on other countries and even spirits summoned to communicate with living politicians The Haunting of Twentieth Century America is a thrilling evidence-based exploration of the often unexpected influences of the paranormal on science medicine law the government the military psychology theology death and dying spirituality and pop culture At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **Consulting Spirits** Joel

Bjorling,1998-04-30 Throughout history people have been intrigued with spirits angels or devas as sources of wisdom and guidance They are not only interesting as those who possess an insight into events and circumstances but also as proof of life after death In this clear and useful reference guide Bjorling presents a listing of the literature on the various ways in which people of different cultures have consulted spirits through shamans and oracles magic mediums Voodoo and psychics Each chapter contains a general introduction to the respective topic as well as a listing of pertinent books articles and dissertations His survey also includes early spirit contacts in Africa Latin America and Asia **Joanna Russ** Gwyneth

Jones,2019-08-30 Experimental strange and unabashedly feminist Joanna Russ's groundbreaking science fiction grew out of a belief that the genre was ideal for expressing radical thought Her essays and criticism meanwhile helped shape the field and still exercise a powerful influence in both SF and feminist literary studies Award winning author and critic Gwyneth Jones offers a new appraisal of Russ's work and ideas After years working in male dominated SF Russ emerged in the late 1960s with Alyx the uber capable can do heroine at the heart of Picnic on Paradise and other popular stories and books Soon Russ's fearless embrace of gender politics and life as an out lesbian made her a target for male outrage while feminist classics like The Female Man and The Two of Them took SF in innovative new directions Jones also delves into Russ's longtime work as a critic of figures as diverse as Lovecraft and Cather her foundational place in feminist fandom important essays like Amor Vincit Foeminam and her career in academia **Devil Babies** Adam Selzer,2012-10-08 Devil baby stories have been told for

years stories of infants born with horns hooves and claws and a habit of using profane language with ministers Join paranormal authority Adam Selzer as he investigates the legendary Devil Baby of Chicago's Hull House the famous Jersey Devil and the satanic baby reported by the Cleveland Plain Dealer in 1888 You'll never look at babies the same way again This e book includes an excerpt from Adam Selzer's popular book Your Neighborhood Gives Me the Creeps **Victoria's Madmen** C. Bloom,2016-01-13 Victoria's Madmen is the story of those who were outcasts by temperament and choice the non conformists of the Victorian Age Clive Bloom's readable account of the dark underbelly of Victoria's Britain captures the unrest bubbling under the surface of strait laced Victorian society **The Haunting of America** William J. Birnes,Joel Martin,2025-06-25 In the tradition of their Haunting of the Presidents national bestselling authors Joel Martin and William J

Birnes write *The Haunting of America* From The Salem Witch Trials to Harry Houdini the only book to tell the story of how paranormal events influenced and sometimes even drove political events In a narrative retelling of American history that begins with the Salem Witch Trials of the seventeenth century Martin and Birnes unearth the roots of America's fascination with the ghosts goblins and demons that possess our imaginations and nightmares The authors examine the political history of the United States through the lens of the paranormal and investigate the spiritual events that inspired public policy channelers and mediums who have advised presidents UFOs that frightened the nation's military into launching nuclear bomber squadrons toward the Soviet Union out of body experiencers deployed to gather sensitive intelligence on other countries and even spirits summoned to communicate with living politicians *The Haunting of America* is a thrilling exploration of the often unexpected influences of the paranormal on science medicine law government the military psychology theology death and dying spirituality and pop culture At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

**The Link** Richard Matheson, 2011-05-24 From the iconic author of *I Am Legend* The fascinating unfinished teleplay of a saga encompassing the Titanic Jack the Ripper and the paranormal Richard Matheson the celebrated *Twilight Zone* scripter explored his interests in metaphysics spiritualism and parapsychology in such stories as *Hell House* *Somewhere in Time* and *What Dreams May Come* In the early 1980s he approached the ABC television network with a twenty hour mini series about such phenomena in contemporary times and included two in depth historical accounts of the psychic events related to the Jack the Ripper murders and in the Titanic disaster Titled *The Link* Matheson turned in a 557 page outline that ABC executives requested he condense into seven hour long episodes Unable to realize his original vision under such restrictions Matheson abandoned the television project and attempted to novelize the outline After writing 800 pages that only comprised the first part of the novel he decided it was too unwieldy and moved on to other stories Now Matheson's fans can discover what might have been with this publication of *The Link* which includes the entire original outline as well as part of the teleplay The story follows Robert Allright a writer working with paranormal investigator Cathy Graves to decipher a mystery unearthed by his father in an Arizona archeological dig Allright's only clue is the mystifying crystal that his father believes is the key to a great discovery The author who influenced me the most as a writer was Richard Matheson Stephen King Matheson peppers *The Link* with innumerable historical incidents of supposed paranormal activity that make fascinating reading *Publishers Weekly*

**Buckland's Book of Spirit Communications** Raymond Buckland, 2013-12-08 *Buckland's Book of Spirit Communications* is for anyone who wishes to communicate with spirits as well as for the less adventurous who simply want to satisfy their curiosity about the subject Explore the nature of the physical body and learn how to prepare yourself to become a medium Experience for yourself the trance state clairvoyance psychometry table tipping levitation talking boards automatic writing spiritual photography spiritual healing distant healing channeling and development circles Also learn how to avoid
