Heres Ireland:

Wogan's Ireland Terry Wogan, 2012-08-30 In a magical mix of the personal and the political the humorous and the tragic the historic and the modern we follow Terry Wogan on his return to his native land Terry left Ireland in the late 1960s after a childhood in Limerick and early career in Dublin In *Wogan's Ireland* we see through Terry's eyes how the country has changed He rediscovers its rugged coastline and the spectacular views he remembers from childhood holidays He revisits old haunts hooks up with long lost friends colleagues and fellow expats enjoying the nostalgia evoked by these experiences But he doesn't shy away from the more complicated responses that led him to seek his fortunes elsewhere During the course of *Wogan's Ireland* he also explains why he had to leave it all behind Imbued with Terry's inimitable style witty and urbane relaxed yet engaging this book stands as a fitting tribute not only to a beautiful complex and contradictory nation but to one of the BBC's longest standing and most popular personalities *Ireland and the Magdalene Laundries* Claire

McGettrick, Katherine O'Donnell, Maeve O'Rourke, James M. Smith, Mari Steed, 2021-08-12 Between 1922 and 1996 over 10 000 girls and women were imprisoned in Magdalene Laundries including those considered promiscuous a burden to their families or the state those who had been sexually abused or raised in the care of the Church and State and unmarried mothers These girls and women were subjected to forced labour as well as psychological and physical maltreatment Using the Irish State's own report into the Magdalene institutions as well as testimonies from survivors and independent witnesses this book gives a detailed account of life behind the high walls of Ireland's Magdalene institutions The book offers an overview of the social cultural and political contexts of institutional survivor activism the Irish State's response culminating in the McAleese Report and the formation of the Justice for Magdalenes campaign a volunteer run survivor advocacy group *Ireland and the Magdalene Laundries* documents the ongoing work carried out by the Justice for Magdalenes group in advancing public knowledge and research into Magdalene Laundries and how the Irish State continues to evade its responsibilities not just to survivors of the Magdalenes but also in providing a truthful account of what happened Drawing from a variety of primary sources this book reveals the fundamental flaws in the state's investigation and how the treatment of the burials exhumation and cremation of former Magdalene women remains a deeply troubling issue today emblematic of the system of torture and studious official neglect in which the Magdalene women lived their lives The Authors are donating all royalties in the name of the women who were held in the Magdalenes to EPIC Empowering People in Care **'Tinkers'**

Mary Burke, 2009-07-16 The history of Irish Travellers is not analogous to that of the tinker a Europe wide underworld fantasy created by sixteenth century British and continental Rogue Literature that came to be seen as an Irish character alone as English became dominant in Ireland By the Revival the tinker represented bohemian pre Celtic aboriginality functioning as the cultural nationalist counter to the Victorian Gypsy mania Long misunderstood as a portrayal of actual Travellers J M Synge's influential *The Tinker's Wedding* was pivotal to this Irishing of the tinker even as it acknowledged that

figure's cosmopolitan textual roots Synge's empathetic depiction is closely examined as are the many subsequent representations that looked to him as a model to subvert or emulate In contrast to their Revival era romanticization post independence writing portrayed tinkers as alien interlopers while contemporaneous Unionists labelled them a contaminant from the hostile South However after Travellers politicized in the 1960s more even handed depictions heralded a querying of the tinker fantasy that has shaped contemporary screen and literary representations of Travellers and has prompted Traveller writers to transubstantiate Otherness into the empowering rhetoric of ethnic difference Though its Irish equivalent has oscillated between idealization and demonization US racial history facilitates the cinematic figuring of the Irish American Traveler as lovable white trash rogue This process is informed by the mythology of a population with whom Travelers are allied in the white American imagination the Scots Irish Ulster Scots In short the tinker is much more central to Irish Northern Irish and even Irish American identity than is currently recognised

Margaret Thatcher, the Conservative Party and the Northern Ireland Conflict, 1975-1990 Stephen Kelly, 2021-01-14 Winner of the 2022 CHOICE Outstanding Academic Titles The first woman elected to lead a major Western power and the longest serving British prime minister for 150 years Margaret Thatcher is arguably one the most dominant and divisive forces in 20th century British politics Yet there has been no overarching exploration of the development of Thatcher's views towards Northern Ireland from her appointment as Conservative Party leader in 1975 until her forced retirement in 1990 In this original and much needed study Stephen Kelly rectifies this From Thatcher's no surrender attitude to the Republican hunger strikes to her nurturing role in the early stages of the Northern Ireland peace process Kelly traces the evolutionary and sometimes contradictory nature of Thatcher's approach to Northern Ireland In doing so this book reflects afresh on the political relationship between Britain and Ireland in the late 20th century An engaging and nuanced analysis of previously neglected archival and reported sources Margaret Thatcher the Conservative Party and the Northern Ireland Conflict 1975 1990 is a vital resource for those interested in Thatcherism Anglo Irish relations and 20th century British political history more broadly

Irish Modernisms Paul Fagan, John Greaney, Tamara Radak, 2021-09-23 This book focuses on previously unexplored gaps limitations and avenues of inquiry within the canon and scholarship of Irish modernism to develop a more attentive and fluid theoretical account of this conceptual field Foregrounding interfaces between literary visual musical dramatic cinematic epistolary and journalistic media these essays introduce previously peripheral writers artists and cultural figures to debates about Irish modernism Hannah Berman Ethel Colburn Mayne Mary Devenport O'Neill Sheila Wingfield Freda Laughton Rhoda Coghill Elizabeth Bowen Mairéad Cadhain Joseph Plunkett Liam O'Flaherty Edward Martyn Jane Barlow Seosamh Torna Jack B. Yeats and Brian O'Nolan all feature here to interrogate the term's implications Probing Irish modernism's responsiveness to contemporary theory beyond postcolonial and Irish studies *Irish Modernisms Gaps Conjectures Possibilities* uses diverse paradigms including weak theory biopolitics posthumanism and the nonhuman turn to rethink Irish modernism's organising themes the

material body language mediality canonicity war state violence prostitution temporality death mourning Across the volume cutting edge work from queer theory and gender studies draws urgent attention to the too often marginalized importance of women's writing and queer expression to the Irish avant garde while critical reappraisals of the coordinates of race and national history compel us to ask not only where and when Irish modernism occurred but also whose modernism it was

Youth and Popular Culture in 1950s Ireland Eleanor O'Leary, 2018-04-05 Focusing on a decade in Irish history which has been largely overlooked *Youth and Popular Culture in 1950s Ireland* provides the most complete account of the 1950s in Ireland through the eyes of the young people who contributed slowly but steadily to the social and cultural transformation of Irish society Eleanor O'Leary presents a picture of a generation with an international outlook who played basketball read comic books and romance magazines listened to rock n roll music and skiffle made their own clothes to mimic international styles and even danced in the street when the major stars and bands of the day rocked into town She argues that this engagement with imported popular culture was a contributing factor to emigration and the growing dissatisfaction with standards of living and conservative social structures in Ireland As well as outlining teenagers resistance to outmoded forms of employment and unfair work practices she maps their vulnerability as a group who existed in a limbo between childhood and adulthood Issues of unemployment emigration and education are examined alongside popular entertainments and social spaces in order to provide a full account of growing up in the decade which preceded the social upheaval of the 1960s Examining the 1950s through the unique prism of youth culture and reconnecting the decade to the process of social and cultural transition in the second half of the 20th century this book is a valuable contribution to the literature on 20th century Irish history

The Constitutional Legitimacy of Law Officers in the United Kingdom Conor McCormick, 2022-07-14 This book provides a detailed account of each law officer's functions and draws on that account as the basis for a conceptual analysis of their constitutional legitimacy In recent years the constitutional legitimacy of law officers has been questioned repeatedly because of recurring controversies surrounding the discharge of their varied functions Indeed it has become increasingly clear that those functions enable law officers to play a highly influential part in the regulation and exercise of public power throughout the United Kingdom McCormick argues that the most persuasive framework for analysing the offices which make up this diverse regime involves concentrating on the constitutional values of independence accountability and trust which underpin it Both aspects of the book namely the explanation of individual functions and the conceptual analysis of collective legitimacy are written in a holistic way which encompasses critical analyses about the Attorney General and Solicitor General for England and Wales the Counsel General for Wales the Lord Advocate Solicitor General and Advocate General for Scotland as well as the Attorney General and Advocate General for Northern Ireland

Irish Drama and Theatre Since 1950 Patrick Lonergan, 2019-02-21 Drawing on major new archival discoveries and recent research Patrick Lonergan presents an innovative account of Irish drama and theatre spanning the past seventy years Rather than offering a

linear narrative the volume traces key themes to illustrate the relationship between theatre and changes in society In considering internationalization the Troubles in Northern Ireland the Celtic Tiger period feminism and the changing status of the Catholic Church in Ireland Lonergan asserts the power of theatre to act as an agent of change and uncovers the contribution of individual artists plays and productions in challenging societal norms Irish Drama and Theatre since 1950 provides a wide ranging account of major developments combined with case studies of the premiere or revival of major plays the establishment of new companies and the influence of international work and artists including Tennessee Williams Chekhov and Brecht While bringing to the fore some of the untold stories and overlooked playwrights following the declaration of the Irish Republic Lonergan weaves into his account the many Irish theatre makers who have achieved international prominence in the period Samuel Beckett Siobh n McKenna and Brendan Behan in the 1950s continuing with Brian Friel and Tom Murphy and concluding with the playwrights who emerged in the late 1990s including Martin McDonagh Enda Walsh Conor McPherson Marie Jones and Marina Carr The contribution of major Irish companies to world theatre is also examined including both the Abbey and Gate theatres as well as Druid Field Day and Charabanc Through its engaging analysis of seventy years of Irish theatre this volume charts the acts of gradual but revolutionary change that are the story of Irish theatre and drama and of its social and cultural contexts Clare Susan Lynn Peterson, Ph. D., Susan Lynn Peterson, 2011 Clare Keane is fourteen years old when her mother dies of pneumonia in the tenement room they share in turn of the century Cork Ireland Left with two younger brothers her closest family thousands of miles away in St Paul Minnesota Clare begins a dangerous journey that takes her from Cork through the port of Queenstown to Ellis Island New York and finally St Paul Rich in historical detail Clare allows the reader to live the sights sounds and smells of a 1906 journey of immigration Judicial Bricolage Tania Groppi, Marie-Claire Ponthoreau, Irene Spigno, 2025-02-06 This book represents a unique contribution to comparative legal studies by presenting the results of an empirical research project on the use of foreign precedents in constitutional interpretation in 31 jurisdictions worldwide It expands and updates the outcomes presented in the previous successful book The Use of Foreign Precedents by Constitutional Judges edited by Tania Groppi and Marie Claire Ponthoreau and published in 2013 as Volume 1 of the series Hart Studies in Comparative Public Law This new research covering countries from all the continents with special attention to some of the emerging jurisdictions of the Global South confirms that the practice of making explicit use of foreign precedents is still limited both quantitatively and qualitatively Judicial dialogue only exists in common law jurisdictions and even there judicial bricolage is much more common than judicial comparativism Since the previous edition this practice has gone hand in hand with new developments in constitutional law such as the democratic erosion and backsliding the emergence of populist movements the increasing role of regional human rights courts which in many cases overshadowed foreign sources and the end of a global vision of constitutionalism Applying a quantitative and a qualitative analysis with the support of tables and data the book gives a more

complete picture of the practice of citing foreign precedents in this new and challenging era resulting in essential reading for comparative and constitutional legal scholars

Law and Gender in Modern Ireland Lynsey Black, Peter Dunne, 2019-02-21

Law and Gender in Modern Ireland Critique and Reform is the first generalist text to tackle the intersection of law and gender in this jurisdiction for over two decades As such it could hardly have come at a more opportune moment The topic of law and gender perhaps more so than at any other time in Irish history has assumed a dominant place in political and academic debate Among scholars and policy makers alike the regulation of gendered bodies and the legal status of sexual and gendered identities is now a highly visible fault line in public discourse Debates over reproductive justice exemplified by the recent referendum to remove the 8th Amendment increased rights for lesbian gay bisexual and transgender persons including the public sanctioned introduction of same sex marriage and the historic mistreatment of women and young girls have re shaped Irish public and political life and encouraged Irish society to re examine long unchallenged gender norms While many traditional flashpoints remain such as abortion and prostitution sex work there are also new questions including surrogacy and the gendered experience of asylum frameworks which have emerged As policy makers seek to enact reforms they face a population with increasingly polarised perceptions of gender and a legal structure ill equipped for modern realities This edited volume directly addresses modern Irish debates on law and gender Providing an overview of the existing rules and standards as well as exploring possible options for reform the collection stands as an important statement on the law in this jurisdiction and as an invaluable resource for pursuing gendered social change While the edited collection applies a doctrinal methodology to explain current statutes case law and administrative practices the contributors also invoke critical gender queer and race perspectives to identify and problematise existing and potential challenges This edited collection is essential reading for all who are interested in law gender and processes of social change in modern Ireland

Contemporary Irish Documentary Theatre is the first anthology of Irish documentary drama It features five challenging plays by Irish writers and one by an international author interrogating and commenting on crucial events of Irish history and of the diaspora with introductory essays by established academics Together these plays represent the most innovative development in contemporary Irish theatre and illuminate the social and political realities of contemporary Ireland The first two plays of 2010 and 2013 deal with scandals of clerical and institutional abuse and use as source material the Ryan Report of 2009 and the documents from the 2008 Irish Bank Guarantee The next two of 2014 and 2013 concern interpretations of the most iconic moment of Irish history the Easter Rising The first of these is based on published statements of participants in the event and the second on the lived experiences of those in the contemporary Republic whose founding ideals have not been realized The last two plays of 2015 and 2016 widen the view to the history of the Irish in the diaspora one retelling the history of emigration to England based on

published research material and the other tracing Roger Casement's experiences in the Amazon and his subsequent participation in the Easter Rising using extracts from his diaries and other writings The plays included and discussed are *No Escape* by Mary Raftery *Guaranteed* by Colin Murphy *Of This Brave Time* by Jimmy Murphy *History* by Grace Dyas *My English Tongue* *My Irish Heart* by Martin Lynch *The Two Deaths of Roger Casement* by Domingos Nunez *Decriminalizing Abortion in Northern Ireland* Fiona Bloomer, Emma Campbell, 2022-10-06 Northern Ireland stands out as having enacted historical positive change in abortion law from an almost complete ban in the 20th century to the decriminalization achieved in 2019 This book documents and analyzes how this historical change was achieved Each chapter is written by those directly involved in the long fought battle to change abortion law including those with personal experience of seeking abortions activists academics legal experts political actors NGOs and volunteers In this the first of two volumes contributions focus on the legislative landscape of the process with particular emphasis on the importance of feminist legal work law making influenced by the women most likely to be impacted by it **Northern Ireland, a Role for the United States?** Joshua Eilberg, Hamilton Fish, 1979 *Books of Travel* Urban T. Beyond Brexit Vernon Bogdanor, 2019-02-07 Entry into the European Community in 1973 was a momentous event with seismic consequences for the politics and constitution of Britain Discussion of Brexit equally momentous has been confined almost wholly to looking at the economic consequences of Britain's withdrawal from Europe But what will happen to the constitution Beyond Brexit looks for the first time at the impact of Brexit on our constitution on Parliament on the courts on individual rights and above all on the question of whether the United Kingdom can be held together Vernon Bogdanor explores the ever changing relationship between Britain and the European Union from the original concept of European unity after 1945 to 21st century Euroscepticism and our exit from the European Union and explains what the future holds for our system of government and our constitution
