St. Philomena Catholic Church (Father Damien's Church) ,1985

Exile in Paradise Linda W. Greene,1985

St.

Damien of Molokai Margaret Bunson,Matthew Bunson,2009-08-31 Saint Damien of Molokai is the riveting account of how a humble Congregation of the Sacred Hearts priest found a vocation in caring for lepers that led him to his canonization in October 2009 Hawaii normally brings idyllic scenes of blue skies and white beaches to mind But Hell invaded Paradise when the incurable disease leprosy was discovered there An 1865 law segregated lepers by forcibly exiling individuals even children to the island of Molokai It was onto these forlorn shores that Father Damien de Veuster stepped in the spring of 1873 In an age in which an increasing number of people suffer their own personal exile on account of illness handicap or emotional distress the shining example of Father Damien shows the true power of one person and how when anchored in God's love one person can impact the world even among the horrors of decay and slow death In so doing he brought hope to the hopeless ironically losing his own life for serving theirs

Dr. Hyde and Mr. Stevenson Harold Winfield Kent,2009-02-20 Dr Hyde and Mr Stevenson is a biography of the Rev Dr Charles McEwen Hyde one of the most influential Americans in 19th century Hawaii What manner of man was this Dr Hyde He was a truly good example of the New England bred community minded leader who throughout the course of several generations formulated the pattern we speak of as the American way What role did he play in the history of Hawaii He was very influential in setting up of the Kamehameha Schools the Bishop Museum and various other institutions sponsored by the philanthropist Charles Reed Bishop He was a major force behind the establishment of the Hawaiian Historical Society a moving spirit in the development of the Library of Hawaii and the founder of the Social Science Association in 1882 for which he served as secretary for seventeen years Also included is a discussion of the open letter of Robert Louis Stevenson

The Colony John Tayman,2010-05-11 In the bestselling tradition of In the Heart of the Sea The Colony an impressively researched Rocky Mountain News account of the history of America's only leper colony located on the Hawaiian island of Molokai is an utterly engrossing look at a heartbreaking chapter Booklist in American history and a moving tale of the extraordinary people who endured it Beginning in 1866 and continuing for over a century more than eight thousand people suspected of having leprosy were forcibly exiled to the Hawaiian island of Molokai the longest and deadliest instance of medical segregation in American history Torn from their homes and families these men women and children were loaded into shipboard cattle stalls and abandoned in a lawless place where brutality held sway Many did not have leprosy and many who did were not contagious yet all were ensnared in a shared nightmare Here for the first time John Tayman reveals the complete history of the Molokai settlement and its unforgettable inhabitants It's an epic of ruthless manhunts thrilling escapes bizarre medical experiments and tragic irreversible error Carefully researched and masterfully told The Colony is a searing tale of individual bravery and extraordinary survival and stands as a testament to the power of faith compassion and the human spirit
