

The Herodian Period (37BCE - 73CE)

Herodian Period

Steven Fine

Herodian Period:

Herodian Judaism and New Testament Study William Horbury, 2006 This book presents a selection of William Horbury's recent essays Those collected in Part I seek to trace the profile of Herodian Jewish piety its Greek and Roman setting and its reflection in Christianity Monotheism mysticism perceptions of Moses and the Temple are all considered in this way and a Jewish context for the term gospel and the institution of the Lord's Supper is suggested Part II treats modern New Testament study with special attention to its links with study of the classical and Jewish traditions and a survey on British study in its international setting

Herod's Judaea Samuel Rocca, 2015-03-30 Samuel Rocca born in 1968 earned his PhD in 2006 Since 2000 he worked as a college and high school teacher at The Neri Bloomfield College of Design at the Talpiot College Tel Aviv since 2005 and at the Faculty of Architecture at the Judaea and Samaria College Ariel since 2006

Herodian's World, 2021-12-13 The volume collects fourteen essays on Herodian that investigate the most important aspects of his historiography literature politics economy religion and warfare

Early Christian and Jewish Monotheism Loren T. Stuckenbruck, Wendy E. Sproston North, 2004-05-27 Early Christology must focus not simply on historical but also on theological ideas found in contemporary Jewish thought and practice In this book a range of distinguished contributors considers the context and formation of early Jewish and Christian devotion to God alone the emergence of monotheism The idea of monotheism is critically examined from various perspectives including the history of ideas Graeco Roman religions early Jewish mediator figures scripture exegesis and the history of its use as a theological category The studies explore different ways of conceiving of early Christian monotheism today asking whether monotheism is a conceptually useful category whether it may be applied cautiously and with qualifications or whether it is to be questioned in favor of different approaches to understanding the origins of Jewish and Christian beliefs and worship This is volume 1 in the Early Christianity in Context series and volume 263 in the Journal for the Study of the New Testament Supplement Series

Jewish Studies on Premodern Periods Carl S. Ehrlich, Sara R. Horowitz, 2023-05-22 This volume examines new developments in the fields of premodern Jewish studies over the last thirty years The essays in this volume written by leading experts are grouped into four overarching temporal areas the First Temple Second Temple Rabbinic and Medieval periods These time periods are analyzed through four thematic methodological lenses the social scientific history and society the textual texts and literature the material art architecture and archaeology and the philosophical religion and thought Some essays offer a comprehensive look at the state of the field while others look at specific examples illustrative of their temporal and thematic areas of inquiry The volume presents a snapshot of the state of the field encompassing new perspectives directions and methodologies as well as the questions that will animate the field as it develops further It will be of interest to scholars and students in the field as well as to educated readers looking to understand the changing face of Jewish studies as a discipline advancing human knowledge

Herod and Augustus David M. Jacobson, Nikos Kokkinos, 2009 Nineteen studies illuminating Herod's role in

the Augustan client network and his remarkable achievements as expressed in his extensive building programme Josephus record is examined here in the light of the available documentary and archaeological evidence *Reconfiguring the Imperial Past: Narrative Patterns and Historical Interpretation in Herodian's History of the Empire* Chrysanthos S.

Chrysanthou,2022-05-20 In the process of recording the history of the Roman Empire from the death of Marcus Aurelius to the accession of Gordian III Herodian makes his characters respond to the same situations in similar or different ways This book shows that each reign in Herodian s History is creatively mapped onto ever recurring narrative patterns It argues that patterning is not simply decorative in Herodian s work but constitutes a crucial conceptual and methodological tool for writing interpretative history Herodian deserves credit as an original and independent author A careful consideration of the formulaic nature of his historiography indicates that there is more artistry in his composition than had previously been discerned **The Dead Sea Scrolls After Fifty Years, Volume 1** Peter Flint,James C. Vanderkam,2019-05-09

Households, Sects, and the Origins of Rabbinic Judaism Alexei Sivertsev,2022-01-04 This book suggests a new approach to the social history of Jewish religious movements in the Second Temple and early Rabbinic periods It argues that most of these movements and their traditions emerged within the context of complex interaction between traditional families and disciple circles The first part of the book examines the development of Jewish religious movements during the Second Temple period It culminates with the discussion of the Dead Sea Sect which is analyzed as the first unambiguous example of a movement shifting from a social structure based on families to a social structure based on disciple circles The second part of the book discusses the history of pharisaic and early rabbinic movements from a similar perspective Topics covered in the book will be of interest to scholars of Judaism and Early Christianity The Dead Sea Scrolls Charlotte Hempel,2010-07-26 This volume presents the proceedings of an international conference of the same title held at the University of Birmingham in 2007 The contributors are drawn from the ranks of leading international specialists in the field writing alongside promising younger scholars The volume includes studies on the contribution of the Scrolls to Second Temple Jewish history the archaeological context the role of the temple and its priesthood as well as treatments on selected texts and issues These proceedings offer a timely and up to date assessment of the Dead Sea Scrolls and the material remains unearthed at Qumran in their wider context and not infrequently challenge prevailing lines of interpretation Helen Jacobus has won the Sean Dever Memorial Prize with her contribution to this volume Commenting on the Dever prize Professor Carol Meyers of Duke University North Carolina said The judges thought highly of Helen s meticulous scholarship and careful presentation of the data in her discussion of the zodiac and its role in Jewish calendars The Caves of Qumran Marcello Fidanzio,2016-11-01 In Qumran studies the attention of scholars has largely been focused on the Dead Sea Scrolls while archaeology has concentrated above all on the settlement This volume presents the proceedings of an international conference Lugano 2014 dedicated entirely to the caves of Qumran The papers deal with both archaeological and textual issues comparing the caves

in the vicinity of Qumran between themselves and their contents with the other finds in the Dead Sea region The relationships between the caves and the settlement of Qumran are re examined and their connections with the regional context are investigated The original inventory of the materials excavated from the caves by Roland de Vaux is published for the first time in appendix to the volume

particular instances of history artifacts and landscapes in the making to show how archaeology helped not only to legitimize cultural and political visions but far more powerfully to reshape them. Moreover, she places Israeli archaeology in the context of the broader discipline to determine what unites the field across its disparate local traditions and locations. Boldly uncovering an Israel in which science and politics are mutually constituted, this book shows the ongoing role that archaeology plays in defining the past, present, and future of Palestine and Israel.

The Archaeology of the Holy Land Jodi Magness, 2012-08-27. An introduction to the archaeology and history of ancient Palestine from the destruction of Solomon's temple to the Muslim conquest.

An Urban Geography of the Roman World, 100 BC to AD 300 J. W. Hanson, 2016-11-07. This book provides a new account of the urbanism of the Roman world between 100 BC and AD 300. To do so, it draws on a combination of textual sources and archaeological material to provide a new catalogue of cities, calculates new estimates of their areas, and uses a range of population densities to estimate their populations.

The Background of the Gospels, Or, Judaism in the Period Between the Old and New Testaments William Fairweather, 1920.

Hazon Gabriel Matthias Henze, 2011. Essays include the papers of a conference hosted by the Program in Jewish Studies at Rice University, Houston, Tex., in Feb. 2009.

The Temple of Jerusalem: From Moses to the Messiah Steven Fine, 2011-01-17. The Temple of Jerusalem: From Moses to the Messiah brings together an interdisciplinary and broad-ranging international community of scholars to discuss aspects of the history and continued life of the Jerusalem Temple in Western culture from biblical times to the present. This volume is the fruit of the inaugural conference of the Yeshiva University Center for Israel Studies, which convened in New York City on May 11-12, 2008, and honors Professor Louis H. Feldman, Abraham Wouk Family Professor of Classics and Literature at Yeshiva University. Feldman is the doyen of modern scholarship on Judaism in the Greco-Roman period, focusing on the writings of Flavius Josephus, a beloved mentor to generations of Yeshiva University students and of scholars across the globe. Professor Feldman has taught at YU since 1955. The articles are consistently of high quality. This book is highly recommended for any academic collection in Jewish studies.

Jim Rosenbloom, Judaica Librarian, Brandeis University, President, Association of Jewish Libraries.

Debating Qumran Jodi Magness, 2004. Qumran has been the subject of recent controversy, with a number of scholars challenging Roland de Vaux's interpretation of the site as a sectarian settlement. In these updated and annotated essays, Jodi Magness examines various aspects of the archaeology of Qumran, including the architecture, pottery, cemetery, and coins. She believes that de Vaux's interpretation is correct and that the community that inhabited Qumran should be identified with the Essenes mentioned in our ancient sources.

Thank you definitely much for downloading **Herodian Period**. Maybe you have knowledge that, people have look numerous period for their favorite books next this Herodian Period, but stop occurring in harmful downloads.

Rather than enjoying a good PDF later a cup of coffee in the afternoon, otherwise they juggled afterward some harmful virus inside their computer. **Herodian Period** is welcoming in our digital library an online entry to it is set as public so you can download it instantly. Our digital library saves in fused countries, allowing you to acquire the most less latency period to download any of our books with this one. Merely said, the Herodian Period is universally compatible like any devices to read.
